Shadowrun Denver 1 Catalyst,2014-10-22 The Sixth World is many things including a stunning series of case studies on the mechanisms of hate There are some true experts out there people who know that just walking up to someone or something you don t like and throwing a solid punch is satisfying but nowhere near as satisfying as causing destruction that runs deep and lasts forever The Aurora Warrens of Denver hold a dark secret as some people trusted to help its residents are instead giving full rein to their darkest impulses Shadowrunners typically are not heroes riding in to save the day but in this case the work they re being offered gives them a chance to dig into these secrets perhaps fix some of them and maybe even bring a few people to justice however they happen to define justice With dark secrets double crosses and plenty of nuyen flying around Serrated Edge gives players plenty of chaos to keep up with while launching them into a series of adventures that will shake up the city of spies and maybe bring about a better future Or curse it to worse Serrated Edge is an adventure for use with Shadowrun Fifth Edition

re also not going to just send in the police because that's not how things are done instead they will launch schemes of their own with the opportunity to create chaos that makes the previous sildness seem like a sunny day in the Rockies Fals Flag is the second in the series of Denver Adventures for Shadowrun Fifth Edition Whether played alone or as part of a larger campaign with the first adventure it will test players resources creativity and skill while moving them toward the dramatic plot developments ahead *Shadowrun Core Rulebook* Catalyst Game Labs,2013-09-25 Created by Jordan Weisman et al Colophon *Shadowrun Companion* FASA Corporation,1996-09 A rulebook expansion for the Shadowrun game system
