Rebel Senator Strom Thurmond Of South Carolina:

Rebel Senator: Strom Thurmond of South Carolina Alberta Morel Lachicotte,1966 **Rebel Senator: Strom Thurmond of South Carolina** Alberta Morel Lachicotte,1966 **Strom Thurmond's America** Joseph Crespino,2012-09-04

An engaging authoritative portrait of the former South Carolina governor and senator and analysis of his political career Library Journal This is a thoroughly terrific and important work for it makes clear the continuing impact of Thurmond s legacy on our politics today Doris Kearns Goodwin Pulitzer Prize winner and author of Team of Rivals Joseph Crespino s Strom Thurmond s America is not only an engrossing portrait of a controversial politician who time and time again found himself at the center of momentous political events Thurmond comes off as the Forrest Gump of conservative politics in the words of The New Yorker It is also an insightful account from an expert on postwar American politics about the origins and nature of modern conservatism Though Thurmond is best remembered for his twenty four hour filibuster in opposition to the Civil Rights Act of 1957 Crespino reveals that years before Barry Goldwater and Ronald Reagan he was forging alliances with the Christian Right and taking up the causes of states rights big business and military spending Crespino argues that Thurmond was in fact both a segregationist and a Sunbelt conservative and a pioneer of today s Republican Party As Robert Dallek puts it this book is essential reading for anyone interested in post 1945 American politics An impressive biography Crespino s portrait reveals a flawed egotistical unapologetic headstrong man whose views helped give birth to the contemporary Right and whose legacy continues to influence the GOP Publishers Weekly starred review Insightful masterfully ties together complex historical strands Crespino doesn t make Thurmond likable but that s not his goal His is loftier and more difficult to get beneath the surface of an influential politician in order to shed light on our times Pittsburgh Post Gazette *South Carolina at the Brink* Philip G. Grose,2020-06-02 As the governor of South Carolina during the height of the civil rights movement Robert E McNair faced the task of leading the state through the dismantling of its pervasive Jim Crow culture Despite the obstacles McNair was able to navigate a moderate course away from a past dominated by an old guard oligarchy toward a more pragmatic inclusive and prosperous era South Carolina at the Brink is the first biography of this remarkable statesman as well as a history of the tumultuous times in which he governed In telling McNair s story Philip G Grose recounts historic moments of epic turbulence chronicles the development of the man himself and maps the course of action that defined his leadership A native of Berkeley County s Hell Hole Swamp McNair was a decorated naval commander in the Philippines during World War II and then a small town attorney a state legislator and lieutenant governor before serving in the state s highest office from 1965 to 1971 Each role taught him the value of tolerance and perseverance and informed the choices he made at the helm of state government McNair s administration will be remembered for its management of episodes of violence and conflict that marked the onset of desegregation and of protest against the war in Vietnam the tragic shootings in Orangeburg in February 1968 the 113 day strike at the Medical College in Charleston in

1969 violence at high schools in Columbia and Lamar in 1970 and antiwar protests on the University of South Carolina campus in 1970 These events remain the most vivid memories of the period but McNair's lasting legacy is his remarkable ability to affect peaceful solutions and ultimately compliance with federal court rulings Grose contends that it was McNair's decisive actions and reactions to crises that steered South Carolina clear of much of the ongoing strife of neighboring states during this period and allowed the governor to achieve much improvement to the condition of the state's education system and economy Grose's narrative draws from an extensive oral history project on the McNair administration conducted by the University of South Carolina and the South Carolina Department of Archives and History as well as recent interviews with key participants

The South Carolina Encyclopedia Guide to the Governors of South Carolina Walter Edgar, 2012-11-02 The South Carolina Encyclopedia Guide to the Governors of South Carolina documents the lives and careers of the 111 white men and one Indian American woman who have held the Palmetto State's highest office from 1669 to the present This digital South Carolina edition expands the listings from the print encyclopedia to include entries on appointed as well as elected governors and to update the biographies of more recent holders of the office From the first proprietary governor William Sayle to current governor Nikki Haley South Carolina's chief executives have wielded the authority to define the preservation and progress of the state through its complex and storied past with each leaving his or her mark on the dynamic legacy of the governor's office

