Right Wing Military Government:

Right-wing Military Government Robert Pinkney,1990 United States Army Military Government, South Korea Interim Government Activities United States. War Department, **Government and Politics - Volume I** Masashi Sekiguchi,2010-08-27 Government and Politics is the component of Encyclopedia of Social Sciences and Humanities in the global Encyclopedia of Life Support Systems EOLSS which is an integrated compendium of twenty one Encyclopedias The Theme on Government and Politics in the Encyclopedia of Social Sciences and Humanities deals with the discipline of general and introductory descriptions on a wide range of political phenomena in rather conventional ways It covers the following topics The first two topics Forms and Modes of Government and Structures of Government deal with institutional and structural aspects of political phenomena The third topic Political Aspects of Government is about dynamic political processes The fourth Ideas and Ideologies in Politics investigates political thoughts and ideologies in the modern world The fifth topic International Politics intend to give readers an international perspective since contexts and systems which have international or transnational characters are obviously important background against which a political aspect of building a sustainable society must be considered These two volumes are aimed at the following five major target audiences University and College students Educators Professional practitioners Research personnel and Policy analysts managers and decision makers and NGOs *World Terrorism: An Encyclopedia of Political Violence from Ancient Times to the Post-9/11 Era* James Ciment,2015-03-10 First Published in 2015 This collection holds three volumes Terrorism is a term that defies easy definition and its meaning has also changed over the course of history Because this encyclopedia aims at comprehensiveness across time geography and the conceptual landscape it applies the broadest definition of terrorism the use of violence or the threat of violence to effect political change through fear in which the victims of the violence The encyclopedia is divided into six parts In the Name of Democracy Thomas Carothers,2023-11-10 This is the first comprehensive even handed examination of U S policy in Latin America during the Reagan era Drawing on interviews with U S officials and his own perspective as a former State Department lawyer Thomas Carothers sheds new light on the much discussed U S involvements in Nicaragua El Salvador and Panama and turns up varied and often unexpected findings in less studied countries such as Bolivia Costa Rica Paraguay and Chile This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1991 **A Heritage of Hypocrisy** Holliston Perni,2005-10 In the dark says since the attack on the World Trade Center the question that many Americans have asked is Why Why do they hate us as they do Is it as our leaders would have us believe because they hate our freedom To understand what others find objectionable in us we must take a long and brutally honest view of how we act versus what we like to say about ourselves The facts as this

book demonstrates are incontrovertible Our history is an unbroken progression of atrocities betrayals of trust and abuses of the rule of law both to our global neighbors as well as our own citizens Since the arrival of the first settlers we have cheated and swindled committed the most sweeping genocide in history 100 000 000 members of the indigenous populations attacked civilian populations with nuclear weapons promoted conflicts at home and abroad supported brutal right wing regimes bullied those weaker than us and performed gruesome experiments on the most defenseless of our own citizens poor southern blacks retarded teens and pregnant women These sadly are the facts and are what others see when we say our proud slogans about peace and promoting democracy But who among us is actually responsible for this ignominious state of affairs As Perni argues all of these iniquities can be traced to three sources big business fundamentalist right wing Christians whom he characterizes as our own domestic Taliban and a corrupt government that serves the corporations while manipulating the easily swayed voters

Country Reports on Human Rights Practices ,1980 Heads of States and Governments Since 1945 Harris M. Lentz,2014-02-04 More than half the nations that exist today have gained their independence since 1945 During this period over 2 300 individuals have ruled the various nations of the world this encyclopedia offers insight into the history of individual nations through the lives of their leaders Outstanding Academic Book **The Political Economy of the Western Hemisphere** ,1981 **Understanding Terrorism , Democracies and Dictatorships in Latin America** Scott Mainwaring,Aníbal Pérez-Liñán,2014-01-31 This book presents a new theory for why political regimes emerge and why they subsequently survive or break down It then analyzes the emergence survival and fall of democracies and dictatorships in Latin America since 1900 Scott Mainwaring and An bal P rez Li n argue for a theoretical approach situated between long term structural and cultural explanations and short term explanations that look at the decisions of specific leaders They focus on the political preferences of powerful actors the degree to which they embrace democracy as an intrinsically desirable end and their policy radicalism to explain regime outcomes They also demonstrate that transnational forces and influences are crucial to understand regional waves of democratization Based on extensive research into the political histories of all twenty Latin American countries this book offers the first extended analysis of regime emergence survival and failure for all of Latin America over a long period of time *Understanding Terrorism* Gus Martin,2020-07-17 *Understanding Terrorism Challenges Perspectives and Issues* offers a comprehensive interdisciplinary exploration of domestic and international terrorism that helps students develop the knowledge and skills needed to critically assess the underlying causes of modern terrorist violence The Seventh Edition includes new or expanded discussions of critical topics in terrorism such as the evolution of right wing extremism in Western countries as well as analysis of recent events and updated terrorist tactics weapons and methods Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides

The Military's Impact on Democratic Development David

Kuehn,2019-10-23 Despite the decline in the number of military coups since the 1960s and 1970s Militaries continue to be crucial political actors in many world regions Their impact on the democratic development of nations however has been mixed On the one hand coups against democratically elected leaders in Mali 2012 Egypt 2013 and Thailand 2014 have spelled doom for these countries nascent democratic regimes and have ushered in new periods of military dominance in politics The cases of Portugal 1974 the Philippines 1986 and Tunisia 2011 on the other hand show that the military s decision not to defend authoritarian leaders against mass protests contributed crucially to the fall of dictatorships and facilitated transitions to democracy This volume addresses the military s ambivalent role as midwife or gravedigger of democracy and highlights the often multi layered and complex relationship between militaries political behaviour and democratization The chapters were originally published in a special issue of *Democratization* *American Foreign Relations* Walter L.

