Rugged and Sublime: the Civil War in Arkansas (p) Mark Christ, 1994 When one thinks of the American Civil War such names as Vicksburg Gettysburg and Chancellorsville come immediately to mind Few recall the battles in the Trans Mississippi theater Rugged and sublime goes a long way toward filling regrettable blanks in our memory of Arkansas s role in the Civil War It explores the major clashes and locales of the war including the state secession convention seizure of the Little Rock Arsenal the Battle of Wilson s Creek the Pea Ridge campaign Marmaduke s invasion of Missouri the Battle of Helena and the fall of Little Rock as well as other actions Rounding out this new and very readable account are studies of the devolution of Arkansas society when bands of guerrillas and jayhawkers menaced the state the surrender of the Confederate armies and an assessment of losses Book cover

Shanghaiing Sailors Mark Strecker, 2014-05-19 Shanghaiing or forcing a man to join the crew of a merchant ship against his will plagued seafarers the world over between 1849 and 1915 Perpetrators were known as crimps and they had no respect for a man s education social status race religion or seafaring experience The merchant ships were involved in the opium tea and gold trades and the practice was spurred by the opening of the Suez Canal A major reason for it was a shortage of sailors and the unwillingness of seamen to sail on certain types of ships They suffered from great deprivations all for a paltry sum usually squandered during shore leave Navies and pirates had their own form of shanghaiing called impressment This work explores the rich history of shanghaiing and impressment with a focus on victims and also considers the 19th century seafarer and the circumstances that made shanghaiing so lucrative

The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
