Our Story of Atlantis William P. Phelon, 1903 *The Ancient Alien Question, 10th Anniversary Edition* Philip Coppens, 2021-03-01 an important and outstanding contribution Erich von D niken bestselling author of Chariots of the Gods The Ancient Alien Question provides a captivating adventure around the world and sheds an interesting perspective on the Ancient Astronaut Theory Giorgio A Tsoukalos producer of Ancient Aliens The Series Philip Coppens covers all the bases on this controversial topic His research is thorough and he addresses each topic with a balanced overview that cuts through the jungle of confusion with a very sharp machete of reason David Hatcher Childress author of Technology of the Gods The Ancient Alien Question reveals an array of astonishing truths including A radically different understanding of the pyramids and how they were constructed The extraordinary stories behind monuments such as the Nazca lines and Puma Punku How extraterrestrials came to our planet and the evidence that supports this Analyzing the historical and archaeological evidence Philip Coppens demonstrates that there is substantial proof that our ancestors were far more technologically advanced than currently accepted and that certain cultures interacted with nonhuman intelligences Our ancestors were clearly not alone Fifty years after Erich von D niken posed these questions in Chariots of the Gods Coppens provides clear concise answers to the great historical enigmas in an accessible readable format Your view of human history will never be the same again

Our story of Atlantis : written down for the Hermetic Brotherhood William P. Phelon, 2022-12-02 Why is this book written Authorities pointing to the existence of a former Continent and City Definite assertions of destruction by deluge of an island Continent positively declared Testimony of the whirling straws the flotsam and jetsam of the day Concurrent evidence of the existence and influence of these people on our civilization Poem Atlantian Memories Continued cross examination of witnesses human and divine concerning the facts in evidence of the existence of Atlantis Island and City Description of mountains cities caves and other evidences of occupation by civilized and enlightened people Speculations and deductions of the Past Present and Future Beginning of a voyage The attractive stranger Acquaintance ripens rapidly Such a face as children love and scoundrels hate An eloquent and instructive talker Atlantian memories seem to the new friend personal experiences The wonderful cities of the Past that have disappeared The little black lettered manuscript in a strange language History of Atlantis Your desire for information on these lines will be gratified *Pivot Cities in the Rise and Fall of Civilizations* Ahmet Davutoğlu, 2021-09-30 Based on the author s long experience in academic life and the public realm especially in foreign policy this book argues that a single categoric classification of cities is inadequate and that cities have had different and varied impacts and positions throughout the history of civilization The author examines how the formation transformation destruction or reestablishment of many civilizational cities reveals a clearer picture of the cornerstones of the course of human history These cities which play a decisive and pivotal role in the direction of the flow of history as well as providing us with a compass to guide our efforts to understand and interpret this flow are conceptualized by the author as

civilizations pivot cities This innovative book explores the role of great cities in political historical change presenting an alternative view of these pivot cities from a culturalist perspective Within this framework the role played by pivot cities in the history of civilization may be considered under seven distinct headings pioneering cities which founded civilizations cities which were founded by civilizations cities which were transplanted during the formation of civilizations ghost cities which lost their importance through shifts in political power and civilizational transformation lost cities which were destroyed by civilizations cities on lines of geocultural geoeconomic interaction and cities which combine transform or are transformed by different civilizations The author s concept of pivot cities explores the interplay between vital cities and civilizations which bears on the future of globalization at a time of instability as projected continuing de Westernization becomes a theme in studies of global history This book provides highly productive discussions relevant to the literature on city civilization relationships and the historicity of pivot cities Its clear language rich content deep and original perspective interdisciplinary approach and rich bibliography will ensure that it appeals to students and scholars in a variety of disciplines including cultural studies political science comparative urban studies anthropology history and civilizational studies **The Utah**

Celestial Mesa: 2012 Sharon S. Delaney, 2011-12-06 So for centuries your people have worked as farmers and hunters knowing the future would roll down to the end days prophecied by the Mayan culture like a run away freight train Sue asked Yes it is true Frank replied We didnt have much choice we had to keep body and soul together until the end days We rocked along for centuries working in the fields and hunting We domesticated fowl eating their meat and eggs We were all small communities and lived in simple dwellings that were relatively easy to repair If we suffered natural disasters like earthquakes and tornadoes that destroyed our homes we cleared away the rubble and started over Then we came up on the twentieth century and everything got different We went through a surge of creating new inventions We learned to fly and made electricity toilets that flushed fancy cell phones and the internet Suddenly there wasnt anything happening on the planet we didnt know about Weve become complacent now and a hundred years after the inventions came our fancy inventions are beginning to crumble We got so we depended on the economy The monetary system took over Men became greedy and pulled and tugged at the proceeds from Wall Street until it all began to unravel They created bigger and better weapons not where you had your enemy in your sights but you could take out whole cities at a time The Hopi tell in their prophecies of villages in metal and glass canyons where a man could walk all day and never see the horizon One day someone would push a button and where a city had been there would just be steam The people would have no choice but to just walk away if they survived We are getting to be like the Olmecs and Mayans and Aztecs who couldnt feed their people because their population and their cities got too big and they had to abandon them Its not impossible New York could become an abandoned city It could happen They could just walk away In the twentieth century for the first time

skirmishes became world wars The young men left the land their forefathers defended and went to lose their blood and their lives defending someone else's land One day soon we will lose all our fancy toys to the end of the age of electricity and technology and succumb to sunspots that will devastate communications Our forefathers never knew sunspots existed
