Right Worthy Grand Mission Maggie Lena Walker And The Quest For Black Economic Empowerment:

A Right Worthy Grand Mission Gertrude Woodruff Marlowe, 2003 A thoroughly documented study of pioneering African American insurance magnate banking executive and civic icon Maggie Walker whose tumultuous life and times were filled with multiple layers of intrigue

The Business Strategy of Booker T. Washington Michael B. Boston, 2010-08-29 Michael Boston offers a radical departure from other interpretations of Booker T Washington by focusing on the latter's business ideas and practices More specifically Boston examines Washington as an entrepreneur spelling out his business philosophy at great length and discussing the influence it had on black America He analyzes the national and regional economies in which Washington worked and focuses on his advocacy of black business development as the key to economic uplift for African Americans The result is a revisionist book that responds to the skewed literature on Washington even as it offers a new framework for understanding him Based upon a deep reading of the Tuskegee archives it acknowledges Washington not only as a champion of black business development but one who conceived and implemented successful strategies to promote it as well The Business Strategy of Booker T Washington makes abundantly clear that Washington was not an accommodationist it will be required reading for any future discussion of this titan of history

Maggie L. Walker Candice F. Ransom, 2008-09-01 Retells the life and career of Maggie L Walker who founded the St Luke Penny Savings Bank the first bank established specifically for African Americans

Race and Masculinity in Southern Memory Matthew Mace Barbee, 2013-12-05 In Race and Masculinity in Southern Memory Matthew Mace Barbee explores the long history of Richmond Virginia's iconic Monument Avenue As a network of important memorials to Confederate leaders located in the former capitol of the Confederacy Monument Avenue has long been central to the formation of public memory in Virginia and the U S South It has also been a site of multiple controversies over what who and how Richmond's past should be commemorated This book traces the evolution of Monument Avenue by analyzing public discussions of its memorials and their meaning It pays close attention to the origins of Monument Avenue and the first statues erected there including memorials to Robert E Lee and Jefferson Davis Barbee provides a detailed and focused analysis of the evolution of Monument Avenue and public memory in Richmond from 1948 to 1996 through the Civil Rights Movement and the Civil War Centennial and up to the memorial to Arthur Ashe erected in 1996 An African American native of Richmond Ashe was an international tennis champion and advocate for human rights The story of how a monument to him ended up in a space previously reserved for statues of Confederate leaders helps us understand the ways Richmond has grappled with its past especially the histories of slavery Jim Crow and Civil Rights

Southern Black Women and Their Struggle for Freedom during the Civil War and Reconstruction Karen Cook Bell, 2023-12-21 This rich and innovative collection explores the ways in which Black women from diverse regions of the American South employed various forms of resistance and survival strategies to navigate one of the most tumultuous periods in American history the Civil War and Reconstruction era The essays included shed new

light on individual narratives and case studies of women in war and freedom revealing that Black women recognized they had to make their own freedom and illustrating how that influenced their postwar political social and economic lives Black women and children are examined as self liberators as contributors to the family economy during the war and as widows who relied on kinship and community solidarity Expanding and deepening our understanding of the various ways Black women seized wartime opportunities and made powerful claims on citizenship this volume highlights the complexity of their wartime and post war experiences and provides important insight into the contested spaces they occupied Richmond's First African Baptist Church Dr. Kimberly A. Matthews, Rodney Waller, Dr. Raymond Pierre Hylton, 2023-01-30 First African Baptist Church has served the Richmond community since 1780 proving to be a pillar of strength for African Americans in the former Confederate capital The First African Baptist Church congregation endured slavery the tumultuous years of the Civil War Reconstruction and repression from the white supremacist regime that dominated Virginia politics and persevered as a vibrant force through civil rights struggle and the daunting challenges of the COVID 19 pandemic and the Black Lives Matter movement Such notables as Lott Carey L Douglas Wilder Maggie Lena Walker Bill Bojangles Robinson Mary Lumpkin and Henry Box Brown were church members **Educational Reconstruction** Hilary N. Green, 2016-04-01 Tracing the first two decades of state funded African American schools Educational Reconstruction addresses the ways in which black Richmonders black Mobilians and their white allies created developed and sustained a system of African American schools following the Civil War Hilary Green proposes a new chronology in understanding postwar African American education examining how urban African Americans demanded quality public schools from their new city and state partners Revealing the significant gains made after the departure of the Freedmen s Bureau this study reevaluates African American higher education in terms of developing a cadre of public school educator activists and highlights the centrality of urban African American protest in shaping educational decisions and policies in their respective cities and states *Pathfinders* Tonya Bolden, 2017-01-03 Discover the lives of 16 extraordinary Black Americans in this engaging collection from Coretta Scott King Honor Award winner Tonya Bolden Untold numbers of Black men and women in America have achieved great things against the odds In this insightful book award winning author Tonya Bolden commemorates the lives of sixteen Black individuals who dared to dream take risks and chart courses to success They were Pathfinders In these pages you will meet Katherine Johnson a mathematician who was instrumental in putting U S astronauts on the moon Venture Smith an African man who was enslaved in America but later bought his own freedom Richard Potter a magician whose methods paved the way for entertainers like Harry Houdini Sissieretta Jones an opera singer who captivated audiences all over the world with her enchanting voice James Forten a powder boy then prisoner of war during the Revolution who grew up to be one of Philadelphia s leading abolitionists and wealthiest citizens James McCune Smith the first Black university trained physician in the United States Mary Bowser a spy during the Civil War Allen Allensworth town founder Clara Brown one of the first Black