Palmetto Profiles W. Eric Emerson, 2013-09-30 *Palmetto Profiles* documents the lives and accomplishments of the inductees of the South Carolina Hall of Fame during its first forty years As Governor John C West predicted in his dedication speech the Hall of Fame has indeed become a vital and integral part of the history and culture of South Carolina Nearly ninety citizens have been inducted since Apollo 16 astronaut Colonel Charles Duke Jr became the first honoree in 1973 Each year one contemporary and one deceased individual is recognized by the hall for outstanding contributions to South Carolina's heritage and progress To date inductees have included political leaders and reformers artists writers scientists soldiers clergy educators athletes and others U S president Andrew Jackson authors Elizabeth Coker and Pat Conroy jazz legend Dizzy Gillespie artists Jasper Johns and Elizabeth O Neil Verner Catawba King Hagler Generals Francis Marion and Thomas Sumter civil rights leaders Mary McLeod Bethune and Reverend Benjamin E Mays U S senators J Strom Thurmond and Fritz Hollings and Nobel Prize winning physicist Charles H Townes are just some of the representative South Carolinians memorialized in the Hall of Fame for their lasting legacies in the Palmetto State and beyond Published on the fortieth anniversary of the opening of the South Carolina Hall of Fame and drawn from biographical entries in *The South Carolina Encyclopedia* this guidebook presents concise profiles of the inductees from 1973 to 2013 *Palmetto Profiles* like the Hall of Fame itself serves as a tangible link to South Carolina's rich and complex past to the benefit of residents visitors and students alike The volume also includes illustrations of all inductees and a foreword by Walter Edgar a 2008 Hall of Fame inductee author of *South Carolina A History* and editor of *The South Carolina Encyclopedia*

The

Dixiecrat Revolt and the End of the Solid South, 1932-1968 Kari Frederickson, 2003-01-14 In 1948 a group of conservative white southerners formed the States Rights Democratic Party soon nicknamed the Dixiecrats and chose Strom Thurmond as their presidential candidate Thrown on the defensive by federal civil rights initiatives and unprecedented grassroots political activity by African Americans the Dixiecrats aimed to reclaim conservatives former preeminent position within the national Democratic Party and upset President Harry Truman's bid for reelection The Dixiecrats lost the battle in 1948 but as Kari Frederickson reveals the political repercussions of their revolt were significant Frederickson situates the Dixiecrat movement within the tumultuous social and economic milieu of the 1930s and 1940s South tracing the struggles between conservative and liberal Democrats over the future direction of the region Enriching her sweeping political narrative with detailed coverage of local activity in Alabama Louisiana Mississippi and South Carolina the flashpoints of the Dixiecrat campaign she shows that even without upsetting Truman in 1948 the Dixiecrats forever altered politics in the South By severing the traditional southern allegiance to the national Democratic Party in presidential elections the Dixiecrats helped forge the way for the rise of the Republican Party in the region

The Senate, 1789-1989: Historical statistics, 1789-1992 Robert C. Byrd, 1988

The Life and Death of the Solid South Dewey W. Grantham, 2021-10-21 Southern style politics was one of those peculiar institutions that differentiated the South from other American regions This system long referred to as the Solid South embodied a distinctive regional culture and was perpetuated through an undemocratic distribution of power and a structure based on disfranchisement malapportioned legislatures and one party politics It was the mechanism that determined who would govern in the states and localities and in national politics it was the means through which the South's politicians defended their region's special interests and political autonomy The history of this remarkable institution can be traced in the gradual rise long persistence and ultimate decline of the Democratic Party dominance in the land below the Potomac and the Ohio This is the story that Dewey W Grantham tells in his fresh and authoritative account of the South's modern political experience The distillation of many years of research and reflection is both a synthesis of the extensive literature on politics in the recent South and a challenging reinterpretation of the region's political history

The Senate, 1789-1989 Robert C. Byrd, 1988

The Spirit of an Activist Sadye L. M. Logan, 2014-04-24 A diverse collection of essays about a civil rights leader who played a major role in the desegregation of South Carolina The Spirit of an Activist chronicles the life and distinguished career of Isaiah DeQuincey Newman 1911-1985 a Protestant pastor civil rights leader and South Carolina statesman Known as a tenacious advocate for racial equality Newman was also renowned for his diplomatic skills when working with opponents and his advocacy of nonviolent protest over confrontation His leadership and dedication to peaceful change played an important role in the dismantling of segregation in South Carolina The thirteen narratives in this volume by such diverse contributors as Richard W Riley William Saunders Esther Nell Witherspoon and Donald L Fowler attest to Newman's impact on South Carolina Editor Sadye L M Logan orchestrates these contributor's

