Ripper Notes Murder By Numbers:

Ripper Notes Dan Norder, Wolf Vanderlinden, Jeffrey Bloomfield, 2004-04 *Ripper Notes Murder by Numbers* is a collection of essays about the famous unidentified serial killer Jack the Ripper and related topics Wolf Vanderlinden's questions the conventional wisdom about the time of death of Annie Chapman the second of Jack's generally accepted victims by a careful examination of the medical evidence and contradictions in witness testimony Amanda Howard compares serial killers like Andrei Chikatilo the BTK strangler Albert Fish and the Green River Killer to see what they might tell us about the Ripper case Also Jeffrey Bloomfield gives the details on two forgotten cases of prostitutes murdered in London a few years before the more famous 1888 killings Bernard Brown discusses the police officer who thought he almost caught the Whitechapel murderer Des McKenna asks whether witnesses confused two different women as being Mary Kelly generally considered the last Ripper victim and Robert J McLaughlin reports on a Punch Judy like theatre performance based upon the murders There are also several short pieces looking at the latest news in Ripperology the boom in books about the case and similar topics *Ripper Notes* is a nonfiction anthology series covering all aspects of the Jack the Ripper case **The Mammoth Book of Jack the Ripper** Maxim Jakubowski, 2008-04-24 Updated and expanded edition of the fullest ever collective investigation into Jack the Ripper and the Whitechapel Murders This volume collects not just all the key factual evidence but also 20 different arguments as to the identity of Jack the Ripper such as that advanced by Patricia Cornwell Contributions are from the world's leading Ripperologists including William Beadle Melvyn Fairclough Martin Fido Shirley Harrison James Tully and Colin Wilson The identity of Jack the Ripper has plagued professional historians criminologists writers and amateur enthusiasts The many suspects include Montague John Druitt Walter Sickert Aaron Kosminski Michael Ostrog William Henry Bury Dr Tumblety and James Maybrick The only certainty is that Ripperologists have not found an individual on whom they can all agree The essays are supported by a detailed chronology extensive bibliography and filmography **Murder by Numbers** James Moore, 2018-01-31 What is the connection between the number 13 and Jack the Ripper Why was the number 18 crucial in catching Acid Bath murderer John George Haigh And what is so puzzling about the number 340 in the chilling case of the Zodiac killer The answers to all these questions and many more are revealed in a unique number crunching history of the ultimate crime James Moore's *Murder by Numbers* tells the story of murder through the centuries in an entirely new way through the key digits involved Each entry starts with a number and leads into a different aspect of murder be it a fascinating angle to a case or revealing insights into murder methods punishments and of course the chilling figures behind the most notorious killers from our past From the grizzly death toll of the world's worst serial killer to your own odds of being murdered this guide will appeal to the connoisseur of true crime and the casual reader alike **Ripper Notes** Wolf Vanderlinden, John Hacker, 2004-06-15 *Ripper Notes America Looks at Jack the Ripper* is a collection of essays about the notorious Whitechapel serial killer and related topics It leads off with a newly discovered and never before republished 1892

interview with Assistant Commissioner Robert Anderson of Scotland Yard Anderson was a very important figure in the investigations and made statements later in life that the killer had been identified and put into an asylum This article is accompanied by a short analysis showing why that is unlikely Wolf Vanderlinden then gives an in depth look at the suspects in the 1891 death of prostitute Carrie Brown in New York City a case long connected by many to the earlier string of Ripper killings in the East End of London This is followed by coverage of the 2004 U S Ripper Conference including essays by John Hacker Jack the Ripper and Technology Ripperology in the Twenty First Century and Stan Russo The Strange Case of Dr Hewitt which questions why some suspects are treated more seriously than they probably should be adapted from their presentations there A number of shorter pieces by various authors follows Ripper Notes is a nonfiction anthology series covering all aspects of the Jack the Ripper murder case *The Conan Doyle Notes: The Secret of Jack The Ripper* Diane Gilbert Madsen,2019-06-07 The Conan Doyle Notes The Secret of Jack the Ripper uncovers clues as to why the dog did not bark in the night Sherlock Holmes concluded that it was because the intruder was known to the dog Madsen s new mystery questions whether the identity of one of the greatest criminals of all time Jack the Ripper was deduced by Conan Doyle Conan Doyle was already famous with his popular Sherlock Holmes stories when Jack the Ripper struck London in October 1888 So why was Conan Doyle silent about this case This thrilling adventure may well hold the key **The Case of the Murderous Dr. Cream** Dean Jobb,2021-07-13 A true crime page turner about a Victorian doctor a serial killer ahead of his time using poison for an international murder spree that kept ahead of the burgeoning field of forensics A tour de force of storytelling Louise Penny 1 New York Times bestselling author of the Chief Inspector Gamache series Winner of the 2022 CrimeCon True Crime Book of the Year Award Longlisted for the American Library Association s Andrew Carnegie Medal for Excellence Don t miss Dean Jobb s A Gentleman and a Thief The Daring Jewel Heists of a Jazz Age Rogue coming June 25 2024 When a doctor does go wrong he is the first of criminals Sherlock Holmes observed during one of his most baffling investigations He has nerve and he has knowledge In the span of fifteen years Dr Thomas Neill Cream murdered as many as ten people in the United States Britain and Canada a death toll with almost no precedent Poison was his weapon of choice Largely forgotten today this villain was as brazen as the notorious Jack the Ripper Structured around the doctor s London murder trial in 1892 when he was finally brought to justice The Case of the Murderous Dr Cream exposes the blind trust given to medical practitioners as well as the flawed detection methods bungled investigations corrupt officials and stifling morality of Victorian society that allowed Dr Cream to prey on vulnerable and desperate women many of whom had turned to him for medical help Dean Jobb transports readers to the late nineteenth century as Scotland Yard traces Dr Cream s life through Canada and Chicago and finally to London where new investigative tools called forensics were just coming into use even as most police departments still scoffed at using science to solve crimes But then most investigators could hardly imagine that serial killers existed the term was unknown As the Chicago Tribune wrote Dr Cream s crimes marked the emergence of a

