

The background of the entire slide is a photograph of a sunset over the ocean. The sun is a bright, glowing orb just above the horizon, casting a warm orange and yellow light across the sky. The sky transitions from a deep orange near the horizon to a darker, muted brown at the top. A single bird is captured in flight, its dark silhouette contrasting against the lighter sky. In the foreground, the dark, choppy surface of the water is visible, with the silhouette of a large ship, possibly a battleship, stretching across the lower portion of the frame. The ship's details are mostly lost to shadow, but its general form is discernible.
