HaTzimtzum, Volume 2 Avinoam Fraenkel, 2020-12-29 Nefesh HaTzimtzum provides the single most comprehensive and accessible presentation of the teachings and worldview of the Vilna Gaon's primary student Rabbi Chaim Volozhin. It is focused on Rabbi Chaim's magnum opus Nefesh HaChaim, a work that has lain in almost total obscurity for nearly two centuries due to its deep Kabbalistic subject matter. Nefesh HaTzimtzum opens up the real depth of the ideas presented in Nefesh HaChaim together with all of Rabbi Chaim's related writings, making them accessible to the public for the first time in any language. In addition to the complete English translation of Nefesh HaChaim, Nefesh HaTzimtzum includes the full Hebrew text of Nefesh HaChaim and many other writings by Rabbi Chaim with correspondingly hyperlinked English and Hebrew texts along with in-depth explanations, an informative historical overview, an easily consumable innovative presentation layout, and a full index. After centuries of confusion, extensive clarification is provided of the central Kabbalistic concept of Tzimtzum or the secret of how an infinite God occupies a finite world. Most importantly, it unequivocally demonstrates that the key Kabbalists, including the Vilna Gaon, Rabbi Chaim Volozhin, and the Baal HaTanya, all unanimously agreed on the underlying principles of the concept of Tzimtzum and that contrary to widespread historical misunderstanding, there was no fundamental dispute about the philosophical principles of Judaism between the Hasidim and the Mitnagdim. Based on this, Nefesh HaTzimtzum shows that both Nefesh HaChaim and Sefer HaTanya present the same methodology for serving God, which is rooted in their identical understanding of the concept of Tzimtzum. Nefesh HaTzimtzum is published in two volumes which are sold separately. This companion volume presents a number of important concepts, including the concept of Tzimtzum, which together enable the true depth of Nefesh HaChaim to be understood. It also adds valuable insight by providing the translation of all of Rabbi Chaim Volozhin's published writings which are related to Nefesh HaChaim. Additional related writings are also included together with detailed outlines and a full index for both volumes. **Index to Jewish Periodicals**, 1995 An author and subject index to selected American Anglo-Jewish journals of general and scholarly interests. *Tales of Elijah the Prophet* Peninnah Schram, 1997-02-01 *Tales of Elijah the Prophet* is a brilliant and multicolored portrait of Elijah and his role in Jewish life and tradition throughout the ages. It unlocks the world of Elijah, inviting readers to delve into the centuries-old treasure chest of Jewish wisdom. *Israeli Feminism Liberating Judaism* Bonna Devora Haberman, 2012-07-16 This engaging feminist approach to Judaism blends the interpretation of primary Jewish sources with contemporary social change. Bonna Devora Haberman shares her first-hand account of the Women of the Wall and a feminist approach to traditional Judaism while interacting with ancient Jewish texts. In a rich network of sources, seaming together scholarship with activism, Haberman analyzes the sacred with attention to power and gender. While much religious and national culture focuses on death and sacrifice, Haberman proposes an alternative model for a Jewish theology of liberation: birth, no less universal than death. Life-giving rather than life-taking is the nucleus of this work, reformulating performances of gender in a realm of exaggerated sexual difference. Using her experiences with the Women of the Wall,

movement interwoven in scripture Haberman contributes toward liberating religious culture from its gender oppressions and rendering religion a liberating force in society **A Daughter of Two Mothers** Miriam Cohen, 2007 Written by best selling author Miriam Cohen A Daughter of Two Mothers is the incredible true account of a handicapped widow's forced separation from her infant daughter the years of longing and searching the legal battle and the subsequent destruction brought by the Nazis Open this book and you will step into the world of a generation gone of pre and post war Hungarian Jewry as young Leichu moves between two communities and their divergent lifestyles This is a gripping story of separation and reunion of pure faith and acceptance of G-d's will and of triumph over despair Eternally Yours Nathan Sternharz, 1993 Reb Noson's letters to his friends and family make an inspiring treasury showing how Rebbe Nachman's closest disciple actually put the Rebbe's teachings of joy and fortitude into practice day after day even in the most testing times The mind and energy of Rebbe Nachman's advice pulsates in every letter Also provides fascinating insights into Reb Noson's life and activities in the years when he was building the Breslover movement virtually single handedly in the face of overwhelming obstacles Appendices with biographies of several people who are mentioned in the letters along with synopses of Rebbe Nachman's lessons quoted by Reb Noson are provided Volume Four also contains letters from Reb Noson's closest disciple Reb Nachman of Tulchin as well as several letters from Reb Noson's son Reb Yitzchok
