

A dramatic landscape featuring a river flowing through a deep, narrow canyon. The river is dark and reflects the surrounding cliffs. The canyon walls are steep and covered in dense, dark green vegetation. In the background, more mountains are visible under a heavy, overcast sky with grey clouds. The overall mood is somber and majestic.

God recalled my heart, but
I had already used it.

Recalled By God:

Sparks of Divine Glory: A Practical Study of the Attributes of God C. Matthew McMahon, 2022-03-16 Is there a good reason to study the doctrine of God Knowing God or not knowing God has eternal consequences to it The Savior came to explain the Father John 1 18 and he said that eternal life is knowing God and knowing Jesus Christ whom God sent John 17 3 Such a knowledge must include something more than a mere knowledge of facts It must show a relationship of those facts one to another and how they relate as a whole to the life of the believer Such a study must show what the spiritual benefits are to the redeemed which then turns to the spiritual experience they have as they grow in Christ This volume deals with the application of the knowledge of God and how the doctrine of God should be a practical every day consideration in the life of the redeemed believer McMahon covers all the revealed Biblical attributes and perfections of God which also include some not generally considered He covers that God is incomprehensible Trinitarian glorious a pure spirit self sufficient simple unified impassible immutable infinite omnipresent eternal invisible omniscient all wise light truth free holy good faithful love gracious merciful longsuffering sovereign omnipotent righteous just wrathful jealous and eminently beautiful He ends with a concluding chapter on how the Christian should always be rejoicing in God s majesty *Introduction to Christian Worship Third Edition* James F. White, 2010-09-01 *Introduction to Christian Worship Third Edition* traces the development of the major forms of Christian worship and includes discussion of the newest service books of the principal churches of North America and the British Isles This staple of liturgical history is used widely in Protestant seminaries and is read by clergy and laity alike as an accurate informative and accessible introduction to all aspects of Christian worship This revision keeps pace with the latest scholarship and includes more maps tables woodcuts and photographs [Understanding Spiritual Gifts](#) Mary Lou Redding, 2017-04-15 *Understanding Spiritual Gifts Leader s Guide* is also available This 6 week experiential study 7 weeks including the introductory session helps individuals and small groups explore spiritual gifts using selected passages from the Bible *Still Letting My People Go* Jack R. Davidson, 2018-07-11 Eli Washington Caruthers s unpublished manuscript *American Slavery and the Immediate Duty of Southern Slaveholders* is the arresting and authentic alternative to the nineteenth century hermeneutics that supported slavery On the basis of Exodus 10 3 Let my people go that they may serve me Caruthers argued that God was acting in history against all slavery Unlike arguments guided largely by the New Testament Caruthers believed that the Exodus text was a privileged passage to which all thinking on slavery must conform As the most extensive development of the Exodus text within the field of antislavery literature Caruthers s manuscript is an invaluable primary source It is especially relevant to historians current appraisal of the biblical sanction for slavery in nineteenth century America because it does not correspond to characterizations of antislavery literature as biblically weak To the contrary an analysis of Caruthers s manuscript reveals a thoroughly reasoned biblical argument unlike any other produced during the nineteenth century against the hermeneutics supporting slavery **The New Heaven and New Earth**

Raymond R. Hausoul, 2020-04-09 There is a growing focus on the Christian confession of God's completed kingdom, the new heaven and the new earth. This theme has time and again seduced people into elaborate fantasies that stimulated the senses. How can we talk about it meaningfully? Raymond R. Hausoul relates systematic theology to biblical theology by comparing three theologians: the Catholic theologian Karl Rahner, the Protestant Jürgen Moltmann, and the Reformed Gregory Beale. This leads to reflections on differences between matter, space, and time of the new heaven and new earth and those of our present reality. The hope for renewal and resurrection is thus linked to the prophecies of the new Jerusalem, the tree of life, and the resurrection body.

God Is Calling You Rev. Naresh K. Malhotra, 2021-01-19 God has a unique calling for every individual that fits His special plan and purpose for your life. This calling is the way you are to live on the earth and encompasses all your being and doing. Essentially, calling refers to belonging to Christ and participating in His redemptive work in the world in the special way He has called you. The two books in this series will help you to discern your calling from God and then pursue that calling with passion and obedience, relying on the Lord Jesus Christ to fulfill the calling by doing His work in you and through you. In the process, you will experience miracles from God, all to the glory of the Lord Jesus Christ. You will benefit by getting to know God in a personal way, deepening your daily walk with Him, and fulfilling your calling. By discerning, responding, and fulfilling your calling, you will experience the abundant life God intends you to have. John 10:10. In his books, Dr. Naresh Malhotra thoroughly explains the various callings of God with great insight from the Scriptures. Whether you are trying to discern and respond to the calling of God on your life, I encourage you to read both books, starting with *God is Calling You: Discerning the Calling of God* and following it up with his second book, *God is Calling You: Responding to the Calling of God*. Dr. Charles Stanley, Senior Pastor, First Baptist Church Atlanta, Founder and President of In Touch Ministries. These powerful and compelling volumes will not only inspire and challenge you to greater Christian living but could very well bring spiritual renewal and revival to the Christian Church.

Dr. J. Gerald Harris, Pastor and retired editor of *The Christian Index*.

The Promises of God Kevin P. Conway, 2014-10-29 This study is the first to investigate why Paul makes exclusive use of *epangelia* for the divine pledge when referring to the Abrahamic covenant, a usage of the term never found in the OT. LXX. After examining Jewish writings and Greek literature of the classical and Hellenistic periods, this study demonstrates that Paul is rather unique in his exclusive use of the *epangelia* word group for the divine pledge and for using the term predominantly in reference to the Abrahamic promises. This exclusive usage is further deemed unexpected in that the *horkos* and *omnymi* lexemes are by far the terms most commonly associated with God's promises to Abraham in the OT literature with which Paul was most familiar. The study then moves to explain why Paul has chosen this path of discontinuity, where it is argued that Paul's exclusive choice of *epangelia* for the divine promise is driven by its conceptual and linguistic correspondence with the *euangelion*, one of the terms Paul adopted from the early church that forms the core of his ministry. This conceptual word study of the divine promise will benefit Pauline scholars interested in Paul's use of the OT.
