Lost King The:

The Lost King Philippa Langley, Michael Jones, 2013-10-22 The official inside story of the discovery of the bones of Richard III now a major motion picture starring Sally Hawkins and Steve Coogan The mystery of who Richard III really was has fascinated historians readers and audiences familiar with Shakespeare s dastardly portrait of a hunchbacked monster of royalty for centuries In 2012 the remains of a man with a curving spine who possibly was killed in battle were discovered underneath the paving of a parking lot in Leicester England Phillipa Langley head of The Richard III Society spurred on by the work of the historian Michael Jones led the team of who uncovered the remains certain that she had found the bones of the monarch When DNA verification later confirmed that the skeleton was indeed that of King Richard III the discovery ranks among the great stories of passionate intuition and perseverance against the odds The news of the discovery of Richard s remains has been widely reported by the British as well as worldwide and was front page news for both the New York Times and The Washington Post Many believe that now with King Richard III s skeleton in hand historians will finally begin to understand what happened to him following the Battle of Bosworth Field twenty miles or so from Leicester and ultimately to know whether he was the hateful unscrupulous monarch of Shakespeare s drama or a much more benevolent king interested in the common man Written in alternating chapters with Richard s 15th century life told by historian Michael Jones author of the critically acclaimed *Bosworth 1485* contrasting with the 21st century eyewitness account of the search and discovery of the body by Philippa Langley *The Lost King* will be both an extraordinary portrait of the last Plantagenet monarch and the inspiring story of the archaeological dig that finally brings the real King Richard III into the light of day

The Lost King of England Gabriel Ronay, 1989-12-07 In 1016 two English princes rightful heirs to the throne were banished to the continent This book chronicles the lost years in eastern Europe of one of the princes Edward his eventual return to England and his death

The Lost King Brian K. Gaunt, 2013-09-27 Princess Juliennes heart was torn asunder for him that was her True Love had disappeared The Kingdom was being torn apart and only with their marriage would the land be made whole The Princess was in such grief and sorrow that she did what she should not have She made a deal with him that was called the Legendary One for all knew his demands were not always what one truly wanted She did indeed however make a Pact with him He brought her True Love away from the one who did capture him He did not return her love to her Rather he made her wait until the time when the future King would once again be needed Do to their love which transcended time itself did the Legendary One make her not change but she was instead made to forget who he was to protect him He who was saved due to the Legendary One made him Lost to all even unto himself for eons they were lost to each other The Legendary One had made her unchanged throughout the eons He made her think he was not there He who was now called the Lost King however was there unknown to himself and all others He was there throughout the eons there protecting her

The Lost Kings Amy Licence, 2017-08-01 The century spanning the wars of the roses and the reigns of the Tudor kings was a volatile time of

battle and bloodshed execution and unexpected illness Life could be nasty brutish and short Some met their end in battle others were dragged to the block losing everything for daring to aspire to the throne Some were lost in mysterious circumstances like Edward V the elder of the Princes in the Tower But the majority of these young men died in their teens on the brink of manhood They represent the lost paths of history the fascinating what ifs of the houses of York and Tudor They also diverted the route of dynastic inheritance with all the complicated implications that could bring passing power into some unlikely hands This book examines ten such figures in detail using their lives to build a narrative of this savage century

The Lost King Margaret Weis,2011-08-03 A galactic revolution has toppled the Starfire dynasty and swept into power the harsh Democratic Republic To support the murdered king is now punishable by death But on distant worlds the few surviving Guardians carry a dangerous secret Somewhere in the galaxy they shield the rightful heir to the throne Stalking the hidden king is the Warlord a ruthless Republican general who wields the bloodsword Only a few brave rebels dare to oppose him young Dion who fights to find his destiny the mercenary Tusk the outlaw commander Dixter and the beautiful Lady Maigrey the only person alive who can match the Warlord s cunning Theirs is the ultimate battle against a star spanning corruption the ultimate sacrifice for the glory of the lost king s throne

The Lost King Raphael Sabatini,2014-11-30 *The Lost King* tells the story of Louis XVII the French royal who allegedly died at the age of ten but as legend has it escaped to foreign lands where he lived to an old age Sabatini breathes life into these age old myths creating a story of passion revenge and betrayal

