## **Rebel Sell Why The Culture Cant Be Jammed:**

**Rebel Sell** Joseph Heath, Andrew Potter, 2010-06-01 With the popularity of Michael Moore Adbusters magazine and Naomi Klein's No Logo it's hard to ignore the growing tide of resistance to our corporate controlled world But do these vocal opponents of the status quo offer us a real political alternative In this lively blend of pop culture history and philosophical analysis Joseph Heath and Andrew Potter argue that this countercultural opposition to the system has not only been unproductive but has helped to create the very consumer society that radicals oppose This thought provoking book will enrage and entertain today's countercultural rebels and their opponents on the political right The Rebel Sell Joseph Heath, Andrew Potter, 2006 An explosive rejection of the myth of the counterculture in the most provocative book since No Logo In this wide ranging and perceptive work of cultural criticism Joseph Heath and Andrew Potter shatter the central myth of radical political economic and cultural thinking The idea of a counterculture that is a world outside of the consumer dominated one that encompasses us pervades everything from the anti globalisation movement to feminism and environmentalism And the idea that mocking the system or trying to jam it so it will collapse they argue is not only counterproductive but has helped to create the very consumer society that radicals oppose In a lively blend of pop culture history and philosophical analysis Heath and Potter offer a startlingly clear picture of what a concern for social justice might look like without the confusion of the counterculture obsession with being different Source eu wiley com Absent Rebels: Criticism and Network Power in 21st Century Dystopian Fiction Annika Gonnermann, 2021-04-19 Absent Rebels Criticism and Network Power in 21st Century Dystopian Fiction focuses on the relationship between literary dystopia network power and neoliberalism explaining why rebellion against a dystopian system is absent in so many contemporary dystopian novels Also this book helps readers understand modern power mechanisms and shows ways how to overcome them in our own daily lives

**Adman's Dilemma** Paul Rutherford, 2018-01-01 The Adman's Dilemma is a cultural biography that explores the rise and fall of the advertising man as a figure who became effectively a licensed deceiver in the process of governing the lives of American consumers Apparently this personage was caught up in a contradiction both compelled to deceive yet supposed to tell the truth It was this moral condition and its consequences that made the adman so interesting to critics novelists and eventually filmmakers The biography tracks his saga from its origins in the exaggerated doings of P T Barnum the emergence of a new profession in the 1920s the heyday of the adman's influence during the post WW2 era the later rebranding of the adman as artist until the apparent demise of the figure symbolized by the triumph of that consummate huckster Donald Trump In The Adman's Dilemma author Paul Rutherford explores how people inside and outside the advertising industry have understood the conflict between artifice and authenticity The book employs a range of fictional and nonfictional sources including memoirs novels movies TV shows websites and museum exhibits to suggest how the adman embodied some of the strange realities of modernity **Brand Hollywood** Paul Grainge, 2007-10-31 From the growth in merchandising and

product placement to the rise of the movie franchise branding has become central to the modern blockbuster economy In a wide ranging analysis focusing on companies such as Disney Dolby Paramount New Line and in particular Warner Bros Brand Hollywood provides the first sustained examination of the will to brand in the contemporary movie business Outlining changes in the marketing and media environment during the 1990s and 2000s Paul Grainge explores how the logic of branding has propelled specific kinds of approach to the status and selling of film Analyzing the practice of branding the poetics of corporate logos and the industrial politics surrounding the development of branded texts properties and spaces including franchises ranging from Looney Tunes to Lord of the Rings and Harry Potter to The Matrix Grainge considers the relation of branding to the emergent principle of total entertainment Employing an interdisciplinary method drawn from film studies cultural studies and advertising and media studies Brand Hollywood demonstrates the complexities of selling entertainment in the global media moment providing a fresh and engaging perspective on branding s significance for commercial film and the industrial culture from which it is produced

### **Translating US Underground Comix in Italy**

Chiara Polli, 2025-04-16 This book analyses 1960s 1970s US underground comix a counterculture art form that satirised mainstream values and taboos The author observes comix in their multimodal components in the original English language versions and in their Italian translations by unpacking the several layers of verbal and visual meaning making She then goes on to scrutinise translation and resemiotisation processes including modifications mitigations and omissions encompassing socio historical and cross cultural perspectives The book argues that translation meant to bridge two counter cultures served as a gatekeeper instead zooming in on certain themes while inadvertently overlooking or purposefully manipulating others with an outcome close to censorship The volume is divided into nine chapters Chapter 1 summarises the aims and scope of the volume Chapter 2 introduces comix as a subversive phenomenon Chapter 3 illustrates the theoretical and methodological framework of analysis based on semiotics and multimodality Chapter 4 presents the corpus of Italian translations which includes works translated between 1968 and 2022 by both mainstream and alternative publishers In Chapters 5 8 Italian translations of comix dealing with such controversial themes as sex drugs political struggle and religion are analysed with qualitative observations of several translations of the same comix provided to highlight changing times cultural frames ideologies editorial policies and target audiences Chapter 9 discusses the findings of these observations and maintains that as a recursive translation strategy seditious contents were mitigated trivialised or censored by adopting light hearted frames so that potentially problematic contents could be left out With its linguistic translational and intercultural analyses this volume will be useful for researchers of linguistics semiotics translation and comics studies

