Rimbaud Grandes Biographies:

Arthur Rimbaud Enid Starkie,1989 French XX Bibliography William J. Thompson,2006-09 Provides a listing available of books articles and book reviews concerned with French literature since 1885 This work is a reference source in the study of modern French literature and culture The bibliography is divided into three major divisions general studies author subjects arranged alphabetically and cinema Rimbaud Graham Robb,2001-12 Unknown beyond the avant garde at the time of his death Arthur Rimbaud 1854 1891 has been one of the most destructive and liberating influences on early 20th century culture This new work by the biographer of Balzac and Victor Hugo now brings the haunting and haunted poet New York Times Book Review vividly to life of illustrations THE QUIET LIFE: A collection of photos and drawings of Arthur RIMBAUD , Pierre Michon Patrick Crowley,2007 Pierre Michon is one of France s most significant contemporary writers Since the publication in 1984 of his first book Vies minuscules Michon s work has never ceased to evade generic classifications His work ingests books lives and thought and probes their complex interrelationship and those moments of convergence that transform an ordinary name into that of an Author or of an Artist The contents of Michon s work are well documented they are drawn from canonical novels chronicles archives and the biographies of artists lives and are worked into cross generic forms that revive names and make us rethink the uncertainty of literature Less has been written of his engagement with avant garde thought The legacy of French avant garde thinkers of the 1960s and 1970s in particular the work of Roland Barthes informs Michon s work Barthes s notions of the referent of intertextuality and of authorship for example are transposed reconfigured and sometimes contested within Michon s work In this way Barthes s name the afterlife of his thought remains encrypted within Michon s prose This book situates and reads Michon s texts through the complex inscription and transformation of names drawn from the Creuse literature art and avant garde thought And it is within this matrix that Michon puts in play his own name and its uncertain relation to literature **French VII Bibliography** ,1999

Rimbaud's Theatre of the Self James R. Lawler,1992 In a new interpretation of a poet who has swayed the course of modern poetry in France and elsewhere James Lawler focuses on what he demonstrates is the crux of Rimbaud s imagination the masks and adopted personas with which he regularly tested his identity and his art A drama emerges in Lawler s urbane and resourceful reading The thinking feeling acting Drunken Boat is an early theatrical projection of the poet s self the Inventor the Memorialist and the Ing nu assume distinct roles in his later verse It is however in Illuminations and Une Saison en enfer that Rimbaud enacts most powerfully his grandiose dreams Here the poet becomes Self Creator Self Critic Self Ironist he takes the parts of Floodmaker Oriental Storyteller Dreamer Lover and he recounts his descent into Hell in the guise of a Confessor In delineating and exploring the poet s theatre of the self Lawler shows us the tragic lucidity and the dramatic coherence of Rimbaud s work **Biographie et intimité des Lumières à nos jours** Daniel Madelénat,2008

La relation biographique Martine Boyer-Weinmann,2005 Normalienne agr g e de lettres classiques l auteure tudie la

pluralité des formes du récit biographique contemporain Elle en explore notamment les enjeux théoriques d'ontologiques et littéraires et mène la réflexion pistologique l'analyse de cas biographiques très différenciés Elle s'interroge également sur les frontières entre biographie vérictonnelle et fiction biographique *Biography and the Question of Literature in France* Ann Jefferson, 2007-01-04 Containing critical readings of some major French authors in the light of the evolving relations between biography and literature this book offers a history of French literature over a 300 year period and also a discussion of biography its forms history and functions Books for College Libraries: Language and literature, 1975 Bibliographie du dix-neuvième siècle Stéphanie Dord-Crouslé, Dominique Pety, Philippe Régnier, 2006 Sélection de 1 614 publications françaises et étrangères sur la littérature les arts les sciences et l'histoire du XIXe siècle en France et dans le monde d'un auteur individuel ou collectif Présentation en quatre grandes sections ditions de textes ouvrages non collectifs ouvrages collectifs revues Un triple index permet de croiser les recherches par nom et par thème **Rimbaud** Enid Starkie, 1982 **I Promise to Be Good** Arthur Rimbaud, 2004-11-09 One of the most written about literary figures in the past decade Arthur Rimbaud left few traces when he abandoned poetry at age twenty one and disappeared into the African desert Although the dozen biographies devoted to Rimbaud's life depend on one main source for information his own correspondence a complete edition of these remarkable letters has never been published in English Until now A moving document of decline Rimbaud's letters begin with the enthusiastic artistic pronouncements of a fifteen year old genius and end with the bitter what ifs of a man whose life has slipped disastrously away But whether soapboxing on the essence of art or struggling under the yoke of self imposed exile in the desert of his later years Rimbaud was incapable of writing an uninteresting sentence As translator and editor Wyatt Mason makes clear in his engaging Introduction the letters reveal a Rimbaud very different from our expectations Rimbaud presented by many biographers as a bohemian wild man is unveiled as diligent in his pursuit of his goals wildly soberly ambitious in poetry in everything I Promise to Be Good The Letters of Arthur Rimbaud is the second and final volume in Mason's authoritative presentation of Rimbaud's writings Called by Edward Hirsch the definitive translation for our time Mason's first volume Rimbaud Complete Modern Library 2002 brought Rimbaud's poetry and prose into vivid focus In I Promise to Be Good Mason adds the missing epistolary pieces to our picture of Rimbaud These letters he writes are proofs in all their variety of impudence and precocity of tenderness and rage for the existence of Arthur Rimbaud I Promise to Be Good allows English language readers to see with new eyes one of the most extraordinary poets in history

