Goodnight Lorna Jean Kim Johnson, 2011-01-05 What would you do if you had your world turned upside down How would you react to devastating news How could you keep going year after year trying to be normal Until you have actually been through the situation I defy anyone to actually know the truth How could you possibly prepare yourself for the impact that your wife has been diagnosed with cancer How would you react to setback after setback They say that forearmed is forewarned The book goes through the process from feeling ill to being diagnosed to the regular medical check ups to the setbacks to the final ultimate chapter It also reveals the emotions that are felt afterwards How do you survive the loss of a loved one How do you restructure your life after such a cruel fate After twenty five years of marriage you tend to get into certain routines what happens when the routines are demolished and you find yourself hopelessly alone The author was with his wife for over thirty years He was at her side from the very beginning to the bitter end He shares with the reader his deepest thoughts and emotions He does not pull back from any aspect of the journey which is sometimes very raw to read He tells the tale as it was from his point of view It is this aspect that makes the book quite unique as it is told from the male primary caregiver s point of view He delves into his emotions after the dreadful event and describes how he tries to rescue his life from the edge of oblivion If it is true that one person in three will be affected by cancer then one person in three should read this book It is not always an easy read as it deals with the ultimate sadness but it could help those who are going on a similar journey

Lorna Doone: The Wild And Wanton Edition Volume 3 M.J. Porteus, R D Blackmore, 2014-01-20 On the border of the English counties of Devon and Somerset John Ridd's father is a yeoman farmer murdered in cold blood by a member of the notorious Doone family John is besotted with Lorna the granddaughter of the head of the Doone clan who is to be forced to marry the evil Carver Doone John helps Lorna escape but circumstances lead to the discovery that she is not a Doone after all and the newfound heiress moves But the Monmouth Rebellion finds John wrongly accused of treason and he has to clear his name in London where he finds Lorna once more and where their love is rekindled He is granted a royal pardon and later Lorna is allowed to join him at his Exmoor farm Just as they are married in Oare church Carver Doone shoots Lorna at the altar and John believing her dead pursues and kills him But is his love really dead Although Lorna Doone is perceived as a romance it is set in the 1600s when writings about sexual life at the court and personal diaries such as those of Pepys could be incredibly graphic even by today's standards They were especially scandalous in the prudish Victorian times of the author Had Blackmore written it in the seventeenth century or in modern

times he probably would have done so similarly to this updated version and built on the existing innuendo Sensuality Level Spicy

Yūgen LL Wright,2025-05-27 During the Star Festival Lorna makes a wish and this wish is to find her one true love

This story is a mix of Japanese mythology and meddling gods. The book starts with Lorna's confused and manic state in her hotel room. As the story unfolds, we learn parts of her horrible traumatic and supernatural event that happened to her in Japan. She tries to figure out why she is having flashes of memories of places she had never visited before. With danger at every turn in an unknown land, a magical sword transports her back in time to the Edo period. A handsome silver-haired shapeshifter finds her. Being a modern woman in a country that does not allow foreigners, Lorna has to navigate her heart and try to get back to her time while battling evil foes. One really likes to face their inner demons and see the parts of oneself that one hates. This is Lorna in yugen version instead of Alice in Wonderland. But it was real, and the beings that are out there are dangerous nightmares brought to life. Going back to the present and what Lorna will learn is a game changer. The sword that transcends time has the power to freeze anyone in their tracks. Join this adventure and will love save all. This is a more realistic story with twists and a girl who will change her mind for her own happiness.