A Right Worthy Grand Mission Gertrude Woodruff Marlowe, 2003 A thoroughly documented study of pioneering African American insurance magnate banking executive and civic icon Maggie Walker whose tumultuous life and times were filled with multiple layers of intrigue

Death and Rebirth in a Southern City Ryan K. Smith, 2020-11-17 This exploration of Richmond's burial landscape over the past 300 years reveals in illuminating detail how racism and the color line have consistently shaped death burial and remembrance in this storied Southern capital Richmond Virginia the former capital of the Confederacy holds one of the most dramatic landscapes of death in the nation Its burial grounds show the sweep of Southern history on an epic scale from the earliest English encounters with the Powhatan at the falls of the James River through slavery the Civil War and the long reckoning that followed And while the region's deathways and burial practices have developed in surprising directions over these centuries one element has remained stubbornly the same the color line But something different is happening now The latest phase of this history points to a quiet revolution taking place in Virginia and beyond Where white leaders long bolstered their heritage and authority with a disregard for the graves of the disenfranchised today activist groups have stepped forward to reorganize and reclaim the commemorative landscape for the remains of people of color and religious minorities In *Death and Rebirth in a Southern City* Ryan K Smith explores more than a dozen of Richmond's most historically and culturally significant cemeteries He traces the disparities between those grounds which have been well maintained preserving the legacies of privileged whites and those that have been worn away dug up and built over erasing the memories of African Americans and indigenous tribes Drawing on extensive oral histories and archival research Smith unearths the heritage of these marginalized communities and explains what the city must do to conserve these gravesites and bring racial equity to these arenas for public memory He also shows how the ongoing recovery efforts point to a redefinition of Confederate memory and the possibility of a rebirthed community in the symbolic center of the South The book encompasses among others St John's colonial churchyard African burial grounds in Shockoe Bottom and on Shockoe Hill Hebrew Cemetery Hollywood Cemetery with its 18 000 Confederate dead Richmond National Cemetery and Evergreen Cemetery home to tens

of thousands of black burials from the Jim Crow era Smith's rich analysis of the surviving grounds documents many of these sites for the first time and is enhanced by an accompanying website www.richmondcemeteries.org A brilliant example of public history *Death and Rebirth in a Southern City* reveals how cemeteries can frame changes in politics and society across time

The Color of Money Mehrsa Baradaran, 2017-09-14 In 1863 black communities owned less than 1 percent of total U.S. wealth Today that number has barely budged Mehrsa Baradaran pursues this wealth gap by focusing on black banks She challenges the myth that black banking is the solution to the racial wealth gap and argues that black communities can never accumulate wealth in a segregated economy

The Cambridge Guide to African American History Raymond Gavins, 2016-02-15 Intended for high school and college students teachers adult educational groups and general readers this book is of value to them primarily as a learning and reference tool It also provides a critical perspective on the actions and legacies of ordinary and elite blacks and their non black allies

