Lorenzaccio Story

Patrick Miles

Lorenzaccio Story:

Stages in the Revolution Catherine Itzin, 2021-09-05 This book first published in 1980 is a comprehensive study of the radical theatre movement in Britain from 1968 to 1978 The essays are based on first hand interviews with each section being introduced with a summary of key events before detailing the artists under examination **The Lorenzaccio Story** Paul Thompson, 1978 Based on Alfred de Musset's play Lorenzaccio **Stage of Dreams : the Dramatic Art of Alfred de Musset (1828-1834)** Herbert S. Gochberg, 1907 **Exemplum** John D. Lyons, 2014-07-14 Examples crucial links between discourse and society's view of reality have until now been largely neglected in literary criticism In the first book length study of the rhetoric of example John Lyons situates this figure by comparing it with more frequently studied tropes such as metaphor and synecdoche discusses meanings of the terms example and exemplum and proposes a set of descriptive concepts for the study of example in early modern literature Tracing its paradoxical nature back to Aristotle's Rhetoric Lyons shows how exemplary rhetoric is caught between often competing aims of persuasive general statement and accurate representation In French and Italian texts of the sixteenth and seventeenth centuries this dual task was rendered still more challenging by a transition to new sources of examples as the age of discovery brought increased emphasis on observation The writers of this period were aware of a crisis in exemplary rhetoric a situation in which serious questions were raised about how authors and audience would find a common ground in interpreting representative instances Lyons's focus on the strategy of example leads to new readings of six major writers Machiavelli Marguerite de Navarre Montaigne Pascal Descartes and Marie de Lafayette Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Lorenzaccio Story**, 1977 **Inside the Royal Shakespeare Company** Colin Chambers, 2004-02-24 This is the inside story of the Royal Shakespeare Company a running historical critique of a major national institution and its location within British culture as related by a writer who is uniquely placed to tell the tale It describes what happened to a radical theatrical vision and explores British society's inability to sustain that vision Spanning four decades and four artistic directors Inside the Royal Shakespeare Company is a multi layered chronicle that traces the company's history offers investigation into its working methods its repertoire its people and its politics and considers what the future holds for this bastion of high culture now in crisis Inside the Royal Shakespeare Company is compelling reading for anyone who wishes to explore behind the scenes and consider the changing role of theatre in modern cultural life It offers a timely analysis of the fight for creative expression within any artistic or cultural organisation and a vital document of our times **Gender Matters** Mara R. Wade, 2013-12-05

Gender Matters opens the debate concerning violence in literature and the arts beyond a single national tradition and engages with multivalent aspects of both female and male gender constructs mapping them onto depictions of violence. By defining a tight thematic focus and yet offering a broad disciplinary scope for inquiry, the present volume brings together a wide range of scholarly papers investigating a cohesive topic: gendered violence from the perspectives of French, German, Italian, Spanish, English, and Japanese literature, history, musicology, art history, and cultural studies. It interrogates the intersection of gender and violence in the early modern period, cutting across national traditions, genres, media, and disciplines. By engaging several levels of discourse, the volume advances a holistic approach to understanding gendered violence in the early modern world. The convergence of discourses concerning literature, the arts, emerging print technologies, social and legal norms, and textual and visual practices leverages a more complex understanding of gender in this period. Through the unifying lens of gender and violence, the contributions to this volume comprehensively address a wide scope of diverse issues, approaches, and geographies from late medieval Japan to the European Enlightenment. While the majority of essays focus on early modern Europe, they are broadly contextualized and informed by integrated critical approaches pertaining to issues of violence and gender.

[The Complete Index to Literary Sources in Film](#) Alan Goble, 2011-09-08. No detailed description available for The Complete Index to Literary Sources in Film.

[The Limits of Performance in the French Romantic Theatre](#) Susan McCready, 2007. This volume analyzes major French plays of the 1830s, focusing on their theatricality and on the ways in which they expose the workings of the theater rather than conceal them. Through an examination of performance within these plays, the study posits that the stage is a privileged site of demonstration, a literal proving ground that lends a physical reality to abstract values announced in the text and shared or questioned by the audience. Negotiating between the literary study of drama and performance theory, this work breaks new ground in nineteenth-century theater scholarship while proposing a fresh direction in the study of text and performance. The Limits of Performance challenges conventional wisdom, offering a novel take on the *mal du siècle*, that thematic hardy perennial of French Romanticism and the nineteenth century in general. Combined with eminently readable and therefore compelling analysis of plays, a thought-provoking addition to work in the field.

