Dale Johnson Jr.,2020-07-21 When the organization and structure of the church in America was altered in the early 1900s to meet modern demands the role of the pastorate became more specialized to adapt to the burdens of the new efficient structure In 1920 Gaines Dobbins utilized the business efficiency model at Southern Baptist Theological Seminary to formulate a distinct ecclesiology Discontent with traditional methods of instruction in theological education Dobbins sought to implement theories and methodologies from modern educationalists He adopted a psychologized educational methodology and utilized the psychology of religion as an empirical measure of the soul human nature and human behavior Use of the social sciences seemed to grant Dobbins as a practitioner academic respectability within the realm of theological education Both the professionalization that resulted from Dobbins s efficiency standards and a working theory of human nature derived from psychological models were synthesized into a specialized system of pastoral care Dobbins followed the new shape of pastoral theology in America adopting Clinical Pastoral Education CPE as the model for pastoral training As a result CPE became an integral part of the curriculum at Southern Baptist Theological Seminary for over sixty years and spread to influence many other SBC entities

Biblical Counsel ,1993 *Real Reasons Rulers Resist Replacement* Emmanuel

Oghenebrorhie,2011-05-02 This is the first of a two part series which outlines the real reasons rulers would not readily subscribe to giving up their positional power authority and relevance Only those who are honest and had occupied such positions would understand the plight of the acclaimed bad ruler whom citizens insist must quit It is one of the most difficult things for the human nature to comprehend and agree to implement at his expense All those clamouring for the replacement of the ruler know their heart hidden reasons above the tenable reasons they give and defend stoutly for such insistence Rather than rubbish them rulers under pressure to quit or who have even quit should be pitied because they are living a nightmare every minute they spend outside the throne which they once enjoyed Most times ousted rulers feel better dead than alive to adjust to regular lifestyle in the same domain in which they once ruled and reigned Enjoy a happy reading

Giving Counsel Donald Capps,2001-11-01 For most ministers pastoral counseling is a part of daily ministry whether it is in an office counseling session or in a chance meeting with a parishioner outside the church Whatever the setting ministers are often called on to provide counsel and by virtue of their calling and training are expected to do so This how to guide for seminary students and ministers explores the role of the minister as counselor and provides a method for giving counsel Renowned pastoral care expert Donald Capps equips readers with basic knowledge and skills and helps them to create a framework to ensure that all conversations where counsel is given will be valuable and not harmful to the person involved Using a problem resolving approach Capps leads readers through How to Create a Listening Environment How to Construct a Conversation How to Think Systemically How to Interpret Stories How to Manage Boundaries Giving Counsel is the perfect resource for seminary students and ministers of all faiths whether you are beginning your study or looking for a single resource to serve your ministry *Resources in Education* ,1981-02 [Solution-Focused Pastoral Counseling](#) Charles Allen Kollar,2010-06-15 This groundbreaking book now updated and expanded furthers its original effective time saving approach that benefits pastors overtaxed by counseling demands Dr Charles Kollar presents a departure in pastoral counseling showing that counseling need not be long term or depend on psychological manipulation to produce dramatic results In most cases the solution lies with the counselees themselves Using the tested methods found in Solution Focused Pastoral Counseling pastors apart from counselors will be well equipped to help their counselees discover a solution and put it in motion speedily and productively SFPC is short term typically one to five sessions in which the counselor seeks to create solutions with not for the counselee The focus is on the possibility of life without the problem through an understanding of what is different when the problem does not occur or is less intrusive The goal is healthy change sooner rather than later by helping the counselee see and work on the solution with God s activity already present in his or her life The solution focused approach does not require the counselor to be a highly trained psychological expert It requires biblically based sensitivity and common sense Yet this approach also recognizes its limitations and understands that there are situations in which other professional and or medical help is required
