

# *The Lord's Prayer*

*Our Father, who art in heaven,  
Hallowed be thy Name. Thy kingdom come.  
Thy will be done, On earth as it is in heaven.  
Give us this day our daily bread.  
And forgive us our trespasses,  
As we forgive those who trespass against us.  
And lead us not into temptation,  
But deliver us from evil.  
For thine is the kingdom,  
and the power, and the glory,  
for ever and ever.*

*Amen.*

**The Reformation of Prayer among Sixteenth-Century Lutherans** Mary Jane Haemig, 2025-03-22 In sixteenth century Germany Martin Luther and his followers engaged in a thorough reform of beliefs and practices related to prayer a reform rooted in Luther s theological insights Rejecting medieval beliefs that saw prayer as a good work Luther and his followers saw prayer as a human response to God s command to pray and promise to hear It was a good work done freely not to earn salvation but rather to converse with God Luther and his followers taught prayer in many different ways They used catechisms and catechesis to teach the basics of Christian belief including the Lord s Prayer They emphasized understanding the petitions of prayer not just reciting words They encouraged the use of the psalms as prayers and produced literature designed to make the psalms accessible and understandable They published prayerbooks to instruct in prayer and offer prayers for a variety of vocations and situations Lutheran sermons taught prayer both on particular occasions and on many Sundays of the church year Worship taught prayer and provided models for prayer Literature for those suffering sickness death plague childbirth and war taught prayer as part of its effort to console Literature for theological students and manuals designed to help pastors in their ministries contained instruction in prayer highlighting the importance of prayer in the life and ministry of the pastor and helping them to teach prayer This book gives a comprehensive overview of the theological underpinnings for prayer as well as the strategies and literature used by Luther and his followers as they taught prayer to all people      On Earth as in Heaven David Clark, 2017-04-10 Convinced that we can no longer have direct unmediated access to the sense of Jesuss prayer but must account for the history of its effects David Clark seeks to trace the meaning of one of Christianitys most repeated and thus most effective texts through the early centuries of the faith Clark begins by arguing that the prayers original context was in a revival of Jewish prayer then sets it in the literary context of Gospels that he argues represented Jesus as recapitulating Israels testing in the wilderness in his own temptation He then traces the prayers meaning within the narratives of Matthew and Luke and in the Didache then examines the first full commentary on the prayer that of Tertullian in the third century CE Clark attends to the evolution of ideas and themes embodied in the prayer

and of the understanding of prayer itself across epic transitions from Judaism to the teaching of Jesus from Jesus to the Gospels and from the Gospels to earliest self consciously catholic Christianity This is an engaging narrative of the history behind and reception of the Lords Prayer it illustrates how a texts reception may help us explore and understand the multivalent meaning of the text itself