Theatre Music and Sound at the RSC Millie Taylor, 2018-10-13 This book discusses an exciting laboratory that has been developing the practice of theatre music composition and sound design since 1961 the Royal Shakespeare Company Musical practices have evolved as composers and musical directors inherited from the past and innovated with new technology different interpretations of single plays in multiple iterations have provided a picture of developing styles genres working practices technologies and contexts actor musicianship has been practiced quietly and without fuss and the role of the sound designer has appeared and transformed the theatrical soundscape This book moves to musical theatre to evidence a continuum between its rich interdisciplinary textures and the musicodramatic world of Shakespeare's plays positioning the RSC as an innovative company that continually expands the creative and collaborative possibilities of the theatre

Complete Works of Henry James: Novels, Short Stories, Plays, Essays, Autobiography and Letters Henry James, 2024-01-05 The Complete Works of Henry James presents a monumental anthology of the esteemed author's literary output encompassing not only his novels but also short stories plays essays autobiography and letters Characterized by intricate prose and psychological depth James's works explore themes of consciousness social dynamics and cultural juxtaposition predominantly situated within the nuanced milieu of 19th and early 20th century Europe and America This compilation allows readers to traverse the breadth of his evolution as a writer revealing his unique narrative techniques and his meticulous attention to the subtleties of human experience Henry James an American expatriate who spent significant time in Europe was deeply influenced by the artistic and cultural movements of his time His works often reflect his own transatlantic identity grappling with the conflicts between American optimism and European sophistication James's rich intellectual life spent among contemporaries such as Edith Wharton and Joseph Conrad informed his distinctive style and keen psychological insights establishing him as a pivotal figure

in literary modernism For readers seeking an immersive and comprehensive understanding of literary artistry the Complete Works of Henry James is indispensable It expertly encapsulates the complexities of human relationships and societal frameworks making it an essential addition to any literary canon and a profound exploration of a writer whose influence continues to reverberate through modern literature

Chekhov on the British Stage Patrick Miles, 1993-05-06 This is the first book to consider the whole subject of Chekhov's impact on the British stage Recently Chekhov's plays have come to occupy a place in the British classical repertoire second only to Shakespeare The British American and Russian authors of these essays examine this phenomenon both historically and synchronically First they discuss why Chekhov's plays were so slow to find an audience in Britain what the early productions were really like and how Bernard Shaw Peggy Ashcroft the Moscow Art Theatre and politics influenced the British style of Chekhov They then address the often controversial issues of directing acting designing and translating Chekhov in Britain today The volume concludes with a selective chronology of British productions of Chekhov's plays and will be of interest to students and scholars of the theatre as well as theatre goers theatre practitioners and Russianists

Friendships in Constant Repair, 2010 Stephen Oliver was quite simply one of the most talented composers of his generation His premature death at 42 took from the musical world a prodigious talent and a generous patron of the arts This year 2010 marks what would have been Stephen's 60th birthday To commemorate his unique life his sister and brother Ruth and James Oliver have compiled this wonderful book which brings together the biography of his childhood and school days personal memories and photos Stephen's own writings and touchingly memories of Stephen from many luminaries in the musical theatrical and operatic world including actor Sir Simon Callow lyricist Sir Tim Rice and National Theatre artistic director Sir Nicholas Hytner Stephen himself will be best remembered as a prolific composer of some fifty operas from mini operas to major works for professional opera companies at home and abroad He wrote substantial incidental music for the Royal Shakespeare Company including the epic *Nicholas Nickleby* and the BBC including *Lord of the Rings* a musical *Blondel* with Tim Rice together with a large portfolio of choral items His list of works records over four hundred compositions all created in just forty two years of life making him one of the most important British composers of the age Stephen also wrote and presented the BBC2 series *Understanding Opera* and was a regular contributor on Radio 4's *Stop the Week* His talks and lectures on music and literature were legendary This important new book offers anyone with an interest in the arts an overview of one of our most talented and sadly missed composers as well as rewarding readers with an insight into the British Arts scene from the 1960s to the 1990s