Rimbaud Complete Arthur Rimbaud, 2003-01-14 Enduring icon of creativity authenticity and rebellion and the subject of numerous new biographies Arthur Rimbaud is one of the most repeatedly scrutinized literary figures of the last half century Yet almost thirty years have elapsed without a major new translation of his writings Remedying this state of affairs is Rimbaud Complete the first and only truly complete edition of Rimbaud's work in English translated edited and introduced by Wyatt Mason Mason draws on a century of Rimbaud scholarship to choreograph a superbly clear eyed presentation of the

poet's works He arranges Rimbaud's writing chronologically based on the latest manuscript evidence so readers can experience the famously teenaged poet's rapid evolution from the lyricism of *Sensation* to the groundbreaking early modernism of *A Season in Hell* In fifty pages of previously untranslated material including award winning early verses all the fragmentary poems a fascinating early draft of *A Season in Hell* a school notebook and multiple manuscript versions of the important poem *O saisons châteaux* Rimbaud Complete displays facets of the poet unknown to American readers And in his Introduction Mason revisits the Rimbaud myth addresses the state of disarray in which the poet left his work and illuminates the intricacies of the translator's art Mason has harnessed the precision and power of the poet's rapidly changing voice from the delicate music of a poem such as *Crows* to the mature dissonance of the *Illuminations* Rimbaud Complete unveils this essential poet for a new generation of readers *Livres hebdo*, 2004 **Rimbaud** Enid Starkie, 1982 **Bibliographie de la littérature française (XVIe-XXe siècles)**, 2004 *Le parent insaisissable et l'urgence d'écrire* Martine F.

Delfos, 2021-11-29 Dans *Le parent insaisissable et l'urgence d'écrire* Martine Delfos étudie la relation entre la perte pré-maternelle d'un parent pendant la jeunesse descrivains français et leur écriture La perte pré-maternelle d'un parent au cours de l'enfance ou de l'adolescence peut mener la dépression tout comme elle peut faire naître un grand fanatisme Elle peut galement faire clore de grands talents littéraires Dans sa recherche descrivains français de 1550-1950 Martine Delfos découvre que les trois quarts de cescrivains ont subi la perte d'un père ou d'une mère pendant leur jeunesse Pour presque les deux tiers c'est une perte due la mort d'un ou même des deux parents La perte semble amener un grand fanatisme littéraire une urgence d'écrire Ce sujet n'a jamais étudié chez lescrivains ni chez lescrivains français ni non plus chez d'autrescrivains Etant donné l'ampleur des résultats Martine Delfos suppose avoir fait un phénomène universel C'est dire qu'on peut s'attendre un même résultat chez lescrivains néerlandais ou anglais par exemple Ce qui frappe c'est que cette perte survient souvent quand l'crivain a sept ans Cette donnée peut s'expliquer par le fait que le grand chagrin qui cherche s'exprimer coïncide avec le moment où l'enfant fait connaissance avec un nouveau moyen d'expression l'écriture Pour étudier les traces d'une perte pré-maternelle d'un parent dans l'œuvre d'uncrivain Martine Delfos a étudié l'œuvre de quatrecrivains Racine Voltaire Rimbaud et Zola Il s'avère qu'il existe en effet des traces de la perte dans le sens que la représentation du parent décédé est sous-développée dans l'écriture La perspective de la perte pré-maternelle crée en plus la possibilité de jeter une toute nouvelle lumière sur deux énigmes importantes de la littérature française c'est dire le silence soudain de Racine et de Rimbaud *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries, 1979