**Advanced Introduction to Youth Studies** Williamson, Howard, Côté, James E., 2022-10-07 The Advanced Introduction to Youth Studies analyses the historical development of the sociology of youth in the context of changing population demographics Howard Williamson and James C t explore competing paradigms underlying current understanding of youth with reference to key philosophical

theoretical and methodological debates Young people's transitions to adulthood and youth cultural behaviour are then explored The authors conclude with a consideration of youth policies and how in the future these may be better informed by sociological research

American Folk Music as Tactical Media Henry Adam Svec, 2025-10-01 American folk music has long presented a problematic conception of authenticity but the reality of the folk scene and its relationship to media is far more complicated This book draws on the fields of media archaeology performance studies and sound studies to explore the various modes of communication that can be uncovered from the long American folk revival From Alan Lomax's cybernetic visions to Bob Dylan's noisy writing machines this book retrieves a subterranean discourse on the concept of media that might help us to reimagine the potential of the networks in which we work play and sing

The Authenticity Hoax Andrew Potter, 2010-04-06 One of Canada's hippest smartest cultural critics takes on the West's defining value We live in a world increasingly dominated by the fake the prepackaged the artificial fast food scripted reality TV shows Facebook friends and fraudulent memoirs But people everywhere are demanding the exact opposite heralding authenticity as the cure for isolated individualism and shallow consumerism Restaurants promote the authenticity of their cuisine while condo developers promote authentic loft living and book reviewers regularly praise the authenticity of a new writer's voice International bestselling author Andrew Potter brilliantly unpacks our modern obsession with authenticity In this perceptive and thought provoking blend of pop culture history and philosophy he finds that far from serving as a refuge from modern living the search for authenticity often creates the very problems it's meant to solve

**A Handbook of Food Crime** Allison Gray, Ronald Hinch, 2019-10-09 Food today is over corporatized and under regulated It is involved in many immoral harmful and illegal practices along production distribution and consumption systems These problematic conditions have significant consequences on public health and well being nonhuman animals and the environment often simultaneously In this insightful book Gray and Hinch explore the phenomenon of food crime Through discussions of food safety food fraud food insecurity agricultural labour livestock welfare genetically modified foods food sustainability food waste food policy and food democracy they problematize current food systems and criticize their underlying ideologies Bringing together the best contemporary research in this area they argue for the importance of thinking criminologically about food and propose radical solutions to the realities of unjust food systems

**The Sociology of Boredom** Mariusz Finkielstein, 2025-03-07 A pioneering sociological exploration of boredom as a culturally and socially dependent emotion Does boredom have a history What can hunter gatherers teach us about boredom Is boredom experienced differently by those in different socio economic classes Is boredom a disease that is now globalized in a world of inequalities and marginalization Does boredom contribute to political movements wars terrorism or cultural revolutions What does boredom have to do with power How do high expectations contribute to being recurrently bored In *The Sociology of Boredom* Mariusz Finkielstein provides a new approach to conceptualizing interpreting and perceiving one of the most widespread yet neglected human emotions Investigating boredom at both the macro and micro sociological level Finkielstein develops an original relational expectational theory as he explores boredom through the lenses of different social structure theories interactionist theory historical sociology sociology of emotions essentialism and constructivism and social anthropology Eight in depth chapters examine the social production of boredom in modernity and late modernity addressing topics such as the boredom of marginalized groups the concepts of busy boredom and consumer boredom the characteristics and consequences of workplace boredom the notion of smart boredom in the information society and more Containing detailed analyses of the nature of boredom and its connections to various spheres of social life *The Sociology of Boredom* is essential reading for advanced undergraduates postgraduates university lecturers and academic researchers in sociology and similar disciplines particularly those involved in studies on emotions or boredom studies

