Reason For My Hope :

The Reason for My Hope Billy Graham,2013-10-22 The saving message of the Gospel is the heartbeat of this preacher and evangelist Millions around the world heard Billy Graham proclaim this unchanging truth He never forgot the transformation of his own life when he first said yes to God s gift of salvation and he witnessed multitudes turn their hearts to the God of Hope What is the most hopeful word in History For Billy Graham that word is SALVATION Billy Graham proclaimed God s Gospel with resolve and deep compassion It is a message he preached for more than seventy years And in this book you will sense its urgency filled with hope for the future Salvation is what we all long for when we are lost or in danger or have made a mess of our lives And salvation belongs to us when we reach out for the only One who can rescue us Jesus The Reason for My Hope Salvation presents the essence of that transformative message It is biblical and timeless and though simple and direct it is far from easy There are hard words prophetic words directed toward a culture that denies the reality of sin and distracts us from the veracity of Hell But through its ominous warnings shines a light that cannot be extinguished a beacon of hope that Jesus came to seek and to save that which was lost Luke 19 10 Reason for My Hope Charles F. C.H. Spurgeon, of London** Charles Haddon Spurgeon,1857 Exploiting Children Matt Spencer,2013-09-20 America s citizens want children to receive a high quality education in clean orderly and safe schools staffed with quality teachers support staff and courageous educational leaders In many communities such a school experience is something the

students will never have Why One or more members of the governing board desire to use their elected position for personal gain They are Exploiters Some desire to exploit a little Others crave total domination of the school system and become the petty tyrants of education Whether the exploitation is minimal or extreme exploitative board members are highly detrimental to the effectiveness of the local school system They destroy teamwork morale careers and many times entire school systems They steal a high quality education from children The predominant governance structure of public education dictated by law is seriously flawed What thousands of citizens and educators strongly desire for their schools can be discarded and replaced with the unscrupulous will of one individual Exploitive school board members must be understood and stopped The governance structure of public education must be changed
