Marshland Otohiko Kaga,2024-07-09 Otohiko Kaga's *Marshland* is an epic novel on a Tolstoyan scale running from the pre World War II period to the turbulence of 1960s Japan At forty nine Atsuo Yukimori is a humble auto mechanic living an almost penitentially quiet life in Tokyo where his coworkers know something of his military record but nothing of his postwar criminal past Out of curiosity he accompanies his nephew to a demonstration at a nearby university and is gradually drawn into a friendship then a romance with Wakaka Ik hata the brilliant but mentally unstable daughter of a university professor As some of the student radical groups turn to violence and terrorism Atsuo and Wakaka find themselves framed for the lethal bombing of a Tokyo train During their long imprisonment the novel becomes a Kafkaesque procedural revealing the corrupt intricacies of the police and judicial system of Japan At the end of their hard pilgrimage to exoneration Atsuo and Wakaka are finally able to return to his original hometown Nemuro on the eastern most peninsula of Hokkaido island Here is the marshland of the title a remote and virtually unspoiled region of Japan where Kaga sets a large number of extraordinarily beautiful pastoral scenes *Marshland* is a revelation of modern Japanese history and culture a major novel from the hand of a master well known in his own country but virtually unheard of so far in the United States and Anglophone world in general

to unfold Monsoon is the sweeping epic that continues the saga begun in Wilbur Smith's bestselling *Birds of Prey* Once a voracious adventurer it has been many years since Hal Courtney has dared the high seas Now he must return with three of his sons Tom Dorian and Guy to protect the East India Trading Company from looting pirates in exchange for half of the fortune he recovers It will be a death or glory mission in the name of the crown But Hal must also think about the fates of his sons Like their father before them Tom Dorian and Guy are drawn inexorably to Africa When fate decrees that they must all leave England forever they set sail for the dark unexplored continent seduced by the allure and mystery of this new magnificent but savage land All will have a crucial part to play in shaping the Courtneys' destiny as the family vies for a prize beyond any of their dreams In a story of anger and passion peace and war Wilbur Smith evinces himself at the height of his storytelling powers Set at the dawn of eighteenth century England with the Courtneys riding wind-tossed seas toward Arabia and Africa Monsoon is an exhilarating adventure pitting brother against brother man against sea and good against evil
