Jo Renee Formicola, Hubert Morken

Lord Will Gather Me In My Journey To Jewish Orthodoxy:

The Lord Will Gather Me in David Klinghoffer, 2002-04-29 As growing numbers of young Jews rediscover their ancient faith David Klinghoffer's poignant memoir of his own spiritual evolution makes the most appealing case for Orthodox Judaism since Herman Wouk's *This Is My God* *Jews and Judaism in The New York Times* Christopher Vecsey, 2013-07-18 In a recent book *Following 9 11 Religion Coverage in the New York Times* Christopher Vecsey examines journalistic definitions of religion before and especially after the terrible events of September 11 2001 Here he explores Times portrayals of the cumulative religious tradition called Judaism embodied by peoples who have called themselves Jews from antiquity to modernity throughout the world and especially in the United States where a plurality of Jews live today and where the Times is published To understand Judaism today is to fathom its diverse texts beliefs rituals ethics and institutions the contemporary concerns of Jews and the relationships not only among Jews but also between Jews and gentiles and the continuing impact of anti-Semitism upon Jewish life Since the 1940s Jews and Judaism have been profoundly affected by the horrific course of the Holocaust and by the formation of Israel as a Jewish nation state These have been the major themes in the Times treatment of Judaism chronicled in thousands of articles Like an insider to Jewish tradition the paper recounts favorite holy day recipes and tales of survival and travail in a multi-national and assimilative world In so doing however the paper probes not only concurrence within Judaism but more tellingly a complex multi-cultural at odds with itself Jewishness Rather than thinking of the Times as a mouthpiece for Jewish interests it is far more accurate to say that the Times has analyzed like an outsider the paradoxes the tensions and the culture wars in contemporary Jewish existence in order to define pluralistic Judaism as a political-cultural-religious entity The Times treats Judaism humanistically showing that it is the Jewish people who are most important to Judaism not merely the texts the theology or the institutions The paper works from perspectival Talmudic principles reporting multiple viewpoints in the circle of Jewish faith observance contestation and disbelief constantly questioning all sources as an observant instrument of inquiry into Jewish existence to expose Judaism's points of conflict as well as its areas of consensus

The Neoconservative Revolution Murray Friedman, 2005-05-16 This book which will come as a surprise to many educated observers and historians suggests that Jews and Jewish intellectuals have played a considerable role in the development and shaping of modern American conservatism The focus is on the rise of a group of Jewish intellectuals and activists known as neoconservatives who began to impact on American public policy during the Cold War with the Soviet Union and most recently in the lead up to and invasion of Iraq It presents a portrait of the life and work of the original and small group of neocons including Irving Kristol Norman Podhoretz and Sidney Hook This group has grown into a new generation who operate as columnists in conservative think tanks like The Heritage and The American Enterprise Institute at colleges and universities and in government in the second Bush Administration including such lightning rod figures as Paul Wolfowitz Richard Perle and Elliot Abrams The book suggests the neo-cons have been so

significant in reshaping modern American conservatism and public policy that they constitute a Neoconservative Revolution

Hungry for Ecstasy Sharon Klayman Farber, 2012-11-16 *Hungry for Ecstasy* Trauma The Brain and the Influence of the Sixties by Sharon Klayman Farber explores the hunger for ecstatic experience that can lead people down the road to self destruction In an attempt to help mental health professionals and concerned individuals understand and identify the phenomenon and ultimately intervene with patients friends and loved ones Farber speaks both personally and professionally to the reader She discusses the different paths taken on the road to ecstatic states There are religious ecstasies ecstasies of pain and near death experiences cult induced ecstasies creative ecstasies and ecstasies from hell *Hungry for Ecstasy* explores not only the neuroscientific processes involved but also the influence of the sixties in driving people to seek these states Finally Farber draws from her own personal and professional experience to advise others how to intervene on behalf of the person whose behavior puts his or her life at risk

Creationism USA Adam Laats, 2020-09-24 *Creationism USA* reveals how common misconceptions about creationism have led Americans into a century of unnecessary culture war histrionics about evolution education and creationism Adam Laats argues that Americans do not have deep fundamental disagreements about evolution but that they do have significant disagreements about creationism *Creationism USA* both explains the current state of America's battles over creationism and offers a nuanced yet straight forward prescription to solve them

