Lost Lands and Cities Beneath the Sea Jon Douglas Singer,1997 Sport and Film Seán Crosson,2013-07-18 The sports film has become one of commercial cinema s most recognizable genres From classic boxing films such as Raging Bull 1980 to soccer themed box office successes like Bend it Like Beckham 2002 the sports film stands at the interface of two of our most important cultural forms This book examines the social historical and ideological significance of representations of sport in film internationally an essential guide for all students and enthusiasts of sport film media and culture Sport and Film traces the history of the sports film from the beginnings of cinema in the 1890s its consolidation as a distinct fiction genre in the mid 1920s in Hollywood films such as Harold Lloyd s The Freshman 1925 to its contemporary manifestation in Oscar winning films such as Million Dollar Baby 2004 and The Fighter 2010 Drawing on an extensive range of films as source material the book explores key issues in the study of sport film and wider society including race social class gender and the legacy of 9 11 It also offers an invaluable guide to reading a film to help students fully engage with their source material Comprehensive authoritative and accessible this book is an important addition to the literature in both film and media studies sport studies and cultural studies more generally *Disinformation Guide to Ancient Aliens, Lost Civilizations, Astonishing Archaeology & Hidden History* Preston Peet,2013-01-01 If you think the history you were taught in school was accurate you re in for a big surprise This group of researchers blows the lid off everything you thought you knew about the origins of the human race and the culture we live in Cover p 4 **An Unnatural History of Religions** Leonardo Ambasciano,2018-12-27 An Unnatural History of Religions examines the origins development and critical issues concerning the history of religion and its relationship with science The book explores the ideological biases logical fallacies and unwarranted beliefs that surround the scientific foundations or lack thereof in the academic discipline of the history of religions positioning them in today s post truth culture Leonardo Ambasciano provides the necessary critical background to evaluate the most important theories and working concepts dedicated to the explanation of the historical developments of religion He covers the most important topics and paradigm shifts in the field such as phenomenology postmodernism and cognitive science These are taken into consideration chronologically each time with case studies on topics such as shamanism gender biases ethnocentrism and biological evolution Ambasciano argues that the roots of post truth may be deep in human biases but that historical justifications change each time resulting in different combinations The surprising rise of once fringe beliefs such as conspiracy theories pseudoscientific claims and so called scientific creationism demonstrates the alarming influence that post truth ideas may exert on both politics and society Recognising them before they spread anew may be the first step towards a scientifically renewed study of religion *Ireland's Mysterious Lands and Sunken Cities* Jon Douglas Singer,2001-04-13 The Emerald Isle of Ireland has inspired a vast number of legends about lost or

sunken lands and cities These legends predate Roman and Christian influences This book examines the intriguing nature of these legends and reviews anthropological and geological evidence supporting them Was there indeed a Tir na nÓg in the Land Under Wave a combination of the dead and a paradise Reviewed in Ireland of the Welcomes Vol 50 No 6 November December 2001 p 54 by Mary O'Sullivan Stories of sunken cities monasteries churches and royal palaces are scattered hither and yon across the broad landscape of Irish folklore The fishermen of Lough Neagh believe that their huge lake conceals the proud remains of palaces and temples more firmly than the inhabitants of Scotland accept the existence of the Lough Ness monster Hy Brazil or Hy Breasail the legendary sunken paradise island is of course somewhere off the western seaboard and thanks to its frequent reappearances on the surface it persists on maps into the sixteenth century The great Thomas Westropp reports personal sightings one evening after sunset in 1887 off the Clare coast and again in 1910 this time on the Mayo coast There are persistent stories of the image of a stately city clearly visible set in the sky above Galway bay usually during spells of warm calm sunny weather Come over next summer with an open mind You never know your luck Lost Lands, Mythical Kingdoms, and Unknown Worlds Val Warren, 1979

The Jews from Ancient Canaan to a Global Culture Matthias Lehmann, Steven Weitzman, 2025-06-23 This accessibly written volume examines the major periods of Jewish history around the world from the Jews' distant origins in antiquity through the beginnings of the modern period and the emergence of secular culture Although Jews are a small minority they have settled in almost every part of the world developing many different subcultures They have had an outsized impact on global religion even as they have faced prejudice and persecution and their history makes for a fascinating story of cultural change adaptation and survival that is continuing to unfold in the present Now in a new edition as a split volume this first volume of a comprehensive history of the Jews draws on up to date research to recount the story of the Jews from their beginnings in the ancient Near East through to the dawn of the modern period and the emergence of secular culture Enhanced by images limelight given to various historical mysteries recommendations for how to learn more as well as other features the book moves chapter by chapter through the major periods of Jewish history balancing introductions for those unfamiliar with that history with discussion of new approaches and recent discoveries that have reshaped understanding of the Jewish past The book is useful not just for those interested in the Jews themselves but also for readers open to learning about global history from the vantage point of a people whose experiences attest both to the resilience of human culture and to the impact of hate and violence **The Ice Museum**

Joanna Kavenna, 2007-01-30 A legend a land once seen and then lost forever Thule was a place beyond the edge of the maps a mystery for thousands of years And to the Nazis Thule was an icy Eden birthplace of Nordic purity In this exquisitely written narrative Joanna Kavenna wanders in search of Thule to Shetland Iceland Norway Estonia Greenland and Svalbard unearthing the philosophers poets and explorers who claimed Thule for themselves from Richard Francis Burton to Norwegian explorer Fridtjof Nansen Marked by breathtaking snowscapes haunting literature and the cold specter of past

tragedies this is a wondrous blend of travel writing and detective work that is impossible to set down RVIEW Thule real or not is ripe and beguiling material for a literary and geographic adventurer and Kavenna is formidable on both fronts Highly cerebral erudite refreshing The New York Times Book Review
