

# The Rise and Fall of Structural Marxism: Louis Althusser and His Influence (Traditions in Social Theory)

Benton, Ted

Note: This is not the actual book cover

# Rise And Fall Of Structural Marxism Louis Althusser And His Influence

**William Lewis**

## **Rise And Fall Of Structural Marxism Louis Althusser And His Influence:**

**The Rise and Fall of Structural Marxism** Ted Benton, 1984      *Louis Althusser* Warren Montag, 2002-12-17 The publication of Louis Althusser's autobiography *The Future Lasts Forever* shattered the myth of Althusser as austere structural Marxist. It not only illuminated the private life of this public thinker but suggested that his previously published works could be read very differently. Louis Althusser is the first major overview of Althusser's work since the publication in French of thousands of pages of essays, books, and letters unknown before 1990 and makes a strong case for a radical reconsideration of his work in the light of this new material. Focusing particularly on Althusser's writings on art, theatre, and literature as well as those of Althusser's collaborator Pierre Macherey, Warren Montag traces the contradictory development of Althusser's thought from the early sixties to his autobiography. Additional material includes an annotated bibliography of texts by and on Althusser and the book also features a previously untranslated essay by the theorist on Brecht and Marx.

Louis Althusser and the Traditions of French Marxism William Lewis, 2005-10-17 Throughout the course of the twentieth century, communism has enjoyed direct competition with all other governmental and economic systems. Often communist countries produced their own special brand of party intellectual. These figures rightly occupied their place within their own national context and within the context of the International. Some communist intellectuals, through the high level of erudition exhibited in their writing, have received a wider reception despite their direct linkage to party politics. e.g. Antonio Gramsci, Georg Lukacs, and Victor Serge are good examples. After 1956, when Khrushchev exposed Stalin's atrocities to the Twentieth Congress of the Communist Party of the Soviet Union, and as a result to the entire world, Marxist philosophy was widely discredited. It had been assumed that Stalin's excesses were somehow encouraged or supported through Marx's thought. When in the mid 1960s Louis Althusser first offered his re-readings of Marx's philosophy, it and communist political practice were in ruin. However, Althusser was in a unique cultural and historical position. Thinking and writing concomitant with the structuralists and poststructuralists in France and also having access to certain theoretical tools while simultaneously committing himself entirely to Marxist thought, Althusser was conceivably the last of his tradition. He was a Marxist philosopher who, unlike Sartre at the end of his life, did not abandon communism for, instance, existentialism. In *Louis Althusser and the Traditions of French Marxism*, William Lewis gives readers a striking example of intellectual biography and critical theory. His approach, considering the work and life of Althusser within French Marxism and French intellectual culture, fills a void in contemporary scholarship. But much more importantly, Lewis is able to show how Althusser's thought is the result of and a response to specific French intellectual and political traditions of reading Marx. It is through this combination of concerns      Fredric Jameson Sean Homer, 2018-12-07 Fredric Jameson has been described as probably the most important cultural critic writing in English today and he is widely acknowledged as the foremost proponent for the tradition of critical theory known as Western Marxism. Yet his work has not been given the systematic review like other

contemporary thinkers like Foucault and Derrida Fredric Jameson Marxism Hermeneutics Postmodernism is a thoroughly up to date detailed review and analysis of the work of this influential intellectual Covering Jameson's work and thought from his early projects of form and history to his more recent engagements with postmodernism and cultural politics this synthesis offers a balanced assessment of his ideas their development and their continuing influence

**Songs of Experience** Martin Jay, 2005-01-10 Few words in both everyday parlance and theoretical discourse have been as rhapsodically defended or as fervently resisted as experience Yet to date there have been no comprehensive studies of how the concept of experience has evolved over time and why so many thinkers in so many different traditions have been compelled to understand it Songs of Experience is a remarkable history of Western ideas about the nature of human experience written by one of our best known intellectual historians With its sweeping historical reach and lucid comparative analysis qualities that have made Martin Jay's previous books so distinctive and so successful Songs of Experience explores Western discourse from the sixteenth century to the present asking why the concept of experience has been such a magnet for controversy Resisting any single overarching narrative Jay discovers themes and patterns that transcend individuals and particular schools of thought and illuminate the entire spectrum of intellectual history As he explores the manifold contexts for understanding experience epistemological religious aesthetic political and historical Jay engages an exceptionally broad range of European and American traditions and thinkers from the American pragmatists and British Marxist humanists to the Frankfurt School and the French poststructuralists and he delves into the thought of individual philosophers as well including Montaigne Bacon Locke Hume and Kant Oakshott Collingwood and Ankersmit Provocative engaging erudite this key work will be an essential source for anyone who joins the ongoing debate about the material linguistic cultural and theoretical meaning of experience in modern cultures

