Sugden, 1997 *National Council of Churches Review*, 1994 **Church Transfusion** Neil Cole, Phil Helfer, 2012-09-19 Just as our life is in our blood the life for Christ's body is in His blood Changing a church is more than a new goal or direction Our churches need more than an organizational transition we need a full transfusion of Jesus blood His life within every disciple Anything less than that will only perpetuate more of the dysfunction and unhealthy church practices that have already plagued us for too long We are in desperate need of the internally transforming power of the gospel of grace and the presence of Christ so that our salvation is then worked out in a way the rest of the world will notice It isn't enough that we believe in the facts contained in the gospel we must allow the gospel itself to infect our souls and transform us from within The DNA of Jesus lifeblood is needed in our churches and nothing shy of a full transfusion that touches every cell will be sufficient In this book Neil Cole author of *Organic Church* *Church Transfusion* and *Journeys to Significance* and Phil Helfer co founders of Church Multiplication Associates will first point out that change is possible with God but only with God In the second half of the book they will lay out some of the actual practical considerations to weigh if you want to release real organic health in your church Using multiple examples of very different kinds of churches that have been through the process the authors present ways that leadership and practices need to change in order to release organic church movements from their midst Chapters cover Leadership's necessary Detoxification from dependence issues How to ignite change virally How to grandparent movements How to measure success in movements This book another in the Leadership Network series applies organic life principles to established churches with practical help that is holistic and natural The content in this book will be helpful whether you are pastor of an established church or wanting to revitalize a small organic church Jesus didn't die and rise from the dead so that we can be like everyone else in the world Our faith is more than just a better doctrine or a bigger goal with a capital giving campaign it is a better life Jesus is the difference and what a difference he makes don't be satisfied with less **Evangelical Review of Theology, Volume 47, Number 4** Thomas

World Evangelical Alliance's broader mission and activities **The Christian Workers Magazine**, 1918 **Focus on Christ** John Stott, 2019-06-30 It pleases the Father, Son, and Spirit that the Son, Jesus Christ, be the centre of our worship, have the name above all names and be first above all things. Everyone has a relationship with him, whether bearing his image but being estranged from him or knowing Christ as Lord and Saviour. In this book, John Stott draws our attention to how the New Testament speaks of Jesus Christ. He examines the prepositions used to help us understand more deeply our position in relation to the Son of God: We are to live in Christ, through Christ, on Christ, with Christ, under Christ, for Christ, and like Christ, and this book will help you become truly Christ-centred. *Breaking Free... from Me* J. In *Jesus Christ for Contemporary Life*, Don Schweitzer explores the significance of the person, work, and relationships of Jesus Christ for contemporary life. He moves from the historical Jesus to the present in three parts. In the first part, Schweitzer develops an understanding of Jesus as the Word of God who became incarnate to give the goodness and beauty of God further expression in time and space. Second, he explores how various atonement theories articulate ways in which Jesus empowers people to further express this beauty and goodness in their own lives. And finally, Schweitzer explores how Jesus relates to people in the church, to the events and movements in history, to other religions, and to Christians in their dialogue with God in prayer. **Glad News!** Samy Tanagho, 2017-04-04 The ideal book for leading Muslims to Christ. such as any moment rapture and Christians will escape the Tribulation but he provides a thoroughly rational and solidly Biblical alternative for Christians to embrace the Pre wrath rapture position What LIFESAVER wants to alert every sincere believer to is that there is a true Biblical eschatology Doctrine of Last Things that surfaces when objectively utilizing the Five Basic Rules of Bible Interpretation Sadly because it threatens their power and prestige knowledge of the Pre wrath rapture view is the very thing the PTR elite tries to undermine with distortions or attempts to hide by shutting it out of the debate As time runs out on this present age the Spirit is awakening those who belong to God It is time for the saints to understand what is false and what is genuine Since Christ is coming soon his people are not only to grasp what he has taught but to proclaim his plan of salvation that was revealed by the prophets Deliverance will come to those prepared to weather the most severe challenges that believers of any generation have ever faced LIFESAVER alongside the Bible will help make the difference between catastrophe and triumph between despair and everlasting joy or between falling short and being an over comer It is time for truth not feel good theology It is time for strong faith It is time for LIFESAVER