How Would God Vote? David Klinghoffer, 2008-06-03 From *How Would God Vote* The Bible commands a style of politics that in the American context could only be described as deeply conservative Is then the politics of God theocratic A strong case could be made for theocracy American style if the word were defined not in the conventional way but according to its root meaning Democracy signifies the rule of the demos the people Strictly speaking theocracy means the rule not of churches or priests but of theos God It won't do to deny that many conservatives even while unambiguously affirming the traditional American separation of church and state would add more theos to the democratic mix than is currently the case I choose not to call myself a theocrat because I know how eager liberal secularists would be to twist the word against me Dishonestly they would make it appear that I wish to impose a literal biblical theocracy that I would dumbly imitate word for word the political structure of king priesthood and religious high court that existed in biblical antiquity Yet in a subtler sense are we not all theocrats now This startlingly original investigation into the controversies dividing America provides a clear and convincing affirmation of the relevance of the Bible to contemporary politics With liberals and conservatives alike claiming the authority of the Bible as support for their views on social and moral issues the need to understand what the Bible actually says has never been more pressing In *How Would God Vote* journalist and scholar David Klinghoffer illuminates the worldview set forth in the Scriptures and argues that with some exceptions the God of the Bible would overwhelmingly support traditionally conservative principles and policies Klinghoffer considers the ethical and moral heart of contemporary political debates questions like immigration gay marriage abortion care for the poor war and peace censorship

privacy the place of religion in schools and the community and much more There is a pattern here It s for a very good reason that conservatives line up as they do predictably on a range of issue as do liberals The two competing political philosophies derive from radically different ways of looking at the world one in consonance with the Bible the other very much not Klinghoffer however is no stereotypical Republican Controversially he argues that the Bible would have us emphasize domestic policy the classic pre 9 11 culture war issues over a hyped up World War IV against Islamofascism The Bible has a foreign policy he shows and it is not neoconservative He demonstrates support in the Scriptures for a welcoming attitude toward immigrants for gun control and for affirmative action The Bible Klinghoffer shows is no mere list of dos and don ts but a fully coherent and practically relevant portrait of moral reality compelling and deep enough to guide not only our private but our public lives Even if we as individuals fail its private tests that s no reason to reject its public lessons To anyone who takes God seriously every election poses a radical question Will we vote with Him or against Him The Bible is an unapologetically political book Klinghoffer explains and an extremely conservative one Some political views offend God and those views are mostly liberal In short the Bible commands you to be a conservative Stimulating and provocative How Would God Vote is an important contribution to pre election debates and to setting the path the nation will follow in the future under a new president

Women of Valor Karen E. H. Skinazi, 2018-09-07 Honorable Mention for the Robert K Martin Prize 2019 Media portrayals of Orthodox Jewish women frequently depict powerless silent individuals who are at best naive to live an Orthodox lifestyle and who are at worst coerced into it Karen E H Skinazi delves beyond this stereotype in *Women of Valor* to identify a powerful tradition of feminist literary portrayals of Orthodox women often created by Orthodox women themselves She examines Orthodox women as they appear in memoirs comics novels and movies and speaks with the authors filmmakers and musicians who create these representations Throughout the work Skinazi threads lines from the poem *Eshes Chayil* the Biblical description of an Orthodox Woman of Valor This proverb unites Orthodoxy and feminism in a complex relationship where Orthodox women continuously question challenge and negotiate Orthodox and feminist values Ultimately these women create paths that unite their work passions and families under the framework of an *Eshes Chayil* a woman who situates religious conviction within her own power

Religious Leaders and Faith-based Politics Jo Renee Formicola, Hubert Morken, 2001 *Religious Leaders and Faith Based Politics Ten Profiles* offers a powerful and timely analysis of the dynamic relationship between religious leaders of all faiths and political activism in the United States By examining the lives and works of such prominent leaders as Reverend Floyd Flake Bishop T D Jakes Reverend Al Sharpton Elder Dallin H Oaks Rabbi Daniel Lapin Reverend Benjamin Chavis Muhammed and Sister Maureen Fiedler this volume reveals an American tradition of religious influence on public policy that continues to be an important hallmark of our democracy From the colonial era to the present religious leaders have raised Americans O moral and political awareness of countless issues including revolution slavery temperance civil rights and most recently the culture wars This book is the first to explore the

renewed and intense commitment of evangelicals Catholics Muslims and Jews to preach teach and participate in politics today Among the questions answered in this book are religious leaders today as active and vocal as the radicals of the turbulent 1960s Are these activists still involved in civil rights or have other contentious topics such as abortion and traditional family values preempted such issues In the wake of the 2000 election and at the start of a new administration committed to elevating the role of religion in politics Jo Renee Formicola Hubert Morken and this prominent collection of contributors ask might we expect greater American religious involvement in the years ahead This is essential reading for anyone interested in religious and political activism or the evolving relationship between church and state in America

Church and Academy in Harmony Tony Blair,2010-08-01 Why do church leaders and the leaders of their institutions of higher learning seem to speak different languages Why are relationships between church and academy so filled with tension and misunderstanding This insightful and provocative volume written by one with leadership experience in both camps explains those dynamics Tony Blair parses the cultural and theological trends that have created this gap in recent decades and notes how those same patterns yet offer hope for the future Blair delineates five models of more collaborative relationships between church and academy three of which are drawn from the creative positioning of existing institutions that serve as case studies and two of which describe the academy of the future For church and university leaders alike as well as all those who care about the relationship of these two essential institutions in the fulfillment of God s kingdom Church and Academy in Harmony offers a readable and intelligent analysis

