Naughty But Nice:

Bare Essentials Jill Shalvis, Leslie Kelly, 2014-02-01 Naughty But Nice by New York Times bestselling author Jill Shalvis
Lingerie model Cassie Tremaine Montgomery intends to have her revenge on the citizens of her hometown starting with seducing the sheriff Sean Tag Taggart Tag however isn't cooperating He's more than willing to set the sheets on fire with her but he's asking for more than just sizzling sex He knows Cassie's not as tough as she pretends And he knows she cares about him even if she won't admit it So he'll just turn up the heat until she concedes there's more between them than this red hot passion Naturally Naughty by New York Times bestselling author Leslie Kelly Kate Jones the girl from the wrong side of the tracks is home And she's got an agenda To get revenge on the man who humiliated her mother Kate's going to seduce that man's son the town's golden boy John Winfield Jr and then leave him drooling in a puddle of lust However when she finds herself seduced by a sexy stranger named Jack little does she guess that the tables have just been turned *The Cute and the Cool* Gary Cross, 2004-04-01 The twentieth century was by any reckoning the age of the child in America Today we pay homage at the altar of childhood heaping endless goods on the young reveling in memories of a more innocent time and finding solace in the softly backlit memories of our earliest years We are the proclamation goes just big kids at heart And accordingly we delight in prolonging and inflating the childhood experiences of our offspring In images of the naughty but nice Buster Brown and the coquettish but sweet Shirley Temple Americans at mid century offered up a fantastic world of treats toys and stories creating a new image of the child as cute Holidays such as Christmas and Halloween became blockbuster affairs vehicles to fuel the bedazzled and wondrous innocence of the adorable child All this Gary Cross illustrates reflected the preoccupations of a more gentle and affluent culture but it also served to liberate adults from their rational and often tedious worlds of work and responsibility But trouble soon entered paradise The cute turned into cool as children following their parental example embraced the gift of fantasy and unrestrained desire to rebel against the saccharine excesses of wondrous innocence in deliberate pursuit of the anti cute Movies comic books and video games beckoned to children with the allures of an often violent sexualized and increasingly harsh worldview Unwitting and resistant accomplices to this commercial transformation of childhood adults sought over and over again in repeated and predictable cycles to rein in these threats in a largely futile jeremiad to preserve the old order Thus the cute child deliberately manufactured and cultivated has ironically fostered a profoundly troubled ambivalence toward youth and child rearing today Expertly weaving his way through the cultural artifacts commercial currents and parenting anxieties of the previous century Gary Cross offers a vibrant and entirely fresh portrait of the forces that have defined American childhood SuperFastDiet Victoria Black, Gen Davidson, 2019-12-09 AS SEEN ON DOWNSIZING DUBBO WITH CHANNEL 9 S TODAY SHOW I've been helping patients with weight loss for over 30 years and I've never been so excited about a program before Dr Penny Adams The diet that helps you lose weight while still having a social life After years of yo yo dieting Australian women Victoria Black and Gen Davidson