**From Post-Maoism to Post-Marxism** Kalpana Misra, 1998 This text chronicles Deng Xiaoping's institution of far reaching and practical economic reforms that seem at odds with Communist theory and its emphasis on ideology In fact while Deng often turned to Mao for ideological justification of his reforms those very reforms seemed to wear away to official ideology Ultimately even though the post Mao government has fostered economic growth improved standards of living and intellectual pluralism these changes have resulted in a decline in the perceived legitimacy of the regime

*From Post-Maoism to Post-Marxism*, The Spatial Logic of Social Struggle Nikolaus Fogle, 2011-04-07 Pierre Bourdieu's theory of practice is widely regarded as among the most innovative and illuminating fruits of recent social thought As evidence mounts that the spatial turn in the social sciences and humanities is no mere theoretical fad but rather an enduring paradigm of social and cultural research Bourdieu's status as a profoundly spatial thinker takes on a renewed importance The Spatial Logic of Social Struggle A Bourdieuan Topology focuses on Bourdieu's philosophy of space arguing that space is at once a condition for social knowledge a methodological instrument and a physical context for practice By considering Bourdieu's theory of social space and fields alongside his several accounts of socially potent physical spaces Nikolaus Fogle develops an

understanding of the systematic co determinations between social and physical space He traces Bourdieu s ideas about the spatiality of social life through his investigations of Algerian peasant villages and Gothic cathedrals as well as spaces of class lifestyle and cultural creation revealing that social and environmental struggles are only logical insofar as they are topological He also demonstrates how a Bourdieuan dialectical understanding of social and physical space can be brought to bear on contemporary issues in architecture and urban development This book will be useful and accessible not only to philosophers but also to architects geographers sociologists and other scholars in the social sciences and humanities who take an interest in the social theory of space

**On the Theory and History of Ideological Production** Malcolm K. Read,2023-08-28 On the Theory and History of Ideological Production promotes the existence of an ideological unconscious understood primarily as a product of social relations not of the Ideological State Apparatus Attention focuses upon the transition from feudalism to capitalism as theorised by the Spanish Marxist and former student of Althusser Juan Carlos Rodriguez Theorization of the ideological unconscious presupposes a change of terrain from the individual society opposition to a problematic based on the social formation The present text assesses Rodriguez s work alongside that of his contemporaries Fredric Jameson Noam Chomsky Terry Eagleton Roy Bhaskar Slavoj i ek and others

**Encyclopedia of Modern French Thought** Christopher John Murray,2013-01-11 In this wide ranging guide to twentieth century French thought leading scholars offer an authoritative multi disciplinary analysis of one of the most distinctive and influential traditions in modern thought Unlike any other existing work this important work covers not only philosophy but also all the other major disciplines including literary theory sociology linguistics political thought theology and more

**The Poverty of Anti-realism** Ian Verstegan,2023-09-05 Philosophy of history is currently dominated by postmodernist anti realists who claim that historiography can never provide true accounts of the past The Poverty of Anti realism exposes the faulty premises and reasoning behind such assertions and shows that anti realism has political implications unforeseen and unwanted by its adherents

**Poststructuralism and Critical Theory's Second Generation** Alan D. Schrift,2014-09-11 Poststructuralism and Critical Theory s Second Generation analyses the major themes and developments in a period that brought continental philosophy to the forefront of scholarship in a variety of humanities and social science disciplines and that set the agenda for philosophical thought on the continent and elsewhere from the 1960s to the present Focusing on the years 1960 1984 the volume examines the major figures associated with poststructuralism and the second generation of critical theory the two dominant movements that emerged in the 1960s Althusser Foucault Deleuze Derrida Lyotard Irigaray and Habermas Influential thinkers such as Serres Bourdieu and Rorty who are not easily placed in standard histories of the period are also covered Beyond this thematic essays engage with issues as diverse as the Nietzschean legacy the linguistic turn in continental thinking the phenomenological inheritance of Gadamer and Ricoeur the influence of psychoanalysis the emergence of feminist thought and a philosophy of sexual difference the renewal of the critical theory tradition and the

importation of continental philosophy into literary theory      **Marxism and Science** Gavin Kitching,2010-11-01

