mission statement in prophet Jeremiah's vocation narrative Jer 1 10 the book examines YHWH's events of deconstruction and reconstruction in Israel of the Old Testament Through the analysis of the six verbs namely pluck up pull down demolish destroy build and plant the book gives a different dimension to the common impression that Jeremiah is a prophet of woes and laments thereby limiting his prophecies to only oracles of destruction hence total annihilation Rather it investigates Jeremiah s prophecies as flying with two wings oracles of judgement and oracles of salvation In other words the oracles are not only against the nations but also for the nations With the exile of the Israelites and their restoration to the land in view according to the book of Jeremiah YHWH continues His creative and restorative acts and depicts the divine full involvement and control of Israel's history In like manner the book portrays the abiding divine presence in the history of humankind in general Therefore Israel is only used to form a bridge of YHWH s concern for the nations hence the entire humanity As YHWH sets the history of Israel in motion so He performs for the rest of humanity The goal of which has always been for the good and salvation of humankind of which the culmination is in the person and advent of Jesus Christ Israel .1920 Prophecies and Divine Justice Elianna Montgomery, 2025-06-26 Delve into the celestial realm with Prophecies and Divine Justice The Angels and the End of Days a groundbreaking exploration of biblical prophecy through the eyes of angelic witnesses This compelling work brings to life 15 prophetic visions each revealed by an angelic narrator offering readers a divine perspective on God's ultimate plan for the world Each chapter pairs a significant biblical prophecy with its modern day fulfillment narrated by an angel chosen to reveal the hidden truths of the divine plan From the rebirth of Israel to the rise of global authoritarianism from the explosion of knowledge to the final judgment this book illuminates the connections between ancient prophecies and the unfolding events of today Key Features Include Biblical Prophecy Deep insights into prophecies from Ezekiel Revelation Daniel and more Angel Perspectives Each chapter is told from the unique viewpoint of an angel offering divine reflections on justice mercy and human responsibility Modern Parallels Clear connections between the ancient prophecies and today s global and spiritual realities Climactic Revelations Powerful scenes that highlight the significance of prophecy in both the past and the present Theological Reflections Each chapter calls readers to reflect on the nature of justice and the moral choices we face in our own lives The journey begins with Gabriel opening the scroll of prophecy unveiling the divine narrative for the future of mankind From Michael s battle in heaven to Uriel's examination of the knowledge explosion each angelic guide helps us understand the prophecies that shape our world The epilogue synthesizes the themes of divine justice mercy and human accountability urging readers to remain vigilant and faithful as we approach the culmination of God's redemptive plan Prophecies and Divine Justice is a must read for anyone seeking deeper understanding of biblical prophecy spiritual truth and the ethical imperatives of living in the last days With celestial insight and timely reflections this book offers a unique perspective on the end of days and the divine justice that will ultimately set all things right The Gospel of John and the Future of Israel Christopher M. Israel's Messiah in the Bible and the Dead Sea Scrolls Richard S. Hess, M. Daniel Carroll R., 2011-05-26 This volume is exemplary of evangelical scholarship at its best The theme is pertinent indeed basic to all expressions of Christianity and the contributors engage their subject with the passionate inquiry and critical acumen it deserves The essays are comprehensive in scope but unpredictable in conclusion displaying a diversity of perspective united only by common allegiance to the advancement of biblical understanding Anyone interested in biblical prophecy or a historical understanding of Jesus will find here a useful survey of the relevant materials and some surprising new insights Mark Allan Powell Trinity Lutheran Seminary Israel s Messiah is a very timely helpful work on one of the more important topics for our day In fairly short compass it manages to cover nearly everything the student will want to know about the development of the messianic idea in Judaism and the early church It is a must reading Grant R Osborne Trinity Evangelical Divinity School There has been a notion circulating in certain circles of New Testament scholarship that the concept of a messiah was of little significance in early Judaism This volume helps dispel that notion and in the process gives us some keen insight into how the messianic material in the New Testament fits into the larger matrix of Old Testament and early Jewish messianic thought Highly recommended Ben Witherington III Asbury Theological Seminary The complexities of biblical scholarship are all too often hidden from most students of the Bible This collection of essays however opens up contemporary issues concerning the concept of the messiah

The main authors and respondents offer helpful and insightful presentations on the messiahship of Jesus Christ The format of essays and responses enriches the volume by permitting the reader to weigh differing viewpoints on the vitally important topic Here we have constructive critical evangelical scholarship of the highest quality T D Alexander Union Theological College Belfast Ireland Richard S Hess Ph D Hebrew Union College and M Daniel Carroll R Ph D University of Sheffield are professors of Old Testament at Denver Seminary Covenant: G-D's plan for Israel in the last days Baruch Battelstein, 2005 Lo I will send you Elijah the prophet before the coming of the great and awesome day of the Lord that he may turn the heart of the fathers back through the children and the heart of the children back through their fathers Malachi 3 23 24 Are you ready for the great and awesome Day of the Lord Do you know and recognize with understanding how the horrendous events that will take place shortly on this earth are going to impact your life and those around you Perhaps you are one watching from afar thinking it will not come near me No one will be able to escape Are you ready Like a tsunami racing across the ocean events are taking place today that in our minds only a few short years ago we could not in fact would not even dare conceive yet they have come to pass Events and changes that are happening seemingly in the blink of an eye This book has been written with a pen of a ready writer The author has brought forth in clarity God's plan for the spiritual and physical redemption of His people His land and Jerusalem His plan as revealed in the Tanach Bible is unfolding right before our very eyes The time is very near when the God of Israel will bring His people into the bond of the covenant a new covenant into which the whole house of Israel will enter and they will be His people and He will be their God However there will be much tribulation during this time known as the Day of the Lord not only for the Jewish people themselves but also for all nations and peoples of the world The Salvation of the Remnant in Isaiah 11 Gerald Emem Umoren, 2007-10 As a response to this situation this dissertation which scored a summa grade on presentation to the Biblical section of the Faculty of Theology of the Pontifical University of St Thomas Rome is basically an exegetico theological inquiry into the meaning and possible implication of Is 11 11 12 which proposes the salvation of the remnant Catholics, Jews, and the State of Israel Anthony J.
