Naxal Violence A Sociopolitical Study:

Naxal Violence Sachchidanand Pandey, 1985 Naxal Violence Sachchidanand Pandey, 1985 *Extremism in North East India* Bimal J. Deb, 2015-01-01 Over the years North East India remained the hotbed of militant extremism largely attributable to identity politics seeking to institutionalise political aspirations of various ethnic communities The emergence of educated middle class and a growing sense of alienation of the people from mainstream India has also had the effect of triggering growth of militant organizations adding substantially to political dynamics of the region The proliferation of rebel groups coincided with the exclusion of economic issues and instruments in the ongoing peace process which has so far failed to address the core issues In fact the security dimensions of extremism often overshadowed development concerns of this resource rich region The book attempts to analyse the sustaining force of state specific extremism without which any possible political solution will only remain a far cry *The Maoist Insurgency in Nepal* Mahendra Lawoti, Anup Kumar Pahari, 2009-10-13 The book deals with the dynamics and growth of a violent 21st century communist rebellion initiated in Nepal by the Communist Party of Nepal Maoist CPN M It contextualizes and explains why and how a violent Maoist insurgency grew in Nepal after the end of the Cold War in contrast to the decline of other radical communist movements in most parts of the world Scholars from diverse disciplinary backgrounds employ a wide variety of approaches and methods to unravel different aspects of the rebellion Individual chapters analyze the different causes of the insurgency factors that contributed to its growth the organization agency ideology and strategies employed by the rebels and the state and the consequences of the insurgency New issues are analysed in conjunction with the insurgency such as the role of the Maoist student organization Maoist s cultural troupes the organization and strategies of the People s Army and the Royal Nepal Army indoctrination and recruitment of rebels and international factors Based on original field work and a thorough analysis of empirical data this book fills an existing gap in academic analyses of the insurgency in Nepal **Ordinary People, Extraordinary Violence** Chitralkha, 2020-11-29 The book engages with an urgent and disturbing question how are ordinary people readied to willingly kill others in the name of a cause It compares narratives of actors in domains often assumed incomparable in academic discourse Naxalites studied within the framework of peasant rebellion social movement or recently even terrorism and Hindu rioters viewed mostly under the broad rubric of ethnic violence The book draws from the author s extensive and painstaking fieldwork first with Naxalite armed cadre across seven districts in Jharkhand and Bihar and later with participants in the 2002 riots in Gujarat Viewed from the standpoint of the perpetrator or foot soldier the book bridges hitherto sacrosanct boundaries between left extremist and communal violence making available a whole new dimension to the study of social mobilisation the politics of identity and with far reaching implications discovers deep commonalities in the life worlds and aspirations of those motivated to kill in the name of a cause in apparently disparate contexts The findings of this compelling analysis of human actors ordinary people driven to extraordinary violence will interest the informed general

How People Respond to Violence Monica Carrer, 2022-09-19 This book explores the powerful role of ordinary people's agency in times of violent conflict Drawing on extensive fieldwork and a Critical Discourse Analysis the author draws out the motivations drivers and strategies at individual and community levels With a focus on people's own voices this research highlights rich findings showing a wide range of experiences and actions that people engaged in during the violent conflict and dimensions that are often missed in dominant explanations of violent conflict Therefore while looking at peace and conflict from an everyday perspective the question of power and the meaning of peace knowledge become central This monograph addresses the power of people's agency not only in shaping the politics and dynamics of violence but also in redefining what peace and change ought to look like Essential reading for researchers and students of Peace and Conflict Studies and also International Relations Security Studies Resistance Studies Anthropology Politics International Development

The Ingenuity Gap Thomas Homer-Dixon, 2002-08-13 Despite all of society's advances our problems proliferate Wars abound environmental degradation accelerates economies topple overnight and pandemics such as AIDS and tuberculosis continue to spread The Internet and other media help to disseminate knowledge but they've also created an info glut and left us too little time to process it What's more advances in technology have made the world so bewilderingly fast paced and complex that fewer people are able even to grasp the problems let alone generate solutions That space between the problems that arise and our ability to solve them is the ingenuity gap and as we careen towards an increasingly harried and hectic future the gap seems only to widen As he explores the possible consequences of this gap Thomas Homer-Dixon offers an absorbing assessment of the state of the world and our ability to fix it Culling from an astounding array of fields from economics to evolution political science to paleontology computers to communications he integrates his vast knowledge into an accessible and engaging argument This is a book with profound implications for everyone that we can ill afford to ignore

Naxal Violence A Sociopolitical Study Introduction

In the digital age, access to information has become easier than ever before. The ability to download Naxal Violence A Sociopolitical Study has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Naxal Violence A Sociopolitical Study has opened up a world of possibilities. Downloading Naxal Violence A Sociopolitical Study provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Naxal Violence A Sociopolitical Study has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Naxal Violence A Sociopolitical Study. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Naxal Violence A Sociopolitical Study. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Naxal Violence A Sociopolitical Study, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Naxal Violence A Sociopolitical Study has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