essays into an informative moving and sometimes passionate collage of Newman's challenges triumphs and small and significant everyday acts of courage Through this collection Logan takes the reader on an extraordinary journey from Newman's childhood in Darlington County South Carolina to his death at the age of seventy four Along that journey Newman led the state's African Americans to join the Democratic Party and was a delegate to several Democratic Presidential Conventions In 1983 he became the first African American South Carolinian elected to the State Senate in nearly a century The Spirit of an Activist is essentially biographical but it uses a diverse chorus of voices to capture Newman's rich and varied contributions in transforming South Carolina's rigid and unjust social systems His quiet dignity and appeals to reason won him the confidence and ultimately the support of key white political and economic leaders In effect Newman served both as chief strategist for the protest movement and as chief negotiator at the conference table becoming the unofficial liaison between South Carolina's African American citizens and the state's white power structure In the years that followed formal desegregation Newman remained active in politics and became a trusted confidant of state leaders many of whom are featured in this volume The Spirit of an Activist includes a foreword by attorney and civil rights activist Vernon E Jordan Jr and a prologue by South Carolina congressman James E Clyburn both personal friends of Newman who worked with him during the civil rights struggle Contributors Gloria Blackwell Rackley Tanya S Brice Millicent E Brown Wallace Brown Sr James E Clyburn G Robert Cook Carrie Crawford Washington Donald L Fowler Karen Ross Grant Vernon E Jordan Jr Sadye L M Logan Robert E McNair Josephine A McRant Jerome Noble Matthew J Perry Jr Harrison Reardon Richard W Riley Wim Roefs Alex Sanders William Bill Saunders Hiram Spain Jr James S Thomas Isaac Ike W Williams Esther Nell Knuckles Glymph Witherspoon

Two Parties--or More? John F Bibby, 2019-05-20 Students of American government are faced with an enduring dilemma Why two parties Why has this system remained largely intact while around the world democracies support multiparty systems Should our two party system continue as we enter the new millennium This newly revised and updated edition of Two Parties Or More answers these questions by *South Carolina* Walter B. Edgar, 1998 This is a chronicle of South Carolina describing in human terms 475 years of recorded history in the Palmetto State Recounting the period from the first Spanish exploration to the end of the Civil War the author charts South Carolina's rising national and international importance

Truman's Triumphs Andrew E. Busch, 2012-10-23 The Chicago Tribune headline DEWEY DEFEATS TRUMAN remains infamously wrong about the outcome of the 1948 presidential election But as Andrew Busch reveals there is much more to this story than the well worn image of a victorious and beaming President Harry Truman parading the newspaper's erroneously headlined front page for all to see Primarily a contest between Truman and challenger Thomas Dewey the 1948 presidential race offered something for everyone including two third party candidates Strom Thurmond and Henry Wallace triumphant grit tragic hubris dangerous naivet accidents of fate accusations of betrayal foreign crises the birth of Israel in the Middle East a dramatic special session of Congress internecine battles among unions and liberals spies

extremists galore including Ku Klux Klansmen and Communists the first televised convention wayward polls and of course a final result that surprised many Amid a small library of books on the topic Busch's stands out by offering the best scholarly study available and the most readable His fresh account goes beyond previous work by examining more closely the nomination season key congressional elections and the state of public opinion He also digs into splits in both parties the Democrats seeing Southern segregationists and the far left run their own candidates and the Republicans facing a division between philosophical wings representing the 80th Congress and the presidential ticket and tells why the Republican schism proved more damaging He concludes that the election was especially significant as an affirmation of the New Deal of anti Communist containment and of gradual progress in civil rights all of which established the political baseline for postwar America Even readers knowledgeable about Truman's 1948 victory will discover new findings in this fresh and revealing account of that dramatic race Truman's Triumphs recalls a contest with more twists and turns and a different outcome than most contemporaries anticipated and makes engaging reading for scholar and history buff alike

South Carolina in the Modern Age Walter B. Edgar, 2012-06-05 Originally published in 1992 South Carolina in the Modern Age was the first history of contemporary South Carolina to appear in more than a quarter century and helped establish the reputation of the Palmetto State's premier historian Walter Edgar who had not yet begun the two landmark volumes South Carolina A History and The South Carolina Encyclopedia that also bear his name Available once again this illustrated volume chronicles transformational events in South Carolina as the state emerged from the devastation that followed the Civil War and progressed through the challenges of the twentieth century After the Civil War South Carolina virtually disappeared from the national consciousness and became a historical backwater But as the nation began to look to the twentieth century South Carolina stirred once again It took a world war the U S Supreme Court and strong willed leadership to place South Carolina once more within the American mainstream Edgar has divided this text into four essays each covering a quarter century of South Carolina history Each essay has a particular focus South Carolina's hectic political scene 1891-1916 a period of economic stagnation during which the myths of the state's glorious past were honed and polished 1916-41 the impetus that World War II gave to

