Lost Mines And Treasures Of The Pacific Northwest:

Lost Mines and Treasures of the Pacific Northwest Ruby El Hult,1957 Where to look for lost gold mines and treasure in Oregon Washington and Idaho Buried Treasures of the Pacific Northwest W. C. Jameson,2006-01-30 Do Indians living today know the location of the supposedly cursed Lost Gold of Devil s Sink Did Sir Francis Drake bury millions of dollars worth of ancient Incan treasures Has anyone found the box of gold coins buried by a reputed giant in the Washington rain forest Is there a noble family s fortune buried near an old log cabin in the Cascades **Treasure Hunter** W.C.

Jameson,2014-11-05 W C Jameson was an active treasure hunter for more than fifty years He has fallen from cliffs had ropes break during climbs been caught in mine shaft cave ins contended with flash floods been shot at watched men die and had to deal with rattlesnakes water moccasins scorpions and poisonous centipedes He has fled for his life from park rangers policemen landowners competitors corporate mercenaries and drug runners He has also discovered enough treasure to pay for his own house and finance his and his children s education With his enigmatic treasure hunter partners Slade Stanley and Poet Jameson s stories are worthy of an Indiana Jones film except that they are all true **Lost Mines and Buried**

Treasures of the West Thomas Probert,1977 This large easy to use volume lists the works of more than eleven hundred different authors covering thousands of stories of lost mines and buried treasures supposedly located in fifteen Western and Southwestern states and in Mexico In addition to being a boon to those adventurers who are tempted to search for lost mines and buried treasures it will be an important basic research tool for historians geologists geographers anthropologists archaeologists and folklorists and it will be useful in identifying the man treasure hoards and mining claims all the way from the Lost Adams Diggings in Arizona to the Stagecoach in Wyoming The information given in this important bibliography was acquired through perusal of an unusually large number of books newspapers magazines unpublished manuscripts deposits in private and public libraries holdings of various historical foundations and governmental records and archives The task took Mr Probert three full years of steady patient work Many of these stories of lost mines and buried treasures have resulted in the discovery of some that are rarely acknowledged largely because as Mr Probert points out those who have been so fortunate as to find the pot of gold at the end of the rainbow have deemed it wiser and much safer to keep their own counsel Book jacket *The Silver Madonna and Other Tales of America's Greatest Lost Treasures* W.C. Jameson,2013-07-12 The

twenty four tales in this book are of the most famous lost treasures in America from a two foot statue reportedly made entirely of silver the Madonna and a cache of gold silver and jewelry that was rumored to also contain the first Bible in America to seventeen tons of gold its value equal to the treasury of a mid sized nation buried somewhere in northwestern New Mexico What makes these tales even more compelling is that none of these known to be lost treasures have been discovered although modern detecting technology has made them eminently discoverable **Bibliography and Index of the Geology and Mineral Resources of Washington, 1963-1980** Connie Manson,Debbie Burnetti,1983 **The Lost**

Canyon of Gold W.C. Jameson,2017-09-01 Join the Search for Lost Treasure First popularized by folklorist and author J Frank Dobie in his book Apache Gold and Yaqui Silver in 1928 the legend of the Lost Adams Diggings is one of the most mythologized tales of lost treasure on the continent In the 1860s Gold was taken from Adams canyon in enormous quantities with nuggets ranging from dust size to some as large as hen s eggs all being plucked from the bottom of a shallow stream This true story of the Lost Adams Diggings starts with the discovery of the rich deposit of gold in a remote mountain range and ends with the author s own story of search and discovery in the twentieth century Indian Placenames in America Sandy Nestor,2015-05-07 The American Indians have lost much of their land over the years but their legacy is evident in the many places around the United States that have Indian names Countless placenames have however been corrupted over time and numerous placenames have similar spellings but different meanings This reference work is a reprint in one combined volume of the two volume set published by McFarland in 2003 and 2005 Volume One covers the name origins and histories of cities towns and villages in the United States that have Indian names It is arranged alphabetically by state then alphabetically by city town or village name Additional data include population figures and county names Probable Indian placenames with no certain origin also receive entries and as much history as possible is provided about those locations Volume Two covers more than 1400 rivers lakes mountains and other natural features in the United States with Indian names It is arranged by state and then alphabetically by natural feature Counties are provided for most entries with multiple counties listed for some entries where appropriate In addition to name origins and meanings geophysical data such as the heights of mountains and lengths of waterways are indicated **Journal of Northwest Anthropology** Darby C. Stapp, A History of Underwater Archaeological Research in Oregon Dennis Griffin Great Basin Obsidian at The Dalles Implications for the Emergence of Elites in the Southwestern Plateau Rick Minor Traditional Ecological Knowledge Reconstructing Historical Run Timing and Spawning Distribution of Eulachon through Tribal Oral History Nathaniel D Reynolds and Marc D Romano A Multidisciplinary Perspective on the 2011 Ethnography The Spokane Indians with a Response from the Author John Alan Ross Darby C Stapp Jack Nisbet Tina Wynecoop Dennis D Dauble Jay Miller Deward E Walker Jr and John Alan Ross The 64th Annual Northwest Anthropological Conference Moscow Idaho 21 23 April 2011 Journal of Northwest Anthropology Publication Style Guide Treasure Anthology; Stories of Lost Mines & Buried Treasures ... E. S. LeGaye,1973 Buried Treasures of the Rocky Mountain West W. C. Jameson,2006-03-28 The 32 tales from the area containing the backbone of America include The Gold Behind the Waterfall Arizona The Treasure of Deadman Cave Colorado Lava Cave Cache Idaho Henry Plummer s Lost Gold Montana The Curse of the Lost Shepherder s Mine Nevada Lost Train Robbery Loot in Cibola County New Mexico Eighty Ingots in Spanish Gold Utah and Lost Ledge of Gold Wyoming As Jameson points out in his introduction the Rocky Mountains still have many remote areas **Formation Processes of Maritime Archaeological Landscapes** Alicia Caporaso,2017-01-05 Research into the anthropogenic and taphonomic processes that affect the

