Los Puertorriquenos Que Regresaron Un Analysis De Su Participacion Laboral:

Los Puertorriquenos Que Regresaron Luz M. Torruellas, Jose L. Vazquez, 1984-08 *Historical Perspectives on Puerto Rican Survival in the U.S.* Clara E. Rodriguez, 1996 The book continues to resonate with readers in part because it mirrors the experiences of other groups both past and more recent immigrant groups and in part because when the authors wrote their essays they spoke honestly about issues they cared about but others tended to ignore As the editors new introductions to each article indicate the anthology has also served as a spring from which other works have developed

Latinos in a Changing Society Edwin Meléndez, Martha Montero-Sieburth, 2007-02-28 Given the importance of Latino issues in the current social and economic times the publication of *Latinos in a Changing Society* is both timely and prescient in its contributions to the current discourse of how Latinos are being influenced by U S norms and culture and how Latinos are also affecting U S society This volume contributes to our need for comprehensive analysis of how Latin communities compare and contrast with other underserved groups It also examines how changes are taking place within specific Latino groups particularly between first and second generation Cubans returning Puerto Ricans Dominican poverty and emergent Mexican leaders in the New England area The opportunities that Latinos and dominant mainstream interests share are identified in this volume but so are the many areas in need of change In this current atmosphere of anger and suspicion toward immigrants this volume presents an analytical perspective that is too often absent from politically motivated debates about Latinos and their role in a changing society Undocumented immigrants are often portrayed as people who come to this country to take advantage of a generous welfare system contributing little to the economic and social development of the country This volume critically examines issues such as the Latino commitment to labor participation the ways that Latino parents engage in schools and in their communities health access and social programs the policing concerns within the Latino community the academic adjustments made by Latino college students as well as the educational opportunities that exist for Latinos across the country Unlike publications that seek to summarize knowledge about the Latino population in the United States *Latinos in a Changing Society* provides a broader range of insights into the types of policy analysis research and public consciousness needed to advance the educational social cultural and political participation and incorporation of Latinos in the new century This volume critically examines such issues as the disparity in poverty among Latino groups the lack of access to health services the Latino commitment to labor participation the ways that Latino parents engage in schools and in their communities and the educational dropout rates of Latinos across the country and the underlying causes of those rates Unlike publications that seek to summarize knowledge about the Latino population in the United States *Latinos in a Changing Society* provides a broader range of insights into the types of policy analysis research and public consciousness needed to advance the educational social cultural and political participation and incorporation of Latinos in the new century

The Near Northwest Side Story Gina Perez, 2004-10-04 In *The Near Northwest Side Story* Gina M P rez offers an

intimate and unvarnished portrait of Puerto Rican life in Chicago and San Sebastian Puerto Rico two places connected by a long history of circulating people ideas goods and information P rez s masterful blend of history and ethnography explores the multiple and gendered reasons for migration why people maintain transnational connections with distant communities and how poor and working class Puerto Ricans work to build meaningful communities P rez traces the changing ways that Puerto Ricans have experienced poverty displacement and discrimination and illustrates how they imagine and build extended families and dense social networks that link San Sebastian to barrios in Chicago She includes an incisive analysis of the role of the state in shaping migration through such projects as the Chardon Plan Operation Bootstrap and the Chicago Experiment The Near Northwest Side Story provides a unique window on the many strategies people use to resist the negative consequences of globalization economic development and gentrification Los Que Se Van, Los Que Regresan Edwin Meléndez,1993 La mujer negra en la literatura puertorriqueña María Esther Ramos Rosado,Marie Ramos Rosado,1999 Important critical study on the presence of black women in Puerto Rican letters Focuses on the short fiction writings of several Puerto Rican authors of the 1960s 70s who tried to capture the experiences of Afro Puerto Ricans in their narratives including Luis Rafael Sánchez Rosario Ferr Carmelo Rodríguez Torres Ana Lydia Vega and Carmen Lugo Filippi Handbook of Latin American Studies v 58 **The Experience of Return Migration** Robert B. Potter,Dennis Conway,Joan Phillips,2005 This book brings together a range of in depth case studies focusing on topics such as the socio cultural adjustments that are faced by the transnational migrants the degree to which they are othered and the gendered character of their experiences on return Young returning nationals are a particular focus and the book looks at the economic and social roles these return migrants fulfil The book also develops theoretical constructs concerning how the transnational networks of these returnees help perpetuate mobility and further the formation of extended multi local networks linking the returnees with their European North American and intra Caribbean kin and families Book Jacket *Centro de Estudios Puertorriqueños* ,1995 **Los puertorriqueños en Nueva York** Mary G. Powers,John J. Macisco,1982 *Revista interamericana [interamerican] review* ,1982 **Bibliographic Guide to Latin American Studies** ,1979 **Hispanic Elderly in Transition** Steven Applewhite,1988-10-17 An outstanding examination of the cross cultural aspects in social work practice and service dealing with Hispanic elderly in particular Puerto Ricans Cubans and Mexicans It provides a historical as well as a sociodemographic overview of the Hispanic aged and addresses economic cultural and health issues affecting their quality of life This is certainly a notable and comprehensive study of service utilization variations in aging politics and public policy and foremost a collection of research writings of ethnography of Hispanic aging patterns and variabilities Most highly recommended for public and academic libraries and for class use LA Red The Net A notable contribution to the literature dealing with ethnic variations in aging this volume of interrelated original essays looks at how Hispanic elderly living in the United States are adapting to the present maintaining links to the past and determining the roles they may have

in shaping the future Addressing economic social cultural and health issues that affect the quality of life of older Mexicans Puerto Ricans Cubans and other Hispanics the book offers both comprehensive analyses of selected topics and descriptive case studies of community life together with theoretical paradigms and practice models in the field of minority aging **A**
