Lord Ted The Dexter Enigma:

Lord Ted Alan Lee,1995 *British Sport: Biographical studies of British sportsmen, sportswomen, and animals* Richard William Cox,2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **The Hollow Crown** Mark Peel,2020-05-18 Award winning cricket writer Mark Peel charts the development of the England captaincy from 1945 to the present with portraits of England's 43 captains Is England's failure to produce sufficient leaders of stature especially in comparison with Australia down to individual deficiencies or the exacting nature of the job **British Sport - a Bibliography to 2000** Richard Cox,2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian *Cricket: A Political History of the Global Game, 1945-2017* Stephen Wagg,2017-11-14 Cricket is an enduring paradox On the one hand it symbolises much that is outmoded imperialism a leisured elite a rural aristocratic Englishness On the other it endures as a global game and does so by skilful adaptation trading partly on its mythic past and partly on its capacity to repackage itself This ambitious new history recounts the politics of cricket around the world since the Second World War examining key cultural and political themes including decolonisation racism gender globalisation corruption and commercialisation Part One looks at the transformation of cricket cultures in the ten territories of the former British Empire in the years immediately after 1945 a time when decolonisation and the search for national identity touched every cricket playing region in the world Part Two focuses on globalisation and the game's evolution as an international sport analysing social change and the Ashes the campaigns for new cricket formats the development of the women's game the new breed of coach the limits to the game's global expansion and the rise of India as the world's leading cricket power *Cricket A Political History of the Global Game 1945 2017* is fascinating reading for anybody interested in the contemporary history of sport **Long Shot Summer** Neil Robinson,2015-06-15 A look at the summer of 1988 a year of turmoil in the English Cricket Team **Cricket, Race and the 2007 World Cup** Boria Majumdar,Jon Gemmell,2013-09-13 Cricket has been subject to a number of changes over the last twenty years We can no longer talk of a sport particular to an out dated English way of life Cricket has become global and has to exist within the global environment Primarily the world game has become commercialised This collection of essays assesses the developments within major playing nations between the World Cups Do we now live in a world where commercialism is the primary factor in determining sports or are wider historical prejudices still evident Seeking to answer these questions *Cricket Race the 2007 World Cup* focuses on racial and ethnic tensions and their place in the new globalized cricketing environment This book was previously published as a special issue of *Sport in Society* *Fred Trueman* Chris Waters,2011-10-01 Fred Trueman was so much more

than a cricketing legend The greatest living Yorkshireman according to Prime Minister Harold Wilson he couldn't help excelling at everything he did whether it was as a hostile fast bowler for Yorkshire and England and the first man to take 300 Test wickets in a career or as a fearlessly outspoken radio summariser for Test Match Special He was famous for regularly spluttering that I don't know what's going on out there as well as for the amount of swearing he managed to incorporate into everyday speech Beloved of cricket crowds who filled grounds to witness his belligerent way of playing the game and nothing but trouble to the cricket authorities Fiery Fred was the epitome of a full-blooded Englishman But as Chris Waters reveals in this first full biography behind the charismatic exuberant mask lay a far less self-assured man terrified even that his new dog wouldn't like him and whose bucolic version of his upbringing bore no relation to the gritty and impoverished South Yorkshire mining community where he actually grew up Drawing on dozens of new interviews with his Yorkshire colleagues family and friends this life of Fred Trueman will surprise and even shock but also confirm the status of an English folk hero

Caught Yapping Abhishek Mukherjee, 2025-06-30 I do not want to see you Mr Warner There are two teams out there one is trying to play cricket and the other is not There is a little bit of the whore in all of us gentlemen What is your price Thank you for making my tournament a success Girls don't play cricket Bodyline World Series Cricket and IPL all seminal events in the game's history and succinctly captured in the quotes above by Bill Woodfull Kerry Packer and Lalit Modi respectively And a casual comment made by a policeman to Rachael Heyhoe which spurred her on to become a cricketer and eventually organize the World Cup two years before the men's Caught Yapping takes a never-trodden-before route to narrate the history of cricket using the medium of quotes to do the talking Why quotes Cricket has inspired considerable literature and continues to do so Then there are words the people of cricket have spoken on the field in press conferences in commentary boxes and elsewhere These are tales that scorecards do not tell stories of heroes and villains rises and falls temptations and resistance inclusions and exclusions This book chronicles the history of cricket and history means little without the people And what better way to tell the story of the people than in their own words Amateurs and Professionals in Post-War British Sport Dilwyn Porter, Adrian Smith, 2014-04-08 The pressures and demands of professionalism and commercialization have transformed Britain's sports At the end of the 20th century sports have been packaged and marketed as mass entertainment for a national or even international audience This volume explores different facets of this phenomenon Books in Print, 1991 *The British National Bibliography* Arthur James Wells, 1995 The Dorland Enigma Solved Judith Smith Cassidy, Harry Macy (Jr.), 2007 A comprehensive well-documented genealogy of the descendants of Gerrit Lambert and Elias Dorland early settlers of New Netherland New York In addition to the male lines descendants of daughters are traced in some cases for many generations These families migrated early in large numbers to New Jersey Pennsylvania Kentucky New York Ohio Indiana Missouri California and Oregon as well as Canada Many errors in earlier accounts of the Dorlands are corrected *Forthcoming Books* Rose Arny, 1995 **Cambridge** Louis Thomas

Stanley,1987 **Subject Guide to Books in Print** ,1997 *Arts & Humanities Citation Index* ,1995 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals *British culture and the end of empire* Stuart Ward,2017-03-01 This book is the first major attempt to examine the cultural manifestations of the demise of imperialism as a social and political ideology in post war Britain Far from being a matter of indifference or resigned acceptance as is often suggested the fall of the British Empire came as a profound shock to the British national imagination and resonated widely in British popular culture The sheer range of subjects discussed from the satire boom of the 1960s to the worlds of sport and the arts demonstrates how profoundly decolonisation was absorbed into the popular consciousness Offers an extremely novel and provocative interpretation of post war British cultural history and opens up a whole new field of enquiry in the history of decolonisation St. Nicholas ,1906 **St. Nicholas** Mary Mapes Dodge,1906