formation of maritime archaeological resources has grown significantly over the last decade in both theory and the analysis of specific sites and associated material culture The addition of interdisciplinary inquiry investigative techniques and analytical modeling from fields such as engineering oceanography and marine biology have increased our ability to trace the unique pathways through which archaeological sites progress from initial deposition to the present yet can also link individual sites into an integrated socio environmental maritime landscape This edited volume presents a global perspective of current research in maritime archaeological landscape formation processes In addition to classically considered submerged material culture and geography or those that can be accessed by traditional underwater methodology case studies include less often considered sites and landscapes These landscapes for example require archaeologists to use geophysical marine survey equipment to characterize extensive areas of the seafloor or go above the surface to access maritime archaeological resources that have received less scholarly attention

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1957 [The Sagebrush Curtain](#) Melvin Adams,2019-08-08 This book contains a diversity of natural and human stories about the southeast quarter of Oregon state an area seemingly empty and barren to many people driving through it This surprising view of the region features the botany geology wildlife and history of the area wrapped in a memoir of the author s youth spent there Born in the sagebrush community of Lakeview in 1941 the author moved on following high school graduation But as with many native sons and daughters from out of the way places the urge to return to his roots proved irresistible I endeavored to write this collection about the Oregon desert because of my childhood there says Adams but also because it is a place of startling mystery subdued danger and beauty **Oregon Myths and Legends** Jim Yuskavitch,2017-04-13 From the mysterious disappearance of hijacker D B Cooper to persistent rumors of bigfoot this selection of thirteen stories from Oregon s past explores some of the Beaver State s most compelling mysteries and debunks some of its most famous myths Read about the mysterious disappearances of several people over the years around Mount Emily relive the gruesome discovery of three murdered trappers near the Deschutes River and learn why many people believe an eleven ton meteorite might be hidden in the mountains of southwestern Oregon [A Motif Index for Lost Mines and Treasures Applied to Redaction of Arizona Legends, and to Lost Mine and Treasure Legends Exterior to Arizona](#) Byrd Howell Granger,1977 *Prehistory and History of the Rogue River National Forest* Jeffrey M. LaLande,1980

The Pirate Encyclopedia Arne Zuidhoek,2022-07-18 The romantic picture of pirates as colourful individuals terrorizing the seven seas has long eclipsed historical fact The Pirate Encyclopedia contains the most complete body of data available on the rovers rightful legitimacy as subjects of investigation For the first time we see so many pirates c 7 000 brought together This pirate s who s who including the women pirates makes it possible to see different areas and their significance and circumstances and so the essential companion for scholars students and a general audience intrigued by tales and facts

[Mysterious America](#) Loren Coleman,2007-04-24 Bestselling author and noted cryptozoologist Loren Coleman set out on

the ultimate mission to uncover the fun and intriguing phenomena that exist right here in the United States In *Mysterious America* a fun and compulsively readable guidebook to America's most popular local legends he prepares readers for their own adventure where to find the unbelievable spectacles on their journey including Phantom panthers haunting eastern North America Bay State ghosts and spirits Mad gassers in Illinois Champ the famous Lake Champlain monster The Minnesota Iceman The Missouri Momo and the infamous Eastern Bigfoot And many more Coleman's witty insight and astonishing experiences will captivate followers of Charles Fort and just plain curious readers alike For as Coleman frankly reveals these strange creatures and unimaginable wonders may lie just beyond your own backyard *Treasures of the Santa Catalina Mountains* Robert E. Zucker, 2014 The famous legend of the Iron Door Mine a forgotten mission and a lost city somewhere in the Santa Catalina Mountains north of Tucson Arizona has lured prospectors and treasure hunters for hundreds of years The discoveries of early Spanish placer mining sites stone ruins and stories of the mountains only fueled speculation about the riches still left behind Common knowledge among the locals eventually gained legendary status Even more surprising was the abundance in gold silver and copper etched into the mountains These stories became embedded in Arizona's early history and were spun into some sensational legends and featured in numerous literary and film adventures *Treasures of the Santa Catalina Mountains* explores the legends and history of the Catalinas compiled from out of print books magazines newspapers and recollections from local prospectors More than 430 pages and over 1 200 references
