Moksha Smith Agni's Warrior Sage An Epic Of The Immortal Fire New Edition:

Moksha Smith, Agni's Warrior-Sage Antonio de Nicolas,2001-04-25 As this epic of the soul unfolds we the readers are drawn into undulating waves of realities at times into almost otherworldly spaces through the subtle art of this poet's creation Of course this experience is not new to anyone familiar with the other works of Antonio de Nicolas From his acclaimed poetic translations of the Spanish masters Juan Ramon Jimenez Ignatius de Loyola San Juan de la Cruz to his own earlier collections of poetry Remembering the God to Come and The Sea Tug Elegies and Of Angels and Women Mostly we have come to expect a certain mystical revelation to discreetly unveil itself within the pages of his work But Moksha Smith takes us to an entirely different space not of subtle mystical quiverings but of raw exposed duende Here in Moksha Smith we at last come face to face with the poet a demiurge without a mask a victorious hero who returns from the battle with his shield and not on it much less behind it *The Encyclopedia of Epic Films* Constantine Santas,James M. Wilson,Maria Colavito,Djoymi Baker,2014-03-21 Soon after film came into existence the term epic was used to describe productions that were lengthy spectacular live with action and often filmed in exotic locales with large casts and staggering budgets The effort and extravagance needed to mount an epic film paid off handsomely at the box office for the genre became an immediate favorite with audiences Epic films survived the tribulations of two world wars and the Depression and have retained the basic characteristics of size and glamour for more than a hundred years Length was and still is one of the traits of the epic though monolithic three to four hour spectacles like *Gone with the Wind* 1939 and *Lawrence of Arabia* 1962 have been replaced today by such franchises as the Harry Potter films and the Lord of the Rings trilogy Although the form has evolved during many decades of existence its central elements have been retained refined and modernized to suit the tastes of every new generation The Encyclopedia of Epic Films identifies describes and analyzes those films that meet the criteria of the epic sweeping drama panoramic landscapes lengthy adventure sequences and in many cases casts of thousands This volume looks at the wide variety of epics produced over the last century from the silent spectacles of D W Griffith and biblical melodramas of Cecil B DeMille to the historical dramas of David Lean and rollercoaster thrillers of Steven Spielberg Each entry contains Major personnel behind the camera including directors and screenwriters Cast and character listingsPlot summaryAnalysisAcademy Award wins and nominationsDVD and Blu ray availabilityResources for further study This volume also includes appendixes of foreign epics superhero spectaculars and epics produced for television along with a list of all the directors in the book Despite a lack of overall critical recognition and respect as a genre the epic remains a favorite of audiences and this book pays homage to a form of mass entertainment that continues to fill movie theaters The Encyclopedia of Epic Films will be of interest to academics and scholars as well as any fan of films made on a grand scale **The New York Quarterly** ,2003 **Moksha Smith Agni's Warrior-Sage** Antonio T. de Nicolas,2001-04-01 As this epic of the soul unfolds we the readers are drawn into undulating waves of realities at times into almost otherworldly spaces through the

subtle art of this poet's creation. Of course this experience is not new to anyone familiar with the other works of Antonio de Nicolas. From his acclaimed poetic translations of the Spanish masters Juan Ramon Jimenez, Ignatius de Loyola, San Juan de la Cruz to his own earlier collections of poetry, *Remembering the God to Come* and *The Sea Tug*, *Elegies* and *Of Angels and Women*. Mostly we have come to expect a certain mystical revelation to discreetly unveil itself within the pages of his work. But Moksha Smith takes us to an entirely different space, not of subtle mystical quiverings but of raw exposed duende. Here in Moksha Smith we at last come face to face with the poet, a demiurge without a mask, a victorious hero who returns from the battle with his shield and not on it, much less behind it.

Embark on a breathtaking journey through nature and adventure with Crafted by is mesmerizing ebook, Witness the Wonders in **Moksha Smith Agnis Warrior Sage An Epic Of The Immortal Fire New Edition** . This immersive experience, available for download in a PDF format (PDF Size: *), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!