Index to Jewish Periodicals ,2000 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests

Contemporary Jewish American Writers and the Multicultural Dilemma Andrew Furman,2000-12 Focuses on seven contemporary Jewish American writers relating to topics such as the Orthodox way of life interest in pre Holocaust Europe Israel Jewish feminism and the Holocaust Ch 3 pp 40 57 The Mischievous Theological Imagination of Melvin Jules Bukiet explores the viability of a meaningful Jewish identity in a post Holocaust world in works set in pre Holocaust Poland in postwar Europe and in the U S today Bukiet s After 1996 is a controversial ironic work that deals with anti heroic Holocaust survivors and their impious attempts to engage the post Holocaust theological crisis Ch 4 pp 58 81 Thane Rosenbaum s Elijah Visible Jewish American Fiction the Holocaust and the Double Bind of the Second Generation Witness is another version of an essay that appeared in The Americanization of the Holocaust 1999 Rosenbaum presents American children of Holocaust survivors suffering from the ghosts of their parents experiences in Europe

Jew Vs. Jew Samuel G. Freedman,2000 At a time when Jews in the United States appear more secure and successful than ever Freedman maintains that cultural and religious differences are tearing apart their community

Into the Fullness of the Void Dov Elbaum,2013-11-15 A spiritual journey both deeply personal and strikingly universal One of Israel s leading

cultural figures Dov Elbaum grew up in an ultra Orthodox Jerusalem family and was a prodigy who seemed destined for greatness in the world of Talmud study But in his late teens he abruptly broke away and set off into secular Israeli society In this fascinating courageous and compelling autobiography Elbaum seeks to understand his decision and its consequences With the structure of Kabbalah as his road map Elbaum journeys into the deep recesses of his self and his soul The ultimate goal of his journey is the Void a Kabbalistic space that precedes God's creation of the world and a psychological state that precedes our formation as individuals It is a space of great vulnerability but also of hope for rebirth and renewal This is an intimate honest revealing work both deeply personal and strikingly universal The Hebrew edition was a bestseller and sold over 50 000 copies [Book Review Digest](#) ,2000 **Queer Judaism** Orit Avishai,2023-03-28 A compelling look at how Orthodox Jewish LGBT persons in Israel created a social movement and came to be seen as authentically Orthodox source inconnnue [The Jewish herald and record of Christian effort for the spiritual good of God's ancient people \[afterw.\] The Jewish missionary herald and record of the British society for the propagation of the gospel among the Jews \[afterw.\] The Herald](#) International society for the evangelization of the Jews,1855 **Did God Die on the Way to Houston? A Queer Tale** David B. Myers,2020-07-24 James Friedman a retired philosophy professor living in Houston receives an invitation from a woman identifying herself only as Shekhinah who claims she was once God She wants to talk to him about her decision to abandon heaven for earth Accepting the invitation Friedman encounters a tall ebony skinned twenty three year old same gender loving woman who is wearing a Black Lives Matter t shirt She tells Friedman a creation story about a loving God who at the moment of creation fourteen billion years ago gave up power over the world out of respect for human freedom This view of God is similar to one Friedman has expounded According to Shekhinah to God's horror and surprise countless human beings have misused their freedom to cause massive injustice bigotry genocide cruelty etc and to put the earth itself in peril Powerless as God Shekhinah asserts that the Creator could make a difference in the world only by becoming a human being which meant the death of God God she claims entered the world as a Black Same Gender Loving Woman to divinely affirm three often disrespected identities For reasons she reveals Shekhinah now a socially engaged secular Buddhist chose Houston as the place to partner with others and begin her project of saving a damaged planet and achieving justice for all human beings [Righteous Gentiles: Religion, Identity, and Myth in John Hagee's Christians United for Israel](#) Sean Durbin,2018-10-02 In Righteous Gentiles Religion Identity and Myth in John Hagee's Christians United for Israel Sean Durbin offers a critical analysis of America's largest Pro Israel organization Christians United for Israel along with its critics and collaborators Although many observers focus Christian Zionism's influence on American foreign policy or whether or not Christian Zionism is truly religious Righteous Gentiles takes a different approach Through his creative and critical analysis of Christian Zionists rhetoric and mythmaking strategies Durbin demonstrates how they represent their identities and political activities as authentically religious At the same time Durbin examines the role that Jews and the state of Israel have as

vehicles or empty signifiers through which Christian Zionist truth claims are represented as manifestly real