**The ^AOxford Handbook of Consumption** Dr. Frederick F. Wherry, Dr. Ian Woodward, 2019-09-09 *The Oxford Handbook of Consumption* examines the most pressing questions addressed by consumption studies scholars today The volume counteracts the tendency towards disciplinary myopia as it engages scholars from around the world drawing on sociology anthropology psychology history and consumption studies The volume s thirty one chapters are organized around six themes facilitating

cross disciplinary exploration      **Travel and Drugs in Twentieth-Century Literature** Lindsey Michael Banco,2013-01-11 This book examines the connections between two disparate yet persistently bound thematics mobility and intoxication and explores their central yet frequently misunderstood role in constructing subjectivity following the 1960s Emerging from profound mid twentieth century changes in how drugs and travel were imagined the conceptual nexus discussed sheds new light on British and North American responses to sixties counterculture With readings of Aldous Huxley William Burroughs Alex Garland Hunter S Thompson and Robert Sedlack Banco traces twin arguments looking at the ways travel is imagined as a disciplinary force acting upon the creative destabilizing powers of psychedelic intoxication and exploring the ways drugs help construct travel spaces and practices as at times revolutionary and at other times neo colonial By following a sequence of shifting understandings of drug and travel orthodoxies this book traverses fraught and irresistibly linked terrains from the late 1950s up to a period marked by international postmodern tourism As such it helps illuminate a world where tourism is continually expanding yet constantly circumscribed and where illegal drugs are both increasingly unregulated in the global economy and perceived more and more as crucial agents in the construction of human subjectivity      *Museums without Borders* Robert R. Janes,2015-12-14 Drawing together nearly 40 years of experience *Museums without Borders* presents the key works of one of the most respected practitioners and scholars in the field Through these selected writings Robert R Janes demonstrates that museums have a broader role to play in society than is conventionally assumed He approaches the fundamental questions of why museums exist and what they mean in terms of identity community and the future of civil life This book consists of four Parts Indigenous Peoples Managing Change Social Responsibility and Activism and Ethics The Parts are ordered chronologically and each begins with an introduction and an overview of the ensuing articles which situates the papers in their historical and cultural contexts Using an interdisciplinary approach that combines anthropology ethnography museum studies and management theory Janes both questions and supports mainstream museum practice in a constructive and self reflective manner offering readers alternative viewpoints on important issues Considering concepts not generally recognized in museum practice such as the Roman leadership model of *primus inter pares* and the Buddhist concept of mindfulness Janes argues that the global museum community must examine how they can meet the needs of the planet and its inhabitants *Museums without Borders* charts the evolving role of the contemporary museum in the face of environmental societal and ethical challenges and explores issues that have and will continue to shape the museum sector for decades to come This book demonstrates that it is both reasonable and essential to expand the purpose of museums at this point in history not only because of their unique characteristics and value to society but also because of Janes respect and admiration for their rich legacy It is time that museums assist in the creation of a new caring and more conscious future for themselves and their communities This can only be done through authentic engagement with contemporary issues and aspirations      Citizen Youth J. Kennelly,2011-07-04 What are the ties that bind the good youth citizen and the youth activist

in the twenty first century Contemporary young people are encouraged through education and other cultural sites to save the world via community projects that resemble activism yet increasingly risk arrest for public acts of dissent Citizen Youth goes to the heart of these contradictions exploring the dilemmas and cultural dynamics of being young and politically engaged Through an ethnographic study of young people working on activist causes across the three largest urban centres in one of the wealthiest nations in the world Toronto Montreal and Vancouver Canada this book draws on Bourdieusian cultural sociology feminist theories of agency phenomenology and political theories of the state and neoliberalism to understand what it means to be a certain kind of youth citizen in the twenty first century Accessibly written yet theoretically engaged the book will be of interest to individuals both within academia and in the wider world of social movements and youth engagement

*Religion, Modernity, Globalisation* François Gauthier, 2019-09-30 This book argues that the last four decades have seen profound and important changes in the nature and social location of religion and that those changes are best understood when cast against the associated rise of consumerism and neoliberalism These transformations are often misunderstood and underestimated namely because the study of religion remains dependent on the secularisation paradigm which can no longer provide a sufficiently fruitful framework for analysis The book challenges diagnoses of transience and fragmentation by proposing an alternative narrative and set of concepts for understanding the global religious landscape The present situation is framed as the result of a shift from a National Statist to a Global Market regime of religion Adopting a holistic perspective that breaks with the current specialisation tendencies it charts the emergence of the State and the Market as institutions and ideas related to social order as well as their changing rapports from classical modernity to today Breaking with a tradition of Western centeredness the book offers probing enquiries into Indonesia and a synthesis of global and Western trends This long awaited book offers a bold new vision for the social scientific study of religion and will be of great interest to all scholars of the Sociology and Anthropology of religion as well as Religious Studies in general The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
