New edition* Hugh MACNEILE (Dean of Ripon.), 1865 *Sermons on the Second Advent of the Lord Jesus Christ (Classic Reprint)* Hugh McNeile, 2015-07-06 Excerpt from Sermons on the Second Advent of the Lord Jesus Christ In committing these Sermons to the press again after the lapse of thirty years the Author is more and more confirmed in his convictions that the revealed truth of the Second Coming of Jesus Christ is the grand desideratum in the present conflicts of the true Church of God in this land Members and prominent members of our National Church have departed more and more from the simplicity of Christ as rescued from the traditions of men by our Reformers and expressed in the natural grammatical meaning of our Thirty nine Articles This departure has been on both sides and to extremes On the one side to the meretricious arts and contrivances and ornamentations of the strange woman who is content to remain without her absent Husband and on the other side to the philosophic pride which is willingly ignorant of what the lord Jesus is and did at His first coming and asks with scoffing scorn Where is the promise of His coming again About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that

**Parousia: The New Testament Doctrine of Our Lord's Second Coming** James Stuart Russell ,2013-12-13 James Stuart Russell published Parousia in 1878 arguing for the doctrine of the past second Advent and remains a great classic exposition of preterism

**The Second Advent of the Lord Jesus** John Ritchie,1917 **The Second Advent of the Lord Jesus Christ a Past Event** Robert Townley,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1845 edition Excerpt taught his disciples was for that kingdom in which they should sit on twelve thrones judging the twelve tribes of Israel The Baptist fulfilled his commission and then disappeared from the stage of God s dispensations His ministry was complete in itself There was no succession to that ministry and I trust we shall be able satisfactorily to prove indeed we have already proved that it is as reasonable for modern ministers to affirm that they are successors of John the Baptist as it is to speak and act in the character of successors of the Apostles which is a charge that fairly attaches to them from the highest Calvinist down to the lowest Arminian We have now considered at some length the ministry of John That ministry appears to me to require a much more minute investigation than the compass of this work will allow The records which are left concerning it in the Gospels are most pointed and peculiar It appears also that these records are of such character and complexion because John s ministry was the connecting link between the Law and the Gospel the Old Testament and the New or in other words between the natural man and the spiritual that is the covenant of works and the covenant of grace It has been proved that John s ministry was prophesied of in the Old Testament and that the ministry was fixed as regards time before the coming of the Lord It has been seen that John occupied the position which had been assigned to him that he rose a star in the firmament of the church at the season appointed of the Father So far then all is well a due order and arrangement is preserved of all the good things which the Lord had promised Israel should come to pass in the last days not one thing has failed