Untold Glory Alan Govenar, 2008-12-10 *Untold Glory* offers a fresh perspective on one of the most fundamental elements of American history the conquest of new frontiers In twenty seven fascinating first person accounts African Americans from different eras backgrounds and occupations explore and reflect on the meaning of frontier both literally and metaphorically This collection chronicles the search for freedom and opportunity and the achievement of success in a wide variety of fields The contributors all pushed beyond self imposed or culturally enforced boundaries to pursue their dreams and ambitions They include Mark Dean an IBM vice president and member of the Inventors Hall of Fame who holds three of the original patents upon which the personal computer is based the civil rights attorney Oliver W Hill one of the architects of the *Brown v Board of Education* Supreme Court case the classical pianist and museum founder Josephine Love and L Douglas Wilder the grandson of slaves who became the first African American governor of Virginia Illustrated with black and white photographs and featuring an incisive introduction by Alan Govenar *Untold Glory* is both an important addition to the field of African American history and an engaging eye opening look at some of the nation's most daring innovative and influential pioneers

Banking on Freedom Shennette Garrett-Scott, 2019-05-07 Between 1888 and 1930 African Americans opened more than a hundred banks and thousands of other financial institutions In *Banking on Freedom* Shennette Garrett Scott explores this rich period of black financial innovation and its transformative impact on U.S. capitalism through the story of the St Luke Bank in Richmond Virginia the first and only bank run by black women *Banking on Freedom* offers an unparalleled account of how black women carved out economic social and political power in contexts shaped by sexism white supremacy and capitalist exploitation Garrett Scott chronicles both the bank's success and the challenges this success wrought including extralegal violence and aggressive oversight from state actors who saw black economic autonomy as a threat to both democratic capitalism and the social order The teller cage and boardroom became sites of activism and resistance as the leadership of president Maggie Lena Walker and other women board members kept the bank grounded in meeting the needs of working class black women The first book

to center black women's engagement with the elite sectors of banking finance and insurance Banking on Freedom reveals the ways gender race and class shaped the meanings of wealth and risk in U S capitalism and society **The Dream Is Lost** Julian Maxwell Hayter,2017-06-02 Once the capital of the Confederacy and the industrial hub of slave based tobacco production Richmond Virginia has been largely overlooked in the context of twentieth century urban and political history By the early 1960s the city served as an important center for integrated politics as African Americans fought for fair representation and mobilized voters in order to overcome discriminatory policies Richmond's African Americans struggled to serve their growing communities in the face of unyielding discrimination Yet due to their dedication to strengthening the Voting Rights Act of 1965 African American politicians held a city council majority by the late 1970s In The Dream Is Lost Julian Maxwell Hayter describes more than three decades of national and local racial politics in Richmond and illuminates the unintended consequences of civil rights legislation He uses the city's experience to explain the political abuses that often accompany American electoral reforms and explores the arc of mid twentieth century urban history In so doing Hayter not only reexamines the civil rights movement's origins but also seeks to explain the political economic and social implications of the freedom struggle following the major legislation of the 1960s Hayter concludes his study in the 1980s and follows black voter mobilization to its rational conclusion black empowerment and governance However he also outlines how Richmond's black majority council struggled to meet the challenges of economic forces beyond the realm of politics The Dream Is Lost vividly illustrates the limits of political power offering an important view of an underexplored aspect of the post civil rights era Justice for Ourselves John G. Deal,Marienne E. Julienne,Brent Tarter,2024-06-28 A new look at the Black Virginians who defined and realized their freedom after the collapse of slavery Verily the work does not end with the abolition of slavery wrote Frederick Douglass in 1862 but only begins The Emancipation Proclamation and the Thirteenth Amendment altered a legal status to make freedom a reality represented a different challenge altogether Justice for Ourselves tells the stories of remarkable Black men and women in post Civil War Virginia who persevered in the face of overwhelming barriers to seek their freedom and create a new world for themselves and future generations Drawing on the life stories of individuals from all regions of the state political leaders teachers ministers journalists and entrepreneurs Justice for Ourselves recounts their quests to attain full American citizenship and economic independence before the onset of Jim Crow repression Centering Black voices this book includes tales of opportunities seized and opportunities lost and will reshape the narrative of Black history and the history of Virginia in the second half of the nineteenth century
