## **Right To Know:**

*Right-to-know After September 11th* United States. Congress. House. Committee on Transportation and Infrastructure. Subcommittee on Water Resources and Environment,2001      **Lowrys' Handbook of Right-to-Know and Emergency Planning**, Sara George G. Lowry,1988-10-01 The only comprehensive volume of its kind Lowrys Handbook is the TOTAL reference guide for everyone who deals with any aspect of Right To Know requirements a self contained guide to coping with Right To Know laws that relate to hazardous materials as they affect worker safety and community emergency planning The federal statutes and regulations on the subject are explained and interpreted and their relations to other laws are described Included are descriptions of both administrative and civil remedies that might be taken when there are alleged violations as well as the statutorily permitted penalties Problems benefits and consequences are covered Extensive practical guidance is given for dealing with the many features of the laws including a valuable comprehensive discussion of the many material hazards both physical and health hazards with examples This discussion also includes guidance regarding avoidance of and protection from the hazards      **Your Right to Know God** Emmanuel W. Ettah,2014-12-04 This book underscores the natural right of all humans to know God Today we are told that God is irrelevant to our livelihood and we do not need God for anything This deception emanates from our lack of understanding of and about God In this book you will find insight into Who God really is How and why it is your right to know God The benefits of knowing God for the individual nation and the Christian How Science tells us more about God How you can know God on a personal level and the stages of knowing God How you can discover yourself in God and the blessed privileges we all have in Christ Jesus And many more Usually our understanding of God is too human and we end up misunderstanding Him and subsequently missing out on knowing Him This book is here to help you understand and know the true God who made you      **The Right to Know** Lani Watson,2021-05-26 We speak of the right to know with relative ease You have the right to know the results of a medical test or to be informed about the collection and use of personal data But what exactly is the right to know and who should we trust to safeguard it This book provides the first comprehensive examination of the right to know and other epistemic rights rights to goods such as information knowledge and truth These rights play a prominent role in our information centric society and yet they often go unnoticed disregarded and unprotected As such those who control what we know or think we know exert an influence on our lives that is often as dangerous as it is imperceptible Beginning with a rigorous but accessible philosophical account of epistemic rights Lani Watson examines the harms caused by epistemic rights violations drawing on case studies across medical political and legal contexts She investigates who has the right to what information who is responsible for the quality and circulation of information and what epistemic duties we have towards each other This book is essential reading for philosophers legal theorists and anyone concerned with the protection and promotion of information knowledge and truth

Expansion of the Right to Know Program United States. Congress. Senate. Committee on Environment and Public Works.