economic development 1941 66 and social changes wrought by urbanization industrial development and desegregation 1966 91 South Carolina in the Modern Age also includes a chronology of state history and a list of suggested readings More than seventy illustrations many previously unpublished add a visual dimension to the story Postwar America Harvard Sitkoff,2000-02-03 The half century since the end of World War II has been crucial in defining America s image of itself and role in the world A thorough survey of an era dominated by the cold war on the international front and conflicting social forces at home this authoritative reference volume details every aspect of a turbulent age It features Brief biographical vignettes of notable political and civil leaders from Eleanor Roosevelt to Newt Gingrich Insightful portraits of prominent cultural icons from Allen Ginsburg and Elvis to Billy Graham and Jackie Robinson Informative analyses of major political events from the Yalta Conference and the Cuban Missile Crisis to Watergate Brief histories of pivotal armed conflicts from the Korean War and the invasion of Lebanon to the Persian Gulf War Articles on social and cultural milestones from Woodstock to suburban migration to the World Wide Web Summaries of such crucial documents as the Civil Rights Act the Voting Rights Act and the Equal Rights Amendment Descriptions of groundbreaking legal cases such as Roe v Wade Miranda v Arizona and Brown v Board of Education of Topeka Kansas Profiles of major civil rights movements such as black nationalism and feminism Explanations of political and social concepts such as affirmative action consumer culture and McCarthyism Authoritative accounts of momentous episodes spurred by social protest such as the Montgomery bus boycott and the Kent State University shootings Further reading lists and cross references following each entry A detailed chronology The issues that united and divided Americans during the second half of the century the civil rights movement the Vietnam war the cold war are discussed in lively objective articles which breathe life into the events and people that have shaped our nation More than 200 illustrations including photographs posters and ephemera such as political campaign buttons make Postwar America A Student Companion an excellent introductory resource for students and all readers interested in modern history Oxford s Student Companions to American History are state of the art references for school and home specifically designed and written for ages 12 and up Each book is a concise but comprehensive A to Z guide to a major historical period or theme in U S history with articles on key issues and prominent individuals The authors distinguished scholars well known in their areas of expertise ensure that the entries are accurate up to date and accessible Special features include an introductory section on how to use the book further reading lists cross references chronology and full index

Toward the Meeting of the Waters Winfred B. Moore, Jr.,Orville Vernon Burton,2022-03-23 2009 Choice Outstanding Academic Title A provocative look into civil rights progress in the Palmetto State from activists statesmen and historians Toward the Meeting of the Waters represents a watershed moment in civil rights history bringing together voices of leading historians alongside recollections from central participants to provide the first comprehensive history of the civil rights movement as experienced by black and white South Carolinians Edited by Winfred B Moore Jr and Orville Vernon Burton this

work originated with a highly publicized landmark conference on civil rights held at the Citadel in Charleston. The volume opens with an assessment of the transition of South Carolina leaders from defiance to moderate enforcement of federally mandated integration and includes commentary by former governor and U S senator Ernest F Hollings and former governor John C West. Subsequent chapters recall defining moments of white on black violence and aggression to set the context for understanding the efforts of reformers such as Levi G Byrd and Septima Poinsette Clark and for interpreting key episodes of white resistance. Emerging from these essays is arresting evidence that although South Carolina did not experience as much violence as many other southern states, the civil rights movement here was more fiercely embattled than previously acknowledged. The section of retrospectives serves as an oral history of the era as it was experienced by a mixture of locally and nationally recognized participants including historians such as John Hope Franklin and Tony Badger as well as civil rights activists Joseph A De Laine Jr, Beatrice Brown, Rivers Charles McDew, Constance Curry, Matthew J Perry Jr, Harvey B Gantt and Cleveland Sellers Jr. The volume concludes with essays by historians Gavin Wright, Dan Carter and Charles Joyner who bring this story to the present day and examine the legacy of the civil rights movement in South Carolina from a modern perspective. *Toward the Meeting of the Waters* also includes thirty seven photographs from the period, most of them by Cecil Williams and many published here for the first time.

Right here, we have countless books **Rebel Senator Strom Thurmond Of South Carolina** and collections to check out. We additionally present variant types and furthermore type of the books to browse. The up to standard book, fiction, history, novel, scientific research, as competently as various new sorts of books are readily handy here.
