**Paleoenvironments of Bear Lake, Utah and Idaho, and Its Catchment** Joseph G. Rosenbaum,Darrell S. Kaufman,2009 Bear Lake is located 100 km northeast of Salt Lake City and lies along the course of the Bear River the largest river in the Great Basin The lake which is one of the oldest extant lakes in North America occupies a tectonically active half graben and contains hundreds of meters of Quaternary sediment This volume is the culmination of more than a decade of coordinated investigations aimed at a holistic understanding of this long lived alkaline lake in the semiarid western United States Its 14 chapters with 20 contributing authors contain geological mineralogical geochemical paleontological and limnological studies extending from the drainage basin to the depocenter The studies span both modern and paleoenvironments including a 120 m long sediment core that captures a continuous record of the last two glacial interglacial cycles      **Ripples in the Lake** Dong Xi; James Trapp,2026-01-31      *Ghosts Are REAL* Hugh Fairman & Tina Laurent,2012-07-17 This book is filled with images that go a long way toward revealing the processes that underlie the phenomena that we call ghosts or spirits Only one of the people shown in four pictures on this back book cover is unlikely to be known to the curious reader The other three are well known historic personages It may not be so easy to work out who may be represented here when these images are looked at for the first time but they are all ghosts of a kind By using special photographic techniques developed by a psychic medium and combining these techniques with some theoretical ideas based in mainstream physics and evolutionary biology the authors are able to demonstrate for the first time exactly how the paranormal actually works It is a story of great importance to every person whether they believe in ghosts or not since what is being revealed by these images also show what happens after death and that both religion and science are in fact correct in their worldviews      *Walden Pond* W.
