Ancient Maya Arthur

Demarest,2004-12-09 In this new archaeological study Arthur Demarest brings the lost pre Columbian civilization of the Maya to life In applying a holistic perspective to the most recent evidence from archaeology paleoecology and epigraphy this theoretical interpretation emphasises both the brilliant rain forest adaptations of the ancient Maya and the Native American spirituality that permeated all aspects of their daily life Demarest draws on his own discoveries and the findings of colleagues to reconstruct the complex lifeways and volatile political history of the Classic Maya states of the first to eighth centuries He provides a new explanation of the long standing mystery of the ninth century abandonment of most of the great rain forest cities Finally he draws lessons from the history of the Classic Maya cities for contemporary society and for the ongoing

struggles and resurgence of the modern Maya peoples who are now re emerging from six centuries of oppression

The Enchanted Quest of Dana and Ginger Lamb Huffman Klinkowitz, Julie, Jerome Klinkowitz, 2009-10-20 Bestselling authors sensational lecturers documentary filmmakers amateur archaeologists spies for FDR Dana and Ginger Lamb led the life of Indiana Jones long before the movie icon was ever scripted We blaze the trail Ginger said and the scientists follow The Enchanted Quest of Dana and Ginger Lamb is the first biography of this captivating entrepreneurial couple In southern California they started married life in 1933 by building a canoe With only 4 10 in their pockets they paddled to Central America and through the Panama Canal Three years later they returned triumphant bearing a photographic record of the amazing trek that made them famous After releasing their bestselling book Enchanted Vagabonds the two became exactly that They relentlessly lectured for the public and mooned for the media until they were able to fund more exotic voyages to remote jungles and rivers So convincing were they on the circuit that their most powerful fan President Franklin Roosevelt coerced J Edgar Hoover into hiring the Lambs as spies in Mexico After World War II they launched their Quest for the Lost City which yielded another book and documentary Drawing on historical records the Lambs books and letters and recently declassified espionage documents biographers Julie Huffman Klinkowitz and Jerome Klinkowitz show how the Lambs succeeded in marketing their conquests and films to armchair explorers around the world and how they became in popular imagination the quintessential American adventurers

[REFLECTIONS OF A "B"- MOVIE JUNKIE](#) Jim Driscoll, 2008-12-30 Reflections Of A B Movie Junkie is a tribute to the old B Movies of the Saturday Matinees of yesteryear Actually it is more of a homage to them or at least 6 genres of those film types that were so prevalent back in primarily the 40's and 50's Their research and discussion however in some instances dates all the way back to the beginning of the talkies of motion picture content and can

extend in the other direction into the early 70s These 6 genres include the popular B Western The Comedy Teams The Jungle Adventures Sci Fi Fantasy Horror and the Serial or Chapter Plays so popular with the week end Matinee crowds back then These film types filled up our Saturday afternoons and evenings with exciting adventure curious wonder spine tingling horror and non stop action Often filmed on a shoe string budget and in a limited time frame many of these classics came to be looked upon by many fans as being so truly bad that they were good in a bad sort of way They are thus categorized reviewed and discussed for the most part in a lovingly personal style especially when compared to the film types we are subjected to in today s market They had their place in film history and that time is long since gone But for some of us they have never been equaled which for others may indeed be a good thing

Matinee Melodrama Scott Higgins, 2016-02-26 Long before Batman Flash Gordon or the Lone Ranger were the stars of their own TV shows they had dedicated audiences watching their adventures each week The difference was that this action took place on the big screen in short adventure serials whose exciting cliffhangers compelled the young audience to return to the theater every seven days *Matinee Melodrama* is the first book about the adventure serial as a distinct artform one that uniquely encouraged audience participation and imaginative play Media scholar Scott Higgins proposes that the serial s incoherent plotting and reliance on formula far from being faults should be understood as some of its most appealing attributes helping to spawn an active fan culture Further he suggests these serials laid the groundwork not only for modern day cinematic blockbusters like Star Wars and Raiders of the Lost Ark but also for all kinds of interactive media that combine spectacle storytelling and play As it identifies key elements of the serial form from stock characters to cliffhangers *Matinee Melodrama* delves deeply into questions about the nature of suspense the aesthetics of action and the potentials of formulaic narrative Yet it also provides readers with a loving look at everything from Zorro s Fighting Legion to Daredevils of the Red Circle conveying exactly why these films continue to thrill and enthrall their fans

Serial Film Stars Buck Rainey, 2024-10-18 Pearl White William Duncan William Desmond Ben Wilson Walter Miller Francis Ford Charles Hutchinson Jack Dougherty and Eddie Polo are just a few of the stars to start up a whirlwind of enthusiasm among serial devotees They offered a thrill a minute world of ridiculous plots weird disguises hair raising escapes hidden treasures diabolic scientific devices wild animals depraved men runaway trains and an endless procession of knock down drag out fights Who could resist This reference work highlights 446 serial performers who thrilled generations Each entry includes the performer s birth and death dates serial credits major films and details of life before and after the movies
