Rifts Roleplaying Game:

Rifts Role-Playing Game Kevin Siembieda, 2005 Rifts Game Master Guide Kevin Siembieda, 2006 *Rifts RPG Hardcover* Kevin Siembieda, 1995-08 **The Fantasy Role-Playing Game** Daniel Mackay, 2017-08-11 Many of today's hottest selling games both non electronic and electronic focus on such elements as shooting up as many bad guys as one can Duke Nuk'em beating the toughest level Mortal Kombat collecting all the cards Pokemon and scoring the most points Tetris Fantasy role playing games Dungeons instead they interact with each other and with the fantasy setting The game is played orally with no game board and although the referee usually has a storyline planned for a game much of the action is impromptu Performance is a major part of role playing and role playing games as a performing art is the subject of this book which attempts to introduce an appreciation for the performance aesthetics of such games The author provides the framework for a critical model useful in understanding the art especially in terms of aesthetics of role playing games The book also serves as a contribution to the beginnings of a body of criticism theory and aesthetics analysis of a mostly unrecognized and newly developing art form There are four parts the cultural structure the extent to which the game relates to outside cultural elements the formal structure or the rules of the game the social structure which encompasses the degree and quality of social interaction among players and the aesthetic structure concerned with the emergence of role playing as an art form **Rifts Book of Magic** Kevin Siembieda, 2006-04-01 *Rifts Chaos Earth* Kevin Siembieda, 2006-04 HWM, 2004-06 Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in depth reviews **Games' Most Wanted** Ben H. Rome, 2013 Ever thought about capturing a queen amassing real estate gold or striking down a zombie or two For centuries games have stimulated the imagination They have divided and they have united They have driven our competitive spirit and indulged our fancy Live an entire lifetime in a few rolls of the dice Push a few buttons and sustain perfect health Essentially games have and will continue to provide people worldwide a break from the everyday grind With more than forty chapters Games Most Wanted whisks readers away into the fantasyland of games Learn more about board games that have Rifts Adventure Guide Kevin Siembieda, 2006-04 **Dangerous Games** Joseph P. Laycock, 2015-02-12 The 1980s saw the peak of a moral panic over fantasy role playing games such as Dungeons and Dragons A coalition of moral entrepreneurs that included representatives from the Christian Right the field of psychology and law enforcement claimed that these games were not only psychologically dangerous but an occult religion masquerading as a game Dangerous Games explores both the history and the sociological significance of this panic Fantasy role playing games do share several functions in common with religion However religion as a socially constructed world of shared meaning can also be compared to a fantasy role playing game In fact the claims of the moral entrepreneurs in which they presented themselves as heroes battling a dark conspiracy often resembled the very games of imagination they condemned as evil By attacking the imagination they preserved the taken for granted status of their own socially constructed reality Interpreted in

this way the panic over fantasy role playing games yields new insights about how humans play and together construct and maintain meaningful worlds Laycock's clear and accessible writing ensures that *Dangerous Games* will be required reading for those with an interest in religion popular culture and social behavior both in the classroom and beyond [Playing with Power](#) Michelle Nephew, 2003-05-01 This study examines roleplaying games RPGs as both a literary and cultural phenomenon in which the text's producers take the role of an authorial multiplicity ABSTRACT Authorship has undergone drastic revision in the twentieth century A fundamental transformation in literature wherein the author has become a multiplicity of voices is evinced by the development of roleplaying games as both literary and cultural texts The literary roots of roleplaying games are self evident as they draw on writers such as H P Lovecraft and J R R Tolkien However a consequence of the development of the roleplaying game has been a subsequent departure from these authorial beginnings roleplaying games have irrevocably transformed the role of the writers who inspired them altering the authorial position to become a border blurring multiplicity Not only do roleplaying game designers reinterpret literary texts as literary games often borrowing rules material from other designers in the process in modifying the function of the author from a single creative entity to an empowered storytelling among groups roleplaying games further complicate previous distinctions between author and audience Players create a fictional world as a group endeavor authoring a complex structure of fantasy that addresses Freudian concepts of dreams and wish fulfillment In this way roleplaying becomes a locus for issues of identity including questions of performance spectatorship and gender construction And by allowing play in regard to identity roleplaying games are able to transgressively navigate expressions of difference encouraging players to subtly work against the traditional split between spectacle and narrative The thriving fan subculture surrounding roleplaying only emphasizes the transgressiveness of the hobby this is a social formation that aggressively utilizes new technology such as the internet through which fans are able to explore culturally subversive methods of authoring in the face of hostility from the surrounding cultural environment They too are active producers and manipulators of meanings rather than passively accepting dominant ideology By fusing the broader perspectives of literary and cultural criticism with personal experiences this study examines the development of roleplaying games from the fiction of individual writers to the interactive roleplaying based on them wherein fiction writers the hobby's creators designers editors publishers fans players and the cultural environment are all invested with the creative power to contribute meaningfully to the narrative **The Games Machines ,**

The Routledge Handbook of Role-Playing Game Studies José P. Zagal, Sebastian Deterding, 2024-06-27 This Handbook provides a comprehensive guide to the latest research on role playing games RPGs across disciplines cultures and media in one single accessible volume Collaboratively authored by more than 40 key scholars it traces the history of RPGs from wargaming precursors to tabletop RPGs like *Dungeons Dragons* to the rise of live action role play and contemporary computer RPG and massively multiplayer online RPG franchises like *Baldur's Gate* *Genshin Impact* and *World of Warcraft*
