**Chasing Giants** Zeb Hogan, Stefan Lovgren, 2023-04-25 Winner of the 2024 Los Angeles Book Festival Award in the Wild Card category On May 1 2005 a Thai fisherman caught a truly monstrous Mekong giant catfish At 646 pounds it captured the world's attention and with awe and wonder it was deemed the largest freshwater fish on record There was no denying its size but when biologist and research associate professor Hogan saw a photo of the fish he wondered if it really was the biggest in the world To his surprise no one had systematically sought to answer the question Which of the giant freshwater species really was the largest Seeking to answer that question has brought Hogan face to face with massive arapaima and piranha in the Amazon alligator gar in Texas pigeon eels catfish in France stingrays in Cambodia and the gnarled toothed sawfish in Australia Part of his scientific adventure has been captured on *Monster Fish* and Hogan now tells the full story of his 25 year quest to understand the mysteries of some of the oldest largest most bizarre creatures on Earth The fate of these giant fish motivates Hogan to understand the various species he studies The megafish's numbers are dwindling and the majority of them face extinction In this book he teams up with award winning journalist Stefan Lovgren to tell for the first time the remarkable and troubling story of the world's largest freshwater fish It is a story that stretches across the globe chronicling a race against the clock to find and protect these ancient leviathans before they disappear forever *Chasing Giants In Search of the World's Largest Freshwater Fish* combines science adventure and wonder to provide insights into the key role the massive fish of our lakes and rivers play in our past present and future

*Ripley's Believe it Or Not!* Geoff Tibballs, Jo Wiltshire, 2009 Take a look at the world's weirdest people places and creatures within the pages of this extraordinary new book Truly startling facts Totally bizarre images Utterly electrifying tales It is sensational

**The Giant's House** Elizabeth McCracken, 2013-02-13 McCracken mixes the proper amount of lunacy with exactly the right amount of sorrow The blend is reminiscent of such late 20th century treasures as *The Accidental Tourist* *The World According to Garp* or *A Confederacy of Dunces* *Denver Post* The year is 1950 and in a small town on Cape Cod twenty six year old librarian Peggy Cort feels like love and life have stood her up Until the day James Carlson Sweatt the over tall eleven year old boy who's the talk of the town walks into her library and changes her life forever Two misfits whose lonely paths cross at the circulation desk Peggy and James are odd candidates for friendship but nevertheless they soon find their lives entwined in ways that neither one could have predicted In *James* Peggy discovers the one person who's ever really understood her and as he grows six foot five at age twelve then seven feet then eight so does her heart and their most singular romance Praise for *The Giant's House* Remarkable McCracken has wit and subtlety to burn as well as an uncanny ability to tap into the sadness that runs through the center of her characters worlds This book is so lovely that when you're reading you'll want to sleep with it under your pillow *Salon* A true marvel thoroughly enjoyable from

its unlikely beginning to its bittersweet end McCracken knows all kinds of subtle enticing secrets of the heart and conveys them in silky transparent language San Francisco Chronicle Lovely a tribute to the quiet passion of people trapped in isolation Los Angeles Times Fascinating The reader finds herself entangled body and soul in this tender and endlessly strange novel which is in all senses a hymn to human growth gone haywire and to a love so big it can't hold its own magnificent limbs upright Elle Such is the incantatory power of McCracken's eccentric tale that by its close we are completely in the grip of its strangely conceived ardor McCracken is as original a writer as they come I fell in love Daphne Merkin The New Yorker

### **Ripleys Giant Of Believe It Or Not Introduction**

In today's digital age, the availability of Ripleys Giant Of Believe It Or Not books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ripleys Giant Of Believe It Or Not books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ripleys Giant Of Believe It Or Not books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ripleys Giant Of Believe It Or Not versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ripleys Giant Of Believe It Or Not books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ripleys Giant Of Believe It Or Not books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ripleys Giant Of Believe It Or Not books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free

access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ripleys Giant Of Believe It Or Not books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ripleys Giant Of Believe It Or Not books and manuals for download and embark on your journey of knowledge?
