Transforming Preschool Storytime Betsy Diamant-Cohen, Melanie A. Hetrick, 2013-06-18 According to recent research the best way to make new connections in a child's brain is by building on something already known. A child who loves a book will listen to it repeatedly maintaining interest. Using a selected book in a number of consecutive preschool storytimes but presenting it differently each time can help children learn new skill sets. This book presents a new approach to storytime one that employs repetition with variety to create an experience which helps children connect and engage with the story on a higher level. Diamant-Cohen recently awarded the 2013 ASCLA Leadership and Professional Achievement Award and Hetrick offers a year's worth of activities specifically designed to address multiple intelligences through a repetition-based process. Incorporating recent theories on developmental learning this book includes Scripts for 8 different books with enough activities to repeat each one for six weeks along with lists of optional alternative books. Planning aids such as outlines of storytime sessions, a fill-in-the-blanks planning sheet, questions for evaluation and tips for enhanced storytimes using props and crafts. Detailed but straightforward explanations of theory and research that will help readers communicate effectively with parents, caregivers and other stakeholders. From setup to execution here's everything you need to create and implement a successful elevated storytime.

The Prisoner of Gun Hill Paul Lederer, 2014-05-13 On the run from a posse a killer becomes a slave. When Luke Walsh hears Dee Dee Bright calling for help he breaks down her hotel room door. He finds the dance hall beauty half-naked underneath a brutish man and draws his gun without thinking. Suddenly a marshal is dead and Luke's life isn't worth dirt. He escapes into the desert but when his water runs dry and his horse drops dead he prepares for the end. He collapses only to wake in the back of a stranger's wagon. Taken captive by outlaws he soon wishes he had not survived. As a slave working in a gold mine Luke endures a new life of savage discipline in which the only law is death. The worst surprise comes when Dee Dee Bright arrives flanked by her outlaw lover. The woman who ruined his life is not through with him yet but Luke Walsh knows how to settle a score.

[Conversations with My Fathers](#) Isabel Burlouse, 2015-10-22 The two months before George's unexpected death served as a training ground for his salvation. George made comments almost foretelling his death, asked difficult questions about our heavenly Father's existence and claimed to have seen angels when close to death. These life events were undoubtedly orchestrated by our heavenly Father. George was not initiating dialogues with the Father and his loved ones feared he would depart earth without forming a personal relationship with Him. This is a real-life God-inspired story of how our heavenly Father uses faithful followers to disciple others. He uses love, hope and faith to inspire, awaken and adopt His distant, rebellious and orphaned children. Through heartfelt, detailed conversations with her earthly and heavenly fathers, Burlouse shares how He reveals His unfailing love for us. Although we have fathers on this earth He is the only perfect father. [Conversations with My Fathers](#) brings the hope of reconciliation and salvation to readers.

It will forever change the way you view relationships with loved ones who are distant and or do not have a relationship with the Father It will move you to look and think about your current relationships with your parents siblings friends and even strangers Conversation questions at the end of each chapter will inspire you to initiate and experience your own conversations with your amazing heavenly Father While we may not all have a good earthly father we all have a great heavenly Father Life is a journey of discovering our true Fathers heart so we can live in the freedom of being a beloved son or daughter This is a story of hope healing and reconciliation that will reveal the goodness of God in the midst of lifes pain Isabel has taken her next step to share her story and will inspire you to do the same John Stickl Lead Pastor Valley Creek Church Conversations With My Fathers is inspiring motivating and reassuring Reading this book reminds me not to take life and those I love for granted The beauty of the relationship between Isabel and her earthly and heavenly Father is breath taking This book will move readers to understand the absolute truth that our heavenly Father is the only perfect father This is a must read for all who yearn to understand the heavenly Fathers unfailing love for His children I will heartily share this tender book with anyone who desires a closer walk with their earthly father and or their heavenly Father Tyron Morgan HEALING Hearts Ministries **The Song Era** Frederic Woodman Root,1874 *The American Orator* John Coulter,1901
