Right Here, Right Now Christopher Carstens, 1987-01-12 *Right here, right now : spiritual exercises for busy Christians* Christopher ; Mahedy Carstens (William P.), 1985 **Right Here Right Now** Amy G. Oden, 2017-08-01 Christians have always practiced mindfulness Yet from the popular landscape of mindfulness movement you d never know that Where is the Christian voice in this fast growing movement Many Christians practice mindfulness outside of church and believe it does not belong to our faith tradition This book reveals the Christian roots of mindfulness and the actual practices that when reclaimed deepen the life of faith and the power of our mission of love in the world When we understand how radical it is to live in God s presence right here right now our lives are transformed toward mercy justice and abundant life Amy Oden shows how the practice of Christian mindfulness begins with the teachings of Jesus and continues throughout Christian history It also includes step by step instructions for the practice of Christian mindfulness today Pastors and leaders will find this book useful on the ground as they curate current culture and guide Christians in spiritual practices this is the best introduction to Christian mindfulness I have read Shaun Lambert Senior Minister of Stanmore Baptist Church United Kingdom Amy Oden knows the history of Christian spirituality as well as anyone and she helps us see what might seem surprising to many that mindfulness has deep roots in the Christian tradition The wisdom she shares in this clear winsome book has already deepened my own life of prayer I know this book will bear fruit in classrooms and congregations as readers heed its call to stop and pay prayerful attention to what God is doing right here right now L Roger Owens Associate Professor of Christian Spirituality and Ministry Pittsburgh Theological Seminary Pittsburgh PA Oden deftly lifts up a clear template for what lies at the core of all spiritual practice mindfulness a simple awareness within ordinary life of divine presence here and now Unlike many generic practices of mindfulness now popular in business education and the fitness industry Oden underscores that Christian mindfulness is not an end in itself but an awareness that turns us toward God Amy s words become a litany of invitation into the posture of open hearted presence to the Presence right here right now from the foreword Marjorie J Thompson author of *Soul Feast An Invitation to the Christian Spiritual Life* former Director of Pathways in Congregational Spirituality with Upper Room Ministries and an ordained minister in the Presbyterian church USA
