

Nature's Symphony

Enter an enthralling paradise where enjoyment of some of nature's most stunning spectacles and sounds is further enhanced by the melodic delights of Tchaikovsky, Strauss, Mozart, Puccini, Grieg, Mussorgsky, and other great composers. Your journey takes you along watery natural paths, from wintry alpine lakes and roaring waterfalls in Yosemite National Park to geysers and bubbling pots in Yellowstone. You relax in lush spring meadows, blanketed with colorful flowers. You glide downstream through precipitous granite river canyons that open onto spectacular desert sunsets in the Grand Canyon.

And along the way, elk, moose, chipmunks, birds, and other native creatures add their own rhapsody of harmonious rhythms.
