Navajo Blood:

Navajo Courts and Navajo Common Law Raymond Darrel Austin, 2009 The Navajo Nation court system is the largest and most established tribal legal system in the world Since the landmark 1959 U S Supreme Court decision in *Williams v Lee* that affirmed tribal court authority over reservation based claims the Navajo Nation has been at the vanguard of a far reaching transformative jurisprudential movement among Indian tribes in North America and indigenous peoples around the world to retrieve and use traditional values to address contemporary legal issues A justice on the Navajo Nation Supreme Court for sixteen years Justice Raymond D Austin has been deeply involved in the movement to develop tribal courts and tribal law as effective means of modern self government He has written foundational opinions that have established Navajo common law and throughout his legal career has recognized the benefit of tribal customs and traditions as tools of restorative justice In *Navajo Courts and Navajo Common Law* Justice Austin considers the history and implications of how the Navajo Nation courts apply foundational Navajo doctrines to modern legal issues He explains key Navajo foundational concepts like H zh harmony K peacefulness and solidarity and K kinship both within the Navajo cultural context and using the case method of legal analysis as they are adapted and applied by Navajo judges in virtually every important area of legal life in the tribe In addition to detailed case studies Justice Austin provides a broad view of tribal law documenting the development of tribal courts as important institutions of indigenous self governance and outlining how other indigenous peoples both in North America and elsewhere around the world can draw on traditional precepts to achieve self determination and self government solve community problems and control their own futures *Indian Blood* Andrew J. Jolivé, 2016-06-01 Finalist for the 2017 Lambda Literary Lammy Award in LGBTQ Studies The first book to examine the correlation between mixed race identity and HIV AIDS among Native American gay men and transgendered people *Indian Blood* provides an analysis of the emerging and often contested LGBTQ two spirit identification as it relates to public health and mixed race identity Prior to contact with European settlers most Native American tribes held their two spirit members in high esteem even considering them spiritually advanced However after contact and religious conversion attitudes changed and social and cultural support networks were ruptured This discrimination led to a breakdown in traditional values beliefs and practices which in turn pushed many two spirit members to participate in high risk behaviors The result is a disproportionate number of two spirit members who currently test positive for HIV Using surveys focus groups and community discussions to examine the experiences of HIV positive members of San Francisco s two spirit community *Indian Blood* provides an innovative approach to understanding how colonization continues to affect American Indian communities and opens a series of crucial dialogues in the fields of Native American studies public health queer studies and critical mixed race studies *The Sound of Navajo Country* Kristina M. Jacobsen, 2017-02-22 In this ethnography of Navajo Din popular music culture Kristina M Jacobsen examines questions of Indigenous identity and performance by focusing on the surprising

and vibrant Navajo country music scene Through multiple first person accounts Jacobsen illuminates country music's connections to the Indigenous politics of language and belonging examining through the lens of music both the politics of difference and many internal distinctions Din make among themselves and their fellow Navajo citizens As the second largest tribe in the United States the Navajo have often been portrayed as a singular and monolithic entity Using her experience as a singer lap steel player and Navajo language learner Jacobsen challenges this notion showing the ways Navajos distinguish themselves from one another through musical taste linguistic abilities geographic location physical appearance degree of Navajo or Indian blood and class affiliations By linking cultural anthropology to ethnomusicology linguistic anthropology and critical Indigenous studies Jacobsen shows how Navajo poetics and politics offer important insights into the politics of Indigeneity in Native North America highlighting the complex ways that identities are negotiated in multiple often contradictory spheres

The Complexities of American Indian Identity in the Twenty-First Century Sean M. Daley, Christine Makosky Daley, 2023-03-15 Between 2011 and 2015 over 700 Native Americans from across the United States participated in Native 24/7 a mixed methods study that delved into modern day American Indian identities through semi structured interviews with accompanying surveys Using the perspectives voices and stories of these participants Daley and Daley document how contemporary Native peoples feel define and contribute to the construction of Native identity on topics such as colonization tribal enrollment blood quantum language spirituality family and community