The Lost King Rafael Sabatini,2022-07-21 In *The Lost King* Rafael Sabatini weaves a compelling tale of political intrigue adventure and the quest for identity set in a tumultuous European backdrop This historical novel centers on the usurped King of a fictional Mediterranean kingdom who embarks on a journey to reclaim his throne Sabatini s characteristic flair for dialogue and vivid characterizations is evident as he crafts a rich tapestry of historical detail reminiscent of the Renaissance era s tumultuous politics His prose moves fluidly between action and introspection embodying both the romanticism and realism prevalent in early 20th century literature Sabatini an Italian born British author renowned for his swashbuckling historical fiction often drew inspiration from his diverse cultural heritage and experiences His fascination with tales of lost heirs and royal ambitions likely stems from both his own family history and a broader understanding of European monarchies Sabatini s works frequently reflect his keen insight into the complexities of human nature and the moral ambiguities encountered in the pursuit of power *The Lost King* is highly recommended for readers who relish intricate plotlines and well drawn characters in a historical setting Sabatini s storytelling prowess will captivate both history enthusiasts and fans of adventure fiction alike making this novel an essential addition to any literary collection

departure to his fateful yet peculiar return **Digging for Richard III: The Search for the Lost King (Revised and Expanded)** Mike Pitts, 2015-09-08 As gripping as any detective fiction Proof that one doesn't need to be fascinated with Richard III to be enthralled by the story of his body's discovery Publisher's Weekly In August 2012 a search began and on February 4 2013 a team from Leicester University delivered its verdict to a mesmerized press room and to the world they had found the remains of Richard III whose legacy was perhaps the most contested of all British monarchs Prior to this major discovery there had been little new information about Richard III for some time With no new evidence to fuel it the debate over what kind of man he might have been seemed to have stalled Thus the story of the discovery of Richard III is a story of the value of archaeology careful analysis of physical evidence backed up by the latest science and technology and how it can change our understanding of history Firsthand accounts from the team that found the king along with photographs from the author's own archives and an expanded epilogue incorporating new DNA evidence augment this compelling detective story as the evidence is uncovered **Digory and the Lost King** Angela McAllister, 2007-05-29 After having inadvertently acquired the reputation of being a brave young knight Digory now also a prince living in the castle goes in search of the missing King Widget and finds his life complicated even further when he is mistaken for a wizard Simultaneous **The Lost Kings** Bruno Hare, 2010-11-16 London 1893 Mild mannered watchmaker Cyril King harbours a secret wish to be an explorer When he acquires a mysterious timepiece from a notorious criminal Cyril gets his heart's desire the clues he finds propelling him halfway around the world on the trail of a fabulous treasure On the borders of India and Afghanistan Cyril meets a real life adventurer who seems to be everything he aspires to But high in the Karakoram mountains there are lessons to be learned as nothing is quite what Cyril expects neither the treasure nor his companion nor the life of discovery and excitement which he imagined and certainly not the deadly peril into which he stumbles with all the insouciance of the innocent abroad Meanwhile intercut with Cyril's account of his 1893 adventures are the letters of famous explorer Sir Paul Linley Small written to Cyril from various points of the compass fifteen years later as Small pursues a rare perhaps mythical creature And as Small's tale grows ever more fantastic the way in which the two narratives link with one another reflects on the nature of truth and the lives which we envisage for ourselves **The Lost Kings** Tyrell Johnson, 2023-06-27 A NEW YORK TIMES BEST CRIME NOVEL OF THE YEAR The plot folds into a brilliant twist The New York Times A novel in disguise You could easily and happily mistake it for a stellar psychological thriller bristling with surprises and packed with secrets but listen closely and you'll hear the beat of a dark full heart strong and loud This is deeply moving fiction A J Finn 1 New York Times bestselling author of *The Woman in the Window* Twins Jeanie and Jamie King are inseparable Stuck in a cabin in rural Washington with their alcoholic father they cling to one another for safety and companionship Until one night when their father comes home covered in blood The next day he is gone and so is Jamie Jeanie's whole world is turned upside down Not only has she lost her beloved brother but with no family left in Washington she is ripped from everything she knows including