new breed of killer one who operated without motive or remorse who murdered simply for the sake of murder For fans of Erik Larson's *The Devil in the White City* all things Sherlock Holmes or the podcast *My Favorite Murder* *The Case of the Murderous Dr Cream* is an unforgettable true crime story from a master of the genre Jobb's excellent storytelling makes the book a pleasure to read *The New York Times Book Review* **The Poison Murders of Jack the Ripper** R. Michael Gordon, 2014-01-10 Considered a primary suspect in the unsolved Jack the Ripper murders Polish born Severin Antoniovich Klosowski also gained considerable notoriety as The Borough Poisoner of Southwark in the late 1800s Within a span of five years Klosowski took on three women as his wives and lethally poisoned each with deadly doses of antimony This study of Klosowski's murders of Mary Spink Elizabeth Bessie Taylor and Maud Marsh includes extensive accounts of the individual crimes the accompanying investigations and Klosowski's conviction and execution The final chapter examines intense police and media speculation that Klosowski may also have been the unidentified serial killer Jack the Ripper citing period news articles and more recent developments in the notorious case One appendix provides a detailed timeline of Klosowski's poison period from 1892 to 1903 *Murder and Mayhem* David Nash, Anne-Marie Kilday, 2018-04-25 This introductory book offers a coherent history of twentieth century crime and the law in Britain with chapters on topics ranging from homicide to racial hate crime from incest to anarchism from gangs to the death penalty Pulling together a wide range of literature David Nash and Anne Marie Kilday reveal the evolution of attitudes towards criminality and the law over the course of the twentieth century Highlighting important periods of change and development that have shaped the overall history of crime in Britain the authors provide in depth analysis and explanation of each theme This is an ideal companion for undergraduate students taking courses on Crime in Britain as well as a fascinating resource for scholars **Serial Killers (Ned)** Stéphane Bourgoin, 2014-06-25 Ouvrage de référence traduit dans le monde entier cette édition revue et augmentée pour la quatrième fois est le résultat d'une trentaine d'années de recherches sur ces criminels qui tuent en série sans mobile évident mais sous l'emprise de pulsions sexuelles le plus souvent et qui commettent leurs forfaits en toute impunité pendant des mois voire des années Stéphane Bourgoin a pu s'entretenir avec plus de soixante quinze de ces serial killers dans les prisons de hauts curés du monde entier Cannibales comme Ottis Toole ou le pédophile sud africain Stewart Wilken psychotiques tel Gary Heidnik dont le cas inspire le personnage de Buffalo Bill dans *Le Silence des agneaux* ou Richard Chase et James Riva authentiques vampires modernes femmes criminelles comme Martha Beck ou Christine Falling tueurs d'enfants l'exemple de John Joubert et Albert Fish nécrophiles et chasseurs de têtes l'image de Gérard Schaefer et Ed Kemper qui sert de modèle au Hannibal Lecter de Thomas Harris trangleurs de prostituées la faon d'Arthur Shawcross tous expriment les mêmes fantasmes sanglants et une absence totale de remords Grâce de nombreux jours l'auteur a pu rencontrer les agents spéciaux du FBI chargés d'étudier ces assassins hors norme ainsi que des profilers du monde entier qui utilisent une approche psychologique et des bases de données informatiques pour résoudre les enquêtes Leurs conclusions sont confrontées à l'avis des plus grands

psychiatres dans le domaine L ouvrage est compl t par de nouveaux entretiens et portraits de tueurs un cahier photo revisit une tude sur la d tection de la s rialit par le colonel de Gendarmerie Jo l Vaillant et par une tude sur les nouvelles m thodes d investigation informatique du FBI

