Risk To Be Healed The Heart Of Personal And Relationship Growth:

Risk to Be Healed Barry Vissell, Joyce Vissell, 1989-06-01 *Risk to be Healed* Barry Vissell, Joyce Vissell, 1989 **The Heart's Wisdom** Joyce Vissell, Barry Vissell, 1999-05-01 For many couples the romantic bliss of a relationship's early stages is followed by a bumpy road. This scenario can be avoided with a different approach: living from the heart. Joyce and Barry Vissell have spent 35 years of marriage learning from their relationship. They show in this guide how to eliminate fear, how to heal blocked sexuality, how to say no to the one you love, and how every couple can learn from jealousy. **Meant to Be** Barry Vissell, Joyce Vissell, 2000-02-28 Does love at first sight only happen in the movies? Not according to relationship experts Barry and Joyce Vissell, who have long believed in the miraculous nature of love. In *Meant to Be*, a collection of true and truly extraordinary tales, the editors demonstrate that the hands of destiny are at work behind the scenes of romantic love, yielding stories of unexpected and heartwarming connections. We believe there is a strong, largely unseen energy of love guiding us every step of our lives, writes the Vissells. This guidance brings us to the right relationship at the right time. The sometimes amazing stories in this book show the magnitude and intelligence of this guiding power. Dramatic, surprising, and unforgettable, these tales of miraculous meetings, reunions, and endings will fill readers with awe, hope, and joy. *Meant to Be* is a classic in the making, celebrating the mysterious and eternal power of love. *Dance of Love* Ellen J. Clephane, 1996 Ellen Clephane talks frankly to 50 couples who, from their own experience, offer valuable insights into what makes a loving and fulfilling relationship. These insights are woven with examples from her own marriage and stories from her clients' relationships. They cover appreciating each other, speaking the truth, sexuality and intimacy, spirituality and purpose, and more.

Man and Woman, God Made Them Jean Vanier, 2008 In a new and fully revised edition of a classic text, Jean Vanier examines the significance and sources of human sexuality. Drawing on his years of experience of Christian community life with and for people with disabilities, he explores the implications of the relationship of man and woman from a Christian and community standpoint. When Vanier speaks of the cry for love within a person who is disabled, he draws the wider parallel of that same search within every man and woman: the fragility and vulnerability of each person at the level of the heart and in the search for relationship. An intimate and searching book, *Man and Woman, God Made Them* contains a wealth of insight into the meaning and sources of human sexuality. This is a very remarkable book, full of wisdom, humour, and profound insight into the mystery of human sexuality. In reading this book, I touched again the great mystery of the divine gift of love offered to us through a deeply wounded humanity. From the Foreword by Henri J. M. Nouwen *Love and Fate* Fine Communications, Barry Vissell, 2001-03 **Path of the Golden Heart** Cindy Jarrett, 2015-11-05 *Path Of The Golden Heart* Conscious Dating In An Unconscious World: the first book in Cindy Jarrett's Conscious Relationships Series is based on Cindy's pioneering work into the necessity for emotional maturity as the key for healthy and sustaining love relationships to succeed. It is an in-depth training that brings truth back into the dating process where single men and women can fully be

their authentic selves while getting to know each other It brings an end to the suffering that has long been associated with dating It is a modern approach to dating that dispels the myths about the games in dating many authorities try to promote This training brings single people the necessary education as to why love has become so difficult to attain and what stands in the way of effortlessly entering into love relationships Readers are provided easy and accessible actions to take that makes Conscious Dating a welcomed relief Love what we all desire It matters most to us and drives us to do the most courageous to craziest of things Love is what gives us our supreme experiences and challenges It is our most powerful expression Love heals all things And love is our greatest teacher Yet love eludes us It is everywhere and missing in so many hearts We fear it We run from it We long for it We deserve it It is our birthright And it is this desire for love that brings us to the dating ritual again and again And love is not enough We need more than just love to build and sustain a healthy relationship We also need commitment clarity honesty character an inner life consistency maturity an open heart forgiveness training guidance consciousness more maturity healthy communications sensitivity have I said maturity yet and much much more We don't usually relate to love or love relationships with maturity in mind We don't necessarily declare that these elements are also what loving another requires
