Lord Whats Really Important:

What's Really Important Fred Shultz,2013-12-16 The focus of this book is multi faceted However each facet is centered focused on the question What s really important As you delve into this book please keep that question and the following on the back burner of your conscience 1 Why did God create me What does He want from me 2 Who am I here to please 3 Is this all there is 4 Is there life after death 5 If there is one real God why are there so many religions 6 Why are there so many church denominations and does it matter Lord, What's Really Important? Fritz Ridenour,1978 **Morning and Evening Meditations from the Word of God** Michael J. Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God Exploring the Mind of God Chaim Bentorah,Laura Bertone,2024-07-09 God s Thoughts Toward You Are Filled with Love Exploring the Mind of God reveals the thoughts and plans of our Creator Father as revealed in the deeper meanings of Hebrew words in Scripture with reflections on related Greek and Aramaic terms as well Hebrew teacher Chaim Bentorah highlights both Old and New Testament passages that reveal the loving nature of God as opposed to the vindictive nature that is commonly portrayed Chaim says The foremost thought that expresses the mind of God toward humanity is His love for us in Christ Jesus Each of the sixty devotional readings features a specific passage of Scripture followed by an investigation of key words in the original languages all pointing to the eternal purposes of our loving heavenly Father Use as an inspiring daily devotional that will draw you closer to the Lord a deeper word study into biblical Hebrew or both You don t even have to be familiar with a word of Hebrew to be greatly blessed by these insights Chaim opens up the biblical passages while ultimately pointing us to enter more fully into a loving relationship with our Lord **TouchPoints** Ronald A. Beers,Amy E. Mason,2008-10 This classic collection of Bible verses is arranged alphabetically by topic for quick and easy reference to help readers meet their spiritual needs *The Ripple Effect* Clay Waters,2012-09-10 No one sits down and plans on failing in life It happens though usually one decision at a time Neither do we drift toward success We move toward success and growth by intentionally making good decisions The Ripple Effect can help you identify the seven most important decisions of each day Like a pebble hitting the water creates a ripple effect each one of these daily decisions creates momentum in your life By improving the way you make decisions in these seven key areas you will improve your life You cant change your life for the better until you change the decisions you make each day As Silver Refined Kay Arthur,2011-07-19 What Can You Do When Life Doesn t Turn Out Like You Planned

God Didn't Do It; He Only Signed Off On It

Christiana I. Chineme, 2010-02 As humans, things happen to us sometimes that we cannot fully understand. We desire to explain them when from a human perspective there's no explanation that really exists. Our perplexion at things of that nature are not just about when they happen to us but also the things we witness in the world around us. They oftentimes shake the foundations of our faith in God to the core. But as much as not knowing hurts, at no time should our reaction be to accuse God for things we don't understand. Rather, we should know that God is not always the architect of all our problems and that He might not always save us from people that live to harm us or bless us the way we want because we take a stand with Him. His promise, however, is one thing, and that is that He'll work it all out for HIS OWN ENDS, even the wicked, for a day of disaster. Proverbs 16:4b: However, your pain occurred. God's declared intentions are that He'll use all of your problems any which way they present to work out His will for your life. The deaths of some of the people that went before us is proof that for reasons best known to Him, God at times chooses not to deliver people that take a stand with Him. And it's not because He hated such people but because of what He already planned to use the situation for.