Revisiting the Yorkshire Ripper Murders Louise Wattis, 2018-12-28 Between 1975 and 1980 Peter Sutcliffe who became known as the Yorkshire Ripper murdered 13 women in the North of England The murders provoked widespread fear amongst women and impacted the public consciousness at both the local and national level This book revisits the case applying a feminist and cultural criminological lens to explore a range of criminological concerns relating to gender violence and victimhood Combining research findings from oral history interviews analysis of popular criminological texts and academic commentary this volume explores what the case can tell us about feminism fear of crime gender and serial murder and the representation of victims and sex workers The volume contributes to a creative cultural criminology highlighting how excavating recent criminal history and reading across texts presents new ways for understanding violence gender and representation in the contemporary context

Deliver us from Evil David Yallop, 2014-10-23 The murders the arrest the trial First world publication of the full story David Yallop is the investigative writer whose previous books including the bestselling *To Encourage the Others* and *Beyond Reasonable Doubt* have solved four murder mysteries In this his new book he turns to the most infamous murderer in the world today the Yorkshire Ripper This is the story of a man who killed his women victims with grotesque cruelty Who eluded one of the greatest hunts in history And it is the story of the numbing fear that gripped northern England where if you were a woman you might suddenly die a violent and obscene death Following two years intensive research with police officers the victims relatives pathologists prostitutes and many others David Yallop has produced an investigative account of murder that captures in full the evil reality of the man they called the Yorkshire Ripper And most remarkable of all he identified before the arrest where the solution to the murders lay

The Blackout Ripper Stephen Wynn, 2023-10-05 Stephen Wynn s *The Blackout Ripper* is the true story of a serial killer who stalked London during World War II Two days before the outbreak of the Second World War the British government imposed blackout regulations across the nation as it was believed that in the event of war Germany would very quickly begin conducting air raids on British towns and cities The measures included covering windows in a dark thick material at night to ensure no light could be seen from the outside The use of vehicle headlamps was also prohibited which resulted in a number of accidents and pedestrians being killed These restrictions enforced by Air Raid Precaution wardens and the police were for the benefit and safety of the British public but it also unintentionally made life a lot less dangerous for members of the criminal fraternity allowing them to go about their regular night time activities with less chance of being caught by the police As a result during one week in February 1942 Gordon Cummins RAF was able to move around freely to carry out his attacks and make it back to his billet without being caught or even stopped by the police The very restrictions put in place to protect the British public from German bombers actually placed women in danger from men

such as Cummins three of his victims were known prostitutes as was at least one of the two women he is known to have attacked but who survived All of Cummins victims were attacked during the hours of darkness while the blackout was in place leading to him becoming known as the Blackout Ripper **Deviance** Leon Anderson,2017-08-22 Deviance Social Constructions and Blurred Boundaries draws on up to date scholarship across a wide spectrum of deviance categories providing a symbolic interactionist analysis of the deviance process The book addresses positivistic theories of deviant behavior within a description of the deviance process that encompasses the work of deviance claims makers rule breakers and social control agents Students are introduced to the sociology of deviance learn to analyze several kinds of criminal deviance that involve unwilling victims such as murder rape street level property crime and white collar crime learn to examine several categories of lifestyle and status deviance develop skills for critical analysis of criminal justice and social policies Overall students gain an understanding of the sociology of deviance through cross cultural comparisons historical overview of deviance in the U S and up close analysis of the lived experience of those who are labeled deviant as well as responses to them in the U S today Instructor Resources are available to easily help with lecture and exam preparation

The Right Notes George Perle,1995 George Perle has divided this collection into four parts Composers and Works Bart k Berg Schoenberg Scriabin and Webern Towards a New Musical Language Some Critical Appraisals of Contemporary Music Theory and On Listening to Modern Music These 23 articles reviews lectures and speeches represent the best of 50 years of musical thought and insight by one of the keenest musical minds of this century Sharing this particular composer s point of view leads the reader to an understanding of the linear progression not easily apparent from the last century to the next