Maddox the boy she could be learning to love Twenty years later Jeanie is in England She keeps her demons at bay by drinking too much sleeping with a married man and speaking to a therapist she doesn't respect But her old life catches up to her when Maddox reappears claiming to have tracked down her dad Stunned Jeanie must decide whether to continue running from her past or to confront her father and finally find out what really happened that night where her brother is and why she was the one left behind At once a propulsive heart pounding mystery and an affecting exploration of love and the familial ties that bind us The Lost King of France Deborah Cadbury, 2003-04-01 Cadbury lays out in fascinating detail the historical mystery of the royal heir and uses modern science to try to solve it The Wall Street Journal In 1793 when Marie Antoinette was beheaded at the guillotine during the French Revolution she left her adored eight year old son Louis Charles imprisoned in the Temple Tower Far from inheriting a throne the orphaned boy king had to endure the hostility and abuse of a nation Two years later the revolutionary leaders declared Louis XVII dead No grave was dug no monument built to mark his passing Immediately rumors spread that the prince had in fact escaped from prison and was still alive Others believed that he had been murdered his heart cut out and preserved as a relic As with the tragedies of England's princes in the Tower and the Romanov archduchess Anastasia countless brothers soon approached Louis Charles's older sister Marie Therese who survived the revolution They claimed not only the dauphin's name but also his inheritance Several princes were plausible but which if any was the real heir to the French throne The Lost King of France is a moving and dramatic tale that interweaves a pivotal moment in France's history with a compelling detective story that involves pretenders to the crown royalist plots and palace intrigue bizarre legal battles and modern science The quest for the truth continued into the twenty first century when thanks to DNA testing the strange odyssey of a stolen heart found within the royal tombs brought an exciting conclusion to the two hundred year old mystery of the lost king of France A winning and highly readable account of the French Revolution Publishers Weekly

Prester John: Africa's Lost King Richard Denham, He sits on his jewelled throne on the Horn of Africa in the maps of the sixteenth century He can see his whole empire reflected in a mirror outside his palace He carries three crosses into battle and each cross is guarded by one hundred thousand men He was with St Thomas in the third century when he set up a Christian church in India He came like a thunderbolt out of the far East eight centuries later to rescue the crusaders clinging on to Jerusalem And he was still there when Portuguese explorers went looking for him in the fifteenth century He went by different names The priest who was also a king was Ong Khan he was Genghis Khan he was Lebna Dengel Above all he was a Christian king who ruled a vast empire full of magical wonders men with faces in their chests men with huge backward facing feet rivers and seas made of sand His lands lay next to the earthly Paradise which had once been the Garden of Eden He wrote letters to popes and princes He promised salvation and hope to generations But it was noticeable that as men looked outward exploring more of the natural world as science replaced superstition and the age of miracles faded Prester John was always elsewhere He was

beyond the Mountains of the Moon at the edge of the earth near the mouth of Hell Was he real Did he ever exist This book will take you on a journey of a lifetime to worlds that might have been but never were It will take you if you are brave enough into the world of Prester John The Lost King Leilani Love,2018-11-23 **The Lost King of England** R.J.

Batchelor,2021-08-10 Living his life oblivious to his heritage an unknown prince and the rightful heir to the throne of England finds the truth about his birthright in a most unexpected way His new love interest discovers his link to the royal family with physical proof that starts him on a journey of self discovery and deception revealing the extent the shadow group surrounding the monarchies will go to keep their secrets Spanning three generations The Lost King of England uncovers facts kept hidden and revealing events of World War I and World War II and how they should have been written It will make you question everything you have been told **Lost?** Anthony Carragher,2017-10-17 As Liverpool F C reach their 125th anniversary amidst the celebrations doubts persist Are they still elite Can their prolonged title drought be ended Foreign owners say they came to win but the trophy cabinet lies bare Where to next for the reds Lost explores the gloried past the moneyed present and the uncertain future of both Liverpool F C and the English game at large Have they lost their way Liverpool F C s most famous manager Bill Shankly declared that the club exists to win trophies and for many years this maxim proved true as Liverpool became one of the most successful clubs in European football and dominated the scene in England for over two decades Yet recently the victories have dried up and Liverpool have not won the league title in over a quarter of a century Football is also in a state of flux as major TV deals have made the Premier league the wealthiest in the world but the gap between the elite clubs and those striving to catch up widens Has the game lost it s soul Who will rise and who will fall as a new uncharted era in football unfolds Lost captures exclusive interviews with key figures including former Liverpool managers Brendan Rogers and Roy Evans the Shankly family and a whole host of footballing legends past and present The book also includes reflective pieces on an array of Premier League clubs from both a sporting and cultural perspective looking not just at the team in isolations but also at the communities and landscapes that shape them