**Schooling and Equality** Dave Hill, Mike Cole,2013-10-16 This text covers the range of equality issues in school level education from the perspective and needs of educators trainee teachers and students of education It uses a blend of issues concepts facts and research to open up key issues and consider policy developments in the field      *Philosophy And Its Epistemic Neuroses* Michael Hymers,2019-07-09 This book argues that analytical philosophy and radical theory alike stand in an ambivalent relationship with skepticism It explains structuralism feminist theory and critical theory to outline a therapeutic alternative to philosophical theoreticism      *Encyclopedia of Contemporary Literary Theory* Irene Rima Makaryk,1993-01-01 The last half of the twentieth century has seen the emergence of literary theory as a new discipline As with any body of scholarship various schools of thought exist and sometimes conflict within it I R Makaryk has compiled a welcome guide to the field Accessible and jargon free the Encyclopedia of Contemporary Literary Theory provides lucid concise explanations of myriad approaches to literature that have arisen over the past forty years Some 170 scholars from around the world have contributed their expertise to this volume Their work is organized into three parts In Part I forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose The essays also discuss the uses and limitations of the various schools and the key issues they address Part II focuses on individual theorists It provides a more detailed picture of the network of scholars not always easily pigeonholed into the categories of Part I This second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context Part III deals with the vocabulary of literary theory It identifies significant complex terms places them in context and explains their origins and use Accessibility is a key feature of the work By avoiding jargon providing mini bibliographies and cross referencing throughout Makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture      **Social Theory, Volume I** Roberta Garner,Black Hawk Hancock,2014-05-29 The third edition of this popular reader reflects considerable changes The framework for understanding theory as a set of conversations over time is maintained and deepened pairing classical with contemporary readings to illustrate the ways in which theory continues to be reinterpreted over time Volume I has been completely reorganized with new contextual and biographical materials surrounding the primary readings and end of chapter study guides that include key terms discussion questions and innovative classroom exercises The result is a fresh and expansive take on social theory that foregrounds a plurality of perspectives and reflects contemporary trends in the field while being an accessible and manageable teaching tool      *The New Materialism* Geoff Pfeifer,2015-02-11 Alain Badiou and Slavoj Žižek have become two of the dominant voices in contemporary philosophy and critical theory In this book Geoff Pfeifer offers an in depth look at their respective views Using Louis Althusser's materialism as a starting point which as Pfeifer shows was built partially as a response to the Marxism of the Parti Communiste Français and partially in dialogue with other

philosophical movements and intellectual currents of its times the book looks at the differing ways in which both Badiou and Žižek's work attempt to respond to issues that arise within the Althusserian edifice Pfeifer argues here that ultimately Žižek's materialism succeeds in responding to these issues in ways that Badiou's does not In building this argument Pfeifer engages not only with the work of Althusser Badiou and Žižek and their intellectual backgrounds but also with much of the contemporary scholarship surrounding these thinkers As such Pfeifer's book is an important addition to the ongoing debates within contemporary critical theory

**Politics in the impasse** Bill Martin, 1996-01-01 Develops a radical politics of community that engages with practical issues such as the Gulf War and the 1992 uprisings in Los Angeles set against the context of postmodern capitalism

*Contemporary Sociological Theory* Steven Loyal, Sinisa Malesevic, 2020-10-12

Introducing you to the most important thinkers and schools of thought in contemporary sociological theory from Parsons and Merton to the Frankfurt School to Foucault Bourdieu Giddens and Hochschild this accessible textbook firmly locates key ideas in social political and historical context By doing so it helps you to understand the development of central sociological concepts and how they can help us understand the contemporary world The book includes Lively biographical sections so you can get to know each thinker Clear and easy to understand accounts of each theorist's arguments and the most common criticisms Key concept boxes highlighting the most influential ideas This comprehensive textbook brings the diverse field of contemporary sociological theory to life Essential reading for all students of Sociology and Sociological Theory

## Rise And Fall Of Structural Marxism Louis Althusser And His Influence Introduction

Rise And Fall Of Structural Marxism Louis Althusser And His Influence Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Rise And Fall Of Structural Marxism Louis Althusser And His Influence Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Rise And Fall Of Structural Marxism Louis Althusser And His Influence : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Rise And Fall Of Structural Marxism Louis Althusser And His Influence : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Rise And Fall Of Structural Marxism Louis Althusser And His Influence Offers a diverse range of free eBooks across various genres. Rise And Fall Of Structural Marxism Louis Althusser And His Influence Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Rise And Fall Of Structural Marxism Louis Althusser And His Influence Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Rise And Fall Of Structural Marxism Louis Althusser And His Influence, especially related to Rise And Fall Of Structural Marxism Louis Althusser And His Influence, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Rise And Fall Of Structural Marxism Louis Althusser And His Influence, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Rise And Fall Of Structural Marxism Louis Althusser And His Influence books or magazines might include. Look for these in online stores or libraries. Remember that while Rise And Fall Of Structural Marxism Louis Althusser And His Influence, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Rise And Fall Of Structural Marxism Louis Althusser And His Influence eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods

for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Rise And Fall Of Structural Marxism Louis Althusser And His Influence full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rise And Fall Of Structural Marxism Louis Althusser And His Influence eBooks, including some popular titles.

### **FAQs About Rise And Fall Of Structural Marxism Louis Althusser And His Influence Books**

1. Where can I buy Rise And Fall Of Structural Marxism Louis Althusser And His Influence books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rise And Fall Of Structural Marxism Louis Althusser And His Influence book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rise And Fall Of Structural Marxism Louis Althusser And His Influence books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Rise And Fall Of Structural Marxism Louis Althusser And His Influence audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Rise And Fall Of Structural Marxism Louis Althusser And His Influence books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
