The Atlantis Theme in History,
Science, and Literature

by L. SPRAGUE DE CAMP

In Plato's vision one of the lost Atlantes is
lost a nation, or a nation founded on lost
What is there in the various movements
quest? The Atlantis, Lemuria, or the
can exist? If so, did they ever support civi-
lized nations? What is the reason held
that the idea of modern continents has no
the roots of time?

In this book, one of the world's leading
scholars on the lost-continents hypothesis
attacks this subject with profound
scholarship and critical power. With his logic
and vision he demolishes the foundation of
the world and prehistoric culture. Then
he shows where Plato did get his ideas, how
they were influenced by science, literature,
and mythology; and what are the historical
and geological possibilities of forgotten cul-
tures and ancient lands. Unlike many who
have written on Atlantis, the author keeps
his enthusiasm and speculation under the strict
control of an attitude of scientific skepticism
and a wide knowledge of the advances in ar-
cheology, anthropology, and geology.

The study ranges over every aspect of the
hypothesis problem: from Wegener's hy-
pothesis of continental drift to the Mexican
theory of Atlantis; from Huxley's book of
the Thuleans to Miss Kennedy's Thule-
myths; from Plato's Atlantis to the Ameri-
can Indians. A chapter is devoted to
the origin of the American Indians, and to

Lost Continents 1st Edition:

The Lost Continent Edgar Rice Burroughs, 2022-09-08 Reproduction of the original *The Lost Continent* Joseph Cooper, 2023-12-23 Reprint of the original first published in 1875 **Atlantis and the Cycles of Time** Joscelyn Godwin, 2010-11-18 A comprehensive study of the major occult writings on Atlantis Fully examines the many occult teachings on Atlantis including those from G I Gurdjieff Madame Blavatsky Julius Evola Edgar Cayce Fabre d Olivet and Dion Fortune Shows how these writings correlate with the concept of cyclical history such as the Mayan calendar and 2012 the Age of Aquarius and the four Yugas By a renowned scholar author editor and translator of more than 30 books Atlantis has held a perennial place in the collective imagination of humanity from ancient Greece onward Many of the great minds of the occult and esoteric world wrote at length on their theories of Atlantis about its high culture its possible location its ultimate demise and their predictions of a return to Atlantean enlightenment or the downfall of modern society Beginning with a review of the rationalist writings on Atlantis those that use geographic and geologic data to validate their theories renowned scholar Joscelyn Godwin then analyzes and compares writings on Atlantis from many of the great occultists and esotericists of the 19th and 20th centuries including Fabre d Olivet G I Gurdjieff Guido von List Julius Evola Edgar Cayce Dion Fortune and Ren Gu non whose writings often stem from deeper metaphysical sources such as sacred texts prophecy or paranormal communication Seeking to unravel and explain the histories and interpretations of Atlantis and its kindred myths of Lemuria and Mu the author shows how these different views go hand in hand with the concept of cyclical history such as the Vedic system of the four Yugas the Mayan calendar with its 2012 end date the theosophical system of root races and the precession of the equinoxes Venturing broader and deeper than any other book on Atlantis this study also covers reincarnation human evolution or devolution the origins of race and catastrophe theory Spiritual Genocide Sonia Sabharwal, 2021-01-27 Spiritual Genocide Reincarnation of Earth encompasses channeled information illustrating Earth s past history This history is unfolding today and into the future and is based on a topic in every scripture Thou Shall Not Kill This book is rich in defining other archetypes with every chapter revealing hidden celestial truths Every chapter is written as a mystical gate which is stylistically related and adventurous Every chapter is like a photograph in God s album surveying the past present and the possible future of this unremitting heavenly war and its everlasting effect on Earth and her population While some photographs bring joyful memories of Earth being God s heartbeat before her separation from him during the heavenly war some reveal the celestial truth behind the inexplicable mysteries of Earth s vortices Mt Shasta The Pyramids Mt Kailash etc and vortexes Bermuda Triangle Mohenjo Daro Arctic and Antarctic Circles etc that continue to baffle scientists geologists and many others in their quest for spiritual knowledge A spiritual analysis of some of the cataclysmic photographs predicts the possible future of Earth This could be analogous to Mars or the sunken Lemuria or the Lost Continent of Atlantis there could either be a new Earth or no Earth at all in the future celestial album Some historical snapshots describe wretchedness

where mass atrocities such as the Holocaust genocides wars world wars nuclear disasters abortions murders September 11 attacks etc show that Earth's soil is losing its fertility and the quality of its harvest her inhabitants is being reduced They are also subject to devitalization Though the mystery of devitalization entails the deciphering of DNA codes so as to trace the initial reincarnation of Earth and the human soul the book's chapters will unlock the key mystery that the cosmos including Earth planets and extraterrestrials has reincarnated numerous times and is reincarnating as per its karmic activity for spiritual ascension Based on the current threat of nuclear disaster and mass atrocities including shootings that are closing the traditional doors of churches temples and synagogues these photographs will reveal the possibility that the celestial windows for Earth and her inhabitants are closing with no doors to escape Are the current meteorological changes depicting that when one wants to plant a garden the soil has to be rich in order for the new crops to grow This book will reveal that if the quality of the Earth and soil is diminished because of mass atrocities that have occurred since Earth's inception and the effects of present nuclear threats the crops may not grow The Spiritual Genocide Reincarnation of Earth captures the essence of the author's beliefs and further explains the mysteries of the universe For thousands of years humans have been destroying Earth This divinely inspired book is the truth about man's veiled secrets the denial of their own soul truth and the attempt to unconsciously place fault on other human beings for their karma This is an awakening of truth that each soul is responsible for in their ascension with God This spiritual book is a spiritual initiation for entering into God's heart and pure love It is a spiritual initiation of the birthing of dreams for believers and non believers of faith This book is guidance for everyone as we all have sorrows and tragedies that been felt for centuries on Earth It provides a link to all souls existing today The author hopes that Spiritual Genocide Reincarnation of Earth is a resource for all souls who are lost and forgotten Hope this book provides them hope joy and inspiration