Convicting the Yorkshire Ripper Richard Charles Cobb,2023-06-01 Finally for the first time in over 40 years the shocking true story behind the trial of most infamous serial killer in British criminal history comes to light In the mid 1970s Peter Sutcliffe aka The Yorkshire Ripper began a reign of terror across the North of England lasting five years with 13 women brutally murdered and resulting in the largest criminal manhunt in British history His trial in 1981 the unfolding of a real life horror story attracted vast crowds from across the world with every newspaper in the country sending journalists to cover what was dubbed the trial of the century For two weeks both prosecution and defense found themselves embroiled in a shocking and unexpected turn of events when Sutcliffe entered a plea of insanity What followed was an intense showdown between the psychiatrists and the prosecution as eyewitnesses who knew Sutcliffe best medical experts and serving police officers all took the stand to answer the big question Was Peter Sutcliffe suffering from diminished responsibility Or was he a cold and calculating killer The real story of what went on behind the scenes in the court room of the Old Bailey over those intense two weeks has never been revealed until now Using ground breaking new research never before seen images original court transcripts police reports and eyewitness testimony the author takes the reader on a step by step account of the court room drama presenting the truth about what actually happened and finally reveals just how close the Yorkshire Ripper came

to getting away with murder **Jack the Writer: A Verbal & Visual Analysis of the Ripper Correspondence** Dirk C. Gibson, 2013-09-03 The story of the unidentified serial killer in London's Whitechapel district known as Jack The Ripper has been the subject of interest to researchers for over 120 years The name ascribed to the individual was from a letter sent to the Central News Agency in London on 27 September 1888 Initially thought to be a hoax the letter gained much publicity when the writer's promise of clipping a lady's ears off manifested after the discovery of the body of Catherine Eddowes with an ear lobe severed 3 days after the letter was received Several letters followed this and borrowed elements from the earlier correspondences Jack the Writer A Verbal the analyses describe precisely what was and was not in these missives The letters are described and presented in the context of their content with the valid letters presented in chronological order Jack the Writer A Verbal Visual Analysis of the Ripper Correspondence will give readers whether generally interested in the ripper correspondence or undertaking courses in criminology or abnormal psychology a glimpse of the cultural context of a serial murderer's communication with the public and the press in Victorian times **Alias Jack the Ripper** R. Michael Gordon, 2000-12-01 Over a century ago a depraved killer skillfully moved through the dark and filthy slums of London's East End Despite the increasingly watchful eyes of investigators the serial murderer known as Jack the Ripper from a signature on a piece of correspondence that has been attributed to him was never certainly identified R Michael Gordon provides a comprehensive look at the crimes and the case evidence and then discusses the life of the man he believes was the actual killer detailing the reasons why this person may have been driven to kill Beginning with an overview of the terror created in the East End of 1888 the book describes the five major periods of the Ripper's deadly career early life and schooling a step by step view of the murders including the Thames Torso Murders that authorities attempted to cover up the Ripper's American connection a return to London where his final victims were subjected to poison and the capture and execution of the probable but never proven Ripper To most people who worked closely on the Ripper and poisoning cases justice was finally served **The Making of English Popular Culture** John Storey, 2016-05-20 The Making of English Popular Culture provides an account of the making of popular culture in the nineteenth century While a form of what we might describe as popular culture existed before this period John Storey has assembled a collection that demonstrates how what we now think of as popular culture first emerged as a result of the enormous changes that accompanied the industrial revolution Particularly significant are the technological changes that made the production of new forms of culture possible and the concentration of people in urban areas that created significant audiences for this new culture Consisting of fourteen original chapters that cover diverse topics ranging from seaside holidays and the invention of Christmas tradition to advertising music and popular fiction the collection aims to enhance our understanding of the relationship between culture and power as explored through areas such as race ethnicity class sexuality and gender It also aims to encourage within cultural studies a renewed historical sense when engaging critically with popular culture by exploring the historical conditions surrounding the

existence of popular texts and practices Written in a highly accessible style The Making of English Popular Culture is an ideal text for undergraduates studying cultural and media studies literary studies cultural history and visual culture

Neo-Victorianism and the Memory of Empire Elizabeth Ho, 2012-04-19 Examining the global dimensions of Neo Victorianism this book explores how the appropriation of Victorian images in contemporary literature and culture has emerged as a critical response to the crises of decolonization and Imperial collapse Neo Victorianism and the Memory of Empire explores the phenomenon by reading a range of popular and literary Anglophone neo Victorian texts including Alan Moore's Graphic Novel From Hell works by Peter Carey and Margaret Atwood the films of Jackie Chan and contemporary Steampunk science fiction Through these readings Elizabeth Ho explores how constructions of popular memory and fictionalisations of the past reflect political and psychological engagements with our contemporary post Imperial circumstances
