Wilde-Pace, 2017-05-16 Pastor Tracy Wilde reflects on the absence of empathy in today's world and shares how Christians can renew their compassion to help unify not only the church but society as well in this timely and refreshing guide Achieving meaningful relationships and cultivating lasting connections with others are often some of the most valuable experiences of our lives So why can it sometimes feel so difficult to relate to the people around us if we all share the same human desire to bond In Finding the Lost Art of Empathy Tracy Wilde addresses the reasons why we struggle with showing empathy toward others and explains why we ultimately avoid it and even avoid contact with others altogether She explores the different facets that have promoted isolation instead of community and provides the antidote for a more unified loving and empathetic society Inspirational and encouraging Wilde inspires us to self reflect and remove whatever obstacles from our lives that may be blocking our way to true fulfillment in our relationships and living life the way God intends us to *The Lost Art of*