Subcommittee on Superfund, Ocean, and Water Protection,1992      Superfund, Right-to-know and Hazardous Wastesite Cleanup United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Commerce, Transportation, and Tourism,1986      *The Right to Know and the Right Not to Know* Ruth Chadwick,Mairi Levitt,Darren Shickle,2014-09-04 This book re examines privacy in a world where genome sequencing is cheap databases can be large and access rights are hidden      **The Right to Know the Truth in Transitional Justice Processes** Natasha Stamenkovikj,2021-11-29 Dr Natasha Stamenkovikj offers a comparative analysis of the scope and application of the right to the truth as a fundamental right in public international law and as a concept in European policies for promoting peace and transitional justice The book provides a systematized assessment of the conceptualisation of the right to the truth in the enlargement policy of the Council of Europe as applied towards the former Yugoslav societies By assessing the coherence of the Council s standardization on the right to the truth Dr Stamenkovikj addresses the legitimacy of the Council as an exporter of values and creator of norms      *A Citizen's Right To Know* Susan G. Hadden,2021-10-28 In 1986 after the disastrous accident at the Union Carbide plant in Bhopal Congress passed the Emergency Planning and Community Right To Know Act Under this act many business facilities became subject to new reporting requirements with respect to the presence of hazardous substances Hadden an associate professor at the Lyndon B Johnson School of Public Affairs conducted surveys relating to this act      **The Rise of the Right to Know** Michael Schudson,2015-09-14 Modern transparency dates to the 1950s 1960s and 1970s well before the Internet Michael Schudson shows how the right to know has defined a new era for democracy less focus on parties and elections more pluralism and more players year round monitoring of government and a blurring line between politics and society public and private      *Oversight of the Emergency Planning and Community Right to Know Act of 1986* United States. Congress. Senate. Committee on Environment and Public Works. Subcommittee on Superfund and Environmental Oversight,1988      Community Right-to-know Legislation and Its Regulatory and Paperwork Impact on Small Business United States. Congress. Senate. Committee on Small Business,1985      *H.R. 2976, the "Patient Right to Know Act of 1996"* United States. Congress. House. Committee on Ways and Means. Subcommittee on Health,1998      *Hearings on H.R. 3580, the Worker Right to Know Act* United States. Congress. House. Committee on Economic and Educational Opportunities. Subcommittee on Employer-Employee Relations,1996      **The Right to Know** Sandra Coliver,1995 This book documents the massive deprivation of human rights resulting from governmental censorship manipulation and control of reproductive health and sexuality information The introductory chapter applies a human rights perspective to reproductive health to show that women must have full and impartial information to be able to choose services which further their goals rather than governmental policies Examples of different types of state manipulation are provided and demographic biomedical and reproductive health paradigms of contraceptive delivery programs are described Chapter 2 identifies the binding obligations imposed on governments by the international principle that women have a right to

appropriate reproductive health information The third chapter provides a global overview of such topics as health expenditures fertility rates infertility literacy and education infant and child mortality maternal mortality child spacing contraceptive usage unmet need abortion HIV AIDS and sexually transmitted diseases STDs Chapters 4 13 present country reports for Algeria Brazil Chile Ireland Kenya Malawi Pakistan the Philippines Poland and the US The country reports reveal the overwhelming need of women to have access to this information and the innumerable ways in which governments control such access The country reports also describe factors such as religion culture tradition state of development and influence of foreign donors which have an impact on access to information Each country report ends with specific recommendations and the concluding chapter defines seven obligations of national governments imposed by the right to information contained in international law and contains recommendations of ways nongovernmental organizations can use these obligations to lobby governments for improvements

*My Rights, and My Right to Know* , *Community Right-to-know* ,1982 You Know I'm Right Michelle Caruso-Cabrera,2010-10-05 Straight talking CNBC reporter Michelle Caruso Cabrera demands a modern solution to our nation s social and economic woes a return to our political roots fiscal conservatism limited government and personal accountability Hypocrites and radicals on both sides of the political spectrum have left fiscally conservative socially liberal Americans like CNBC s Michelle Caruso Cabrera people without a party If you tell your neighbors you re a card carrying Republican they ll assume you re opposed to abortion hostile to gay marriage and don t care about the environment or the poor Democrats are portrayed as union loving tree hugging activists more concerned with making government big rather than effective The reality is that both parties have been hijacked by the wrong issues and have abandoned the loyal Americans who believe that government should stay out of our private lives and out of our pocketbooks Both parties are to blame for the exorbitant spending and excessive social interference over the last ten years that have left our country in a financial disaster The core principles of Reaganomics rejuvenated an unstable economy and the Clinton era policy successes took power away from the federal government and put money in our pockets We must return to the fundamentals of American politics small not big government Less spending not more The first step is to more narrowly define the parties platforms away from needlessly divisive social issues and refocus the political discussion on that really matters economic policies that create jobs In the smart tell it like it is style that has made her popular with Democrats and Republicans like Caruso Cabrera outlines forward thinking free market solutions for health care education and immigration These ideas will stop our growing deficit boost our competitive capital and strengthen our dollar because an economy that is flexible and free of government interference can grow faster and get the country out of its current malaise It s not too late to fix our nation restore our credibility and rebuild our political system with the tenets on which it was founded fiscal conservatism and social liberty Our future is counting on it
