Alice Borchardt,2002-03-05 The Silver Wolf Alice Borchardt s acclaimed novel of a shapeshifter s struggle to survive as woman and wolf amid the Dark Ages announced the arrival of a ferociously gifted writer Now with her masterful weaving of adventure history and magic Borchardt delves deeper into the shape shifter legend and brings an earlier more savage time brilliantly to life The fearsome legions of Julius Caesar have crushed resistance to Roman rule The power of the druids is broken the shattered tribes retreating to the dubious safety of the high mountains or fleeing north into lands as inhospitable as those left behind Watching all the while through yellow eyes afire with curiosity and intelligence is Maeniel a gray wolf who is also a man This is not the Maeniel of The Silver Wolf Not the mature shapeshifter secure in his dual nature whose hard won wisdom is the equal of his preternatural strength and passion That Maeniel will not exist for another eight hundred years Now he is a stranger to his human half his reason chained to instinct Yet as the ancient civilization of the Gallic tribes is systematically destroyed around him a new Maeniel is about to be born from the ruins It begins with a woman She is Imona young proud beautiful The sight of her fills Maeniel with unfamiliar feelings and desires triggering his transformation from wolf to man In her arms he learns for the first time what it means to love It is a knowledge that will change him forever For when Imona vanishes following a Roman massacre Maeniel begins to learn a very different lesson Following Imona s trail as wolf and man Maeniel is himself pursued by a warrior woman sworn to kill him She is Dryas a queen without a kingdom But the two adversaries will prove to have much in common And the hunt upon which they embark will lead them farther than they can imagine to the gates of Rome itself To the gates of their very souls With Night of the Wolf Alice Borchardt has given us another triumph of soaring imagination and adventure By turns lyrical sensuous and violent hers is a vision of the past that will stir both heart and mind Her writing will possess you like a fever and haunt you like a voluptuous dream
