Navigating Perilous Waters An Israeli Strategy For Peace And Security

Ephraim Sneh

Navigating Perilous Waters An Israeli Strategy For Peace And Security:

Navigating Perilous Waters Ephraim Sneh, 2004-08-02 Israel is a Jewish state in a Muslim Middle East How can it survive in that region This book answers this question by analyzing the dangers and threats that Israel faces today The book also highlights an important component of Israel s strength the endurance and the cohesion of its social fabric which the author sees as the key to his country s survival in the Middle East Written by Israel s former deputy minister of defence this book is essential reading for all those interested in the contemporary politics of the Middle East

Fear and Insecurity Jonathan G. Leslie, 2022-12-13 To observers of the Iran Israel conflict its vitriolic rhetoric might suggest an ancient hatred between Jews and Muslims a biblical feud dating back hundreds or thousands of years But this rivalry is a far more modern development In this authoritative study Jonathan G Leslie examines the origins of the conflict Drawing on extensive archival and open source research he concludes that despite the animosity surrounding the Iran Israel relationship the twenty first century s hostilities are not inevitable consequences of these nations history nor of contemporary political events The intensification of tensions has been largely the product of one nation s efforts with Israel viewing Iran as a far greater danger than Iran does Israel Using a novel theoretical approach considering the power of narrative within historical context Leslie outlines how Israel s leaders successfully reimagined their erstwhile ally Iran as an existential threat Former Prime Minister Benjamin Netanyahu took this further employing populist strategies in an attempt to rewrite history depict Iran as a global menace and recruit allies against the JCPOA nuclear deal Fear and Insecurity provides important new insights into the history of the Iran Israel conflict and offers fresh prospects for defusing the tensions threatening both global and regional security

Israeli-Palestinian Peace Negotiations, 1999-2001 Gilead Sher, 2013-11-05 Written by Gilead Sher Israeli Chief of Staff during the tumultuous 1999 2000 peace negotiations this book provides a fast paced description and analysis of the Israeli Palestinian conflict Presenting an overview of the core issues of contention the various key players and the possible solutions formulated during the peace process effort the book sheds new light on the events of that period An important contribution to the current literature it provides a fresh understanding of the link between the Israeli Palestinian conflict and the current global threats of Islamic fanaticism and international terrorism

Israel's National Security Efraim Inbar, 2007-12-21 This book brings together a collection of essays that covers the main national security issues Israel has faced since 1973

Israel's National Security Law Amichai Cohen, Stuart Cohen, 2012-08-06 Terror attacks on western civilian targets have stimulated interest in the dilemmas faced by liberal societies when combating threats to national security Combining the perspectives of political science and law this book addresses that discourse asking how democracies seek to harmonize the protection of individual liberties with the defence of state interests The book focuses on the experience of Israel a country whose commitment to democratic values has continuously been challenged by multiple threats to national survival It examines the legal legislative and institutional methods employed to resolve the dilemmas generated by that situation and

thus provides a unique interpretation of Israeli national security behaviour Policy making and policy implementation in this sphere it shows have reflected not just external constraints but also shifts in the domestic balance of power between the executive the legislature and the judiciary The book concludes with an agenda of the measures that each branch of government needs to implement in order to repair the flaws that have developed in this system over time Based on a close reading of legislative and court readings the book proposes a new taxonomy for the analysis of national security legal frameworks both in Israel and elsewhere in the democratic world As such it will be of great interest to students and scholars of political science national security law Israeli history and civil military relations

Negotiating Arab-Israeli Peace, Second Edition Laura Zittrain Eisenberg, Neil Caplan, 2010-07-14 Thoroughly updated and expanded this new edition of *Negotiating Arab Israeli Peace* examines the history of recurrent efforts to resolve the Arab Israeli conflict and identifies a pattern of negative negotiating behaviors that seem to repeatedly derail efforts to achieve peace In a lively and accessible style Laura Zittrain Eisenberg and Neil Caplan examine eight case studies of recent Arab Israeli diplomatic encounters from the Egyptian Israeli peace of 1979 to the beginning of the Obama administration in light of the historical record By measuring contemporary diplomatic episodes against the pattern of counterproductive negotiating habits this book makes possible a coherent comparison of over sixty years of Arab Israeli negotiations and gives readers a framework with which to assess the relative strengths and weaknesses of peace making attempts past present and future

Doomed to Failure? Ofira Seliktar, 2009-08-27 This ground breaking book examines how and why the much vaunted Oslo Peace Accords between the Israelis and Palestinians collapsed The author analyzes the players on both sides of the accords pointing out the attitudes and actions that serve to undermine peace and promote conflict On the one hand she criticizes the Islamist organizations Hamas and Palestinian Islamic Jihad for not tolerating the idea of any true long term peace with Israel On the other hand she scrutinizes the factions for and against Oslo that developed within Israeli government circles and she calls into question the ability of Israeli intelligence to correctly assess the Palestinian negotiators By means of such examination this book poses a fundamental question Can Islamic fundamentalism ever accept the existence of Israel or will it short circuit any prospect of peace between majority Muslim states and their non Muslim counterparts

Israel and the Palestinian Refugee Issue Jacob Tovy, 2014-03-05 Examining the development of Israel's policy toward the Palestinian refugee issue this book spans the period following the first Arab Israeli War until the mid 1950s when the basic principles of Israel's policy were finalized *Israel and the Palestinian Refugee Issue* outlines and analyzes the various aspects that together created the mosaic of the refugee problem with which Israel has since had to contend These aspects include issues of repatriation resettlement compensation blocked bank accounts internal refugees and family reunification Drawing on extensive archival research this book uses documents from Israeli government meetings from the Foreign Affairs and Defense Committee and files from the office of the Prime Minister's advisor on Arab affairs to address the many diverse aspects of this topic and will be essential

reading for academics and researchers with an interest in Israel the Middle East and political science more broadly

Trapped Fools Shlomo Gazit, 2004-11-23 Based upon the author's own experiences this study explores the Israeli government's attitude to the West Bank and Gaza over a period of 30 years. The fools in the book's title refers not only to the Arabs who rejected Israeli peace offers but to the Israelis themselves. **Israel's Quest for Recognition and Acceptance in Asia** Jacob Abadi, 2004-03-01 This title represents a comprehensive study of Israel's attempts to build diplomatic relations with countries on the Asian continent. The author argues that despite the persistence of the Arab Israeli conflict the Israeli Foreign Ministry was remarkably successful in gaining recognition in most Asian countries. He provides an overview of Israel's relations with Asian countries from 1948 until the present and analyses the political social and economic factors in each country and the role that each played in the process of rapprochement with Israel. He explores the reasons for Israel's successes as well as its failures and analyses the flaws in Israeli diplomacy.

Navigating Perilous Waters An Israeli Strategy For Peace And Security Introduction

In the digital age, access to information has become easier than ever before. The ability to download Navigating Perilous Waters An Israeli Strategy For Peace And Security has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Navigating Perilous Waters An Israeli Strategy For Peace And Security has opened up a world of possibilities. Downloading Navigating Perilous Waters An Israeli Strategy For Peace And Security provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Navigating Perilous Waters An Israeli Strategy For Peace And Security has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Navigating Perilous Waters An Israeli Strategy For Peace And Security. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Navigating Perilous Waters An Israeli Strategy For Peace And Security. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Navigating Perilous Waters An Israeli Strategy For Peace And Security, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Navigating Perilous Waters An Israeli Strategy For Peace And Security has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Navigating Perilous Waters An Israeli Strategy For Peace And Security Books
