**The Art & Craft of Writing Christian Fiction** Jeff Gerke, 2012-06-01 Let's face it Christian fiction is fun Even if you're writing a serious minded study of man's inhumanity to man there is something exhilarating about story about creating people and worlds and events about telling a tale that keeps readers enraptured and maybe just maybe leaves them fortified in their walk with Jesus But for all of the fun it's also hard work There is skill involved in writing excellent Christian fiction There is craftsmanship to be learned And there are the long hours pounding away on a manuscript that by the time you're done with it has you convinced it's the worst piece of garbage ever penned by man That's not even talking about trying to get your book published It's a wonder anyone would choose such a way to spend otherwise useful time So maybe you put your novel away for awhile You've tried to do more sensible things with your spare moments You've attempted to be engaged with workaday matters laundry and bills But one day a new story idea will pop into your head or you won't be able to stop hearing the voice of a character demanding to be written about On that day you'll be right back where you were counting the cost of writing Christian fiction and loving it like nothing else

*Three Perspectives: Jewish, Christian, and Muslim* Steven H. Propp, 2009-12-30. You're Jewish, aren't you? This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein, who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days. Raised by secular Jewish parents, Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage. The two young men vigorously argue with each other over the interpretation of the Hebrew Bible, particularly its reputed predictions of a Messiah. Christian doctrines such as the Trinity and most significantly, about the identity and significance of Jesus of Nazareth. The rigorous process of self-examination this initiates leads Richard to embrace his Jewish identity, even as he vehemently denies the same for Dov. The two ultimately become fast friends, but as they progress from an academic environment to the professional world, they are challenged by racist statements made by prominent national figures, anti-Semitic doctrines such as Christian Identity, which teaches that white Anglo-Saxons are the true Israel, and also purported scholars who deny the reality of the Holocaust itself. Circumstances in life connect them with a young Iranian migrant named Jahangir Khatami, whose Muslim beliefs conflict strongly with their own. Yet when a violent incident brings the three of them together, they are forced to reexamine not just their differences but their

similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world **Rapture, Revelation, and the End Times** Bruce David Forbes, Jeanne Halgren Kilde, 2004-06-12 An objective look at the Left Behind series the significance of the Biblical references in the books and what they can tell us about apocalyptic Christian fiction in general [The Bible in the Public Square](#) Mark A.
