nationalist population experiences a rising number of casualties due to rampant brutality from unionist militias A suppression of inquiries into killings leads to a widespread feeling of abandonment by the Provisional Government On June 4 1922 the Provisional Government implemented a policy of peaceful obstruction towards the Belfast Government explicitly forbidding any troops from the twenty six counties from entering the six county area In an apocalyptic climax Dublin is engulfed in explosions assassinations and relentless urban warfare This powerful account not for the faint hearted leaves a lasting impact resonating with the reader long after the final page *A Bibliography of British History, 1914-1989* Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index Federal Probation, 1990
