Reason to Believe Richard Purtill, 2009-09-03 Is religious belief reasonable Of course the so called New Atheists such as Richard Dawkins and Sam Harris energetically say No Many others including some believers insist that faith is utterly beyond reasoned argument Faith they declare is believing something that reason tells you can't be so In this way they think they shield belief from rational criticism But philosopher Richard Purtill will have none of that approach to religion In this newly updated classic work Purtill carefully applies the power of the mind to understanding whether there is a rational basis for certain religious beliefs His focus is on widely held Christian beliefs although much of what he says applies also to other religious traditions Purtill assesses the common objections to religious belief the claims that religious tenets are nonsensical wishful thinking the result of gullibility immoral or refuted by modern discoveries Then he considers the arguments in favor of Christian belief by studying the nature of faith of the universe of morality of happiness and the world with God in it He also scrutinizes certain beliefs involving claims of Christian revelation the credentials of revelation the idea of God Jesus as God's Son organized religion and the last things death judgment heaven and hell The two appendices tackle the Christian doctrine of the Atonement and the influence of certain Christian writers on the revival of Christian belief in the 20th century An updated For Further Reading section is included Reason to Believe is not a work of revealed theology or religious devotion it is a highly readable book on the philosophy of religion aimed at the reader who wants to think seriously

Reason to Believe Mario Cuomo, 2012-11-13 The democratic party's most eloquent statesman in a triumph of heart mind and voice delivers a vivid rebuke to the radical Republicans running riot in Washington Forthright in confessing his party's own failings Cuomo is remorseless in dismantling the opposition using the floodlight of his clear prose to reveal the evasion and show the inadequacy of the now famous celebrated Contract with America In its place he offers a hopeful vision of what we the people might achieve if we can only learn to remember we're all in this together Written with a depth of understanding drawn from twenty years of daily involvement with local state and federal government and six decades as the American son of quintessential immigrants *Reason to Believe* is Cuomo's tribute to the uncompromising wisdom of people like his parents and the parents of his wife Matilda seekers and believers who taught him the lesson America needs so badly now that what is right is usually also what is necessary that in helping one another we almost always help ourselves

Reason to Believe Hephzibah Roskelly, Kate Ronald, 1998-01-01 Explores current theories of teaching and demonstrates that English studies can benefit from the work of nineteenth century American romanticism and pragmatism both of which affirm the possibility of growth and development The book argues eloquently for the importance of hope and relies extensively for its theoretical underpinnings on the influential writings of Cornel West and Paulo Freire

A Reason to Believe Diana Copland, 2025-02-11 Detective Matthew Bennett doesn't believe in ghosts So when the spirit of a murdered child leads him to her body he's shaken to the core and taken off the case Unable to explain his vision or to let go of the investigation Matthew turns to renowned medium Kiernan Fitzpatrick Though he has doubts about Kiernan's claims to communicate with the dead Matt is nevertheless drawn to the handsome psychic who awakens feelings he thought were long buried Haunted by the lingering spirit of the little girl Kiernan is compelled to aid in the search for her killer The chance to get closer to the enigmatic Matt is an unexpected bonus Although Kiernan's been betrayed by people who turned out to be more interested in his fame than in himself with Matt he's willing to risk his heart As the two men grow closer Kiernan helps Matt rediscover that life offers no guarantees but love offers a reason to believe 81 000 words

became the first black governor of the state of Massachusetts one of only two black governors elected in American history But that was just one triumphant step in an improbable life that began in a poor tenement on the South Side of Chicago taking Patrick from a chaotic childhood to an elite boarding school in New England from a sojourn doing relief work in Africa to the boardrooms of Fortune 500 companies and then to a career in politics In this heartfelt and inspiring memoir he pays tribute to the family friends and strangers who through words and deeds have instilled in him transcendent lessons of faith perseverance and friendship In doing so he reminds us of the power of community and the imperative of idealism With humility humor and grace he offers a road map for attaining happiness empowerment and success while also making an appeal for readers to cultivate those achievements in others to feel a greater stake in this world and to shape a life worth living Warm nostalgic and inspirational *A Reason to Believe* is destined to become a timeless tribute to a uniquely American odyssey and a testament to what is possible in our lives and our communities if we are hopeful generous and resilient Governor Deval Patrick is donating a portion of the proceeds from *A Reason to Believe* to A Better Chance a national organization dedicated to opening the doors to greater educational opportunities for young people of color
