The Lost Mary James D. Tabor, 2025-09-30 A world renowned historian of early Christianity and ancient Judaism lifts the veil on the life of Mary revealing her revolutionary role

as the matriarch of the Jesus movement Tabor restores her voice her faith her motherhood and most of all her humanity in this groundbreaking portrait that challenges everything we thought we knew about the origins of Christianity Reza Aslan author of *Zealot* Mary mother of Jesus is the best known and least known woman in history Revered and worshipped by millions she remains a figment of the imagination the ethereal subject of Raphaels and Botticellis bathed in heavenly light too virginal and pure to move among us But what about the real Mary The young Jewish woman and single mother of eight five boys and three girls The defiant citizen of Roman occupied Galilee who survived through one of the most dangerous periods of Jewish history an ancient game of thrones that claimed the lives of three of her sons Jesus and Simon by crucifixion James by stoning The historical Mary whose teachings and courageous example may in fact make her the first founder of what we now call Christianity This Mary has not only been lost to us she has been systematically erased over the past two millennia by a theological cultural and political program intent on removing her from the human realm and marginalizing her womanhood motherhood and Jewishness In *The Lost Mary* James D Tabor corrects the record laying out the results of his intensive textual and archaeological sleuthing over the past three decades including new evidence regarding Mary's genealogy which may be hiding in plain sight in the New Testament Tabor's quest for the historical Mary offers a transformative perspective on Jesus and his early followers and recovers the nature and essence of earliest Christianity

[Your Eucharistic Identity](#) Gregory Pine, 2025-07-18 The Eucharist is no mere symbol It is the key to life More specifically it is the key to your very identity When we look carefully at the Blessed Sacrament under the signs of bread and wine we discover that we were made not simply to receive God to be nourished by his gifts or to draw close to him In fact we were made to become Him In *Your Eucharistic Identity* Father Gregory Pine shows that Christ through the Sacrament divinizes us in our whole being But the Eucharist is not magic We have to receive the gift of his Eucharistic presence and preparing for such a great banquet requires time work and attention To become like Christ we must be ready to be given to others in a free radical gift of love Father Pine's sacramental guide to the fullness of life at once thought provoking and practical ancient and new offers Christians a simple clear guide for their path