Hixson,2015-10-08 *American Foreign Relations A New Diplomatic History* is a compelling narrative history of American foreign policy from the early settlement of North America to the present In addition to economic and strategic motives Walter L Hixson integrates key cultural factors including race gender and religion into the story of American foreign policy He demonstrates how these factors played a vital role in shaping the actions of the United States in world affairs Beginning with the history of warfare and diplomacy between indigenous peoples and Europeans before the establishment of the United States this book shows the formative influence of settler colonialism on the country s later foreign policy and the growth of American empire Clearly written and comprehensive the book features Extensive illustrations with over 100 images and maps Primary documents in each chapter showcasing the perspectives of historical actors *Interpreting the Past* features that explore how historians understanding of events has changed over time Selected bibliographies of key resources for further research in each chapter In one concise volume *American Foreign Relations* covers the full sweep of American foreign policy from the colonial period to the present day It is an essential introduction for anyone seeking to understand the history of America s role in the world **Understanding Brazil for Foreigners** Alessandro Nicoli de Mattos, Facebook page <http://www.facebook.com/UBrazilF> Google page <http://plus.google.com/111085952888311459023> This book is aimed to provide

foreigners with a head start to understand Brazil and Brazilians It s not a behavioral book nor an encyclopedia entry that you would find in Wikipedia or an atlas section It s a compilation of the information that you would likely want to know if moving to Brazil making business or just before a tourism trip When foreigners think about Brazil usually what comes to mind is one or more of the following Rio de Janeiro Samba Carnival parades Christ the Redeemer beaches Bossa Nova and the Girl of Ipanema huge forests women in bikinis UFC fighters soccer players feijoada and Havaianas flip flops But Brazil is much more than these This book will help you get past those selling images and get to know a little bit more about the real country and its people both the bright and dark sides I m sure that you ll find discovering more about Brazil an interesting journey while I m sure someone will be amazed to find out that in Brazil people don t speak Spanish and the capital is not Buenos Aires This

text intends to be concise and short with the most important and interesting points at the same time trying to be lightly funny and entertaining but don't expect it to be hilarious Many Brazilians may learn a thing or two about their own country reading this book as well

Revolution In El Salvador Tommie Sue Montgomery, 2018-02-23 Since the first edition of this book appeared in 1982 El Salvador has experienced the most radical social change in its history Ten years of civil war in which a tenacious and creative revolutionary movement battled a larger better equipped US supported army to a standstill have ended with 20 months of negotiations and a peace accord that promises to change the course of Salvadorean society and politics This book traces the history of El Salvador focusing on the oligarchy and the armed forces that shaped the Salvadorean army and political system Concentrating on the period since 1960 the author sheds new light on the US role in the increasing militarization of the country and the origins of the oligarchy army rupture in 1979 Separate chapters deal with the Catholic church and the revolutionary organizations which challenged the status quo after 1968 In the new edition Dr Montgomery continues the story from 1982 to the present offering a detailed account of the evolution of the war She examines why Duarte's two inaugural promises peace and economic prosperity could not be fulfilled and analyzes the electoral victory of the oligarchy in 1989 The final chapters closely follow the peace negotiations ending with an assessment of the peace accords and evaluate the future prospects for El Salvador and for the 1994 elections

Congressional Record United States Congress, 1982 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

World Fishing Fleets, 1993

Globalizing Human Rights Charles Anthony Smith, 2016-04-08 This collection presents a comprehensive engagement of issues of human rights in an increasingly globalized world As the role of the rule of law has moved beyond the confines of the state and beyond the interactions of states how and when law protects human rights has become a central issue of concern These essays shed light on both the immediate and the long term future of a variety of issues located at the intersection of globalized law and the protection of the rights of individuals Here both top down mechanisms and bottom up mechanisms for the fulfilment of human rights are artfully explained This volume presents frontiers of research in human rights in both substance and approach using a variety of methodologies to engage issues ranging from national court compliance norm diffusion and the role of the judiciary in fulfilling human rights to human trafficking same sex marriage and judicial institution building through non governmental organizations This book was published as a special issue of the Journal of Human Rights

Brazil In The International System Wayne A. Selcher, 2019-03-13 In recent years Brazil has grown greatly in international status and all indications are that it will continue to do so The authors of this book evaluate Brazil from a Brazil in the world viewpoint placing the country in the current international system in relation to its capabilities
